Overview of 10 Duke Medicine Circle Durham NC 27710

10 Duke Medicine Circle Durham NC 27710 is situated within the Duke University Health System campus, a world-renowned medical complex in Durham, North Carolina. This address is integral to

Duke Medicine's outpatient and specialty care operations, serving a wide range of patients from the local community and beyond. The site combines clinical excellence with innovative technology to deliver personalized medical care. Its strategic location provides easy access to multiple healthcare services in one centralized area, streamlining patient visits and improving outcomes. The building at this address is designed with patient comfort and efficiency in mind, reflecting Duke Medicine's commitment to excellence.

Location and Accessibility

The facility at 10 Duke Medicine Circle is conveniently located near major highways, making it easily accessible for patients traveling by car or public transportation. The proximity to other Duke University Health System buildings facilitates collaboration between specialists and supports multidisciplinary care approaches. This address is part of a larger medical district that emphasizes state-of-the-art infrastructure and patient-centered design.

Role Within Duke Medicine

This site serves as a critical node in Duke Medicine's extensive network of healthcare services, focusing primarily on outpatient care and specialty clinics. It supports the healthcare system's mission to provide compassionate, innovative, and comprehensive care to patients while advancing medical research and education. The presence of leading healthcare professionals and advanced medical technologies underscores its importance within the Duke Medicine framework.

Medical Services Offered

At 10 Duke Medicine Circle Durham NC 27710, a broad spectrum of medical services is available, catering to diverse patient needs. These services encompass both primary care and specialized treatments, ensuring comprehensive care delivery. The medical teams here are composed of expert physicians, nurses, and allied health professionals committed to delivering evidence-based care.

Specialty Clinics

The location hosts several specialty clinics, including but not limited to:

- Cardiology
- Oncology
- Neurology
- Orthopedics
- Gastroenterology
- Endocrinology

Each clinic is equipped with advanced diagnostic and treatment technologies, facilitating accurate assessments and personalized treatment plans.

Outpatient Services

Outpatient care at 10 Duke Medicine Circle includes routine check-ups, diagnostic testing, minor procedures, and follow-up visits. This approach allows patients to receive high-quality care without the need for hospital admission, enhancing convenience and reducing costs. The outpatient facilities are designed to provide efficient service while maintaining a comfortable environment for patients and their families.

Facilities and Amenities

The facilities at 10 Duke Medicine Circle Durham NC 27710 are designed to promote healing, comfort, and efficiency. Modern architectural design, combined with advanced medical equipment, supports the delivery of top-tier healthcare services. Attention to patient experience is evident throughout the site.

Patient-Centered Design

The building incorporates features such as private consultation rooms, comfortable waiting areas, and accessible restrooms to enhance the patient experience. Considerations for patients with disabilities ensure that the facility is welcoming and navigable for all individuals.

Technology and Equipment

Cutting-edge medical technology is a hallmark of the services offered at this location. From advanced imaging machines to electronic health record systems, the integration of technology improves diagnostic accuracy and streamlines communication among care teams.

On-Site Support Services

Support services available at 10 Duke Medicine Circle include:

- Pharmacy services
- Laboratory testing
- Patient education resources
- Social work and counseling

- Financial and insurance assistance

These services contribute to holistic patient care by addressing medical, emotional, and logistical needs.

Patient Access and Transportation

Ensuring easy access to healthcare is a priority at 10 Duke Medicine Circle Durham NC 27710. The location is designed to accommodate a high volume of patients while minimizing wait times and logistical challenges.

Parking Facilities

Ample parking is available onsite, including designated spaces for patients with disabilities. Clear signage and well-maintained parking lots facilitate smooth arrival and departure. Valet parking options may also be available for added convenience.

Public Transportation Options

The site is well-served by local public transportation routes, making it accessible for patients who rely on buses or other transit services. Proximity to major transit hubs helps connect patients from surrounding areas to the facility efficiently.

Directions and Navigation

Clear directional signage both outside and within the facility assists patients in locating clinic areas, administrative offices, and support services. The use of digital kiosks and friendly staff help visitors navigate the complex without difficulty.

Contact Information and Support Services

For inquiries, appointment scheduling, or additional assistance, 10 Duke Medicine Circle Durham NC 27710 provides multiple communication channels. The staff is trained to offer professional and timely support to all patients and visitors.

Appointment Scheduling

Patients can schedule appointments via phone or online platforms affiliated with Duke Medicine. Efficient scheduling systems reduce wait times and optimize patient flow through the clinics.

Patient Support and Resources

Comprehensive patient support services are available to assist with:

- Insurance verification and billing questions
- Patient advocacy and navigation
- Access to medical records and test results
- Health education and community resources

These resources empower patients to actively participate in their healthcare journey and access necessary information easily.
