- Understanding the Role of a Ramsey Financial Coach
- Steps to Become a Ramsey Financial Coach
- Training and Certification Process
- Essential Skills and Qualities for Success
- Benefits of Being a Ramsey Financial Coach
- Career Opportunities and Growth

Understanding the Role of a Ramsey Financial Coach

A Ramsey financial coach serves as a trusted advisor who helps clients manage their money effectively using principles developed by Dave Ramsey. The role involves educating clients on budgeting, debt elimination, saving, and investing, all while promoting financial responsibility and long-term wealth-building. Coaches provide personalized guidance tailored to each client's financial situation, helping them navigate challenges and reach their monetary goals. Understanding this role is essential for anyone interested in becoming a Ramsey financial coach, as it requires both financial knowledge and interpersonal skills to motivate and inspire clients.

Key Responsibilities

Ramsey financial coaches are responsible for conducting one-on-one coaching sessions, creating financial plans, and providing ongoing support to clients. They help clients understand cash flow, establish emergency funds, eliminate debt using the “Debt Snowball” method, and plan for future financial milestones such as homeownership or retirement. Coaches also track progress and adjust strategies as needed to ensure clients stay on course.

Client Impact

The impact of a Ramsey financial coach extends beyond numbers; it fosters confidence and financial literacy. Coaches play a vital role in reducing financial stress and empowering clients to make informed decisions. This transformative impact makes the profession rewarding and meaningful.

Steps to Become a Ramsey Financial Coach

Becoming a Ramsey financial coach involves several structured steps that prepare individuals to deliver effective financial education in line with Ramsey Solutions’ methodology. Following these steps ensures readiness and certification to work with clients professionally.

Meet Basic Requirements

Prospective coaches must meet basic eligibility criteria such as being at least 18 years old and possessing a high school diploma or equivalent. A strong interest in personal finance and helping others is essential. While formal financial education is beneficial, it is not always mandatory, as comprehensive training is provided.

Complete the Ramsey Coaching Certification

The cornerstone of becoming a Ramsey financial coach is completing the official Ramsey coaching certification program. This program delivers in-depth training on Ramsey’s principles, coaching techniques, and financial literacy topics. It is designed to equip candidates with the knowledge and tools necessary for effective client engagement.

Gain Practical Experience

After certification, gaining hands-on experience through internships, volunteer coaching, or working with established financial coaches enhances skills and confidence. Practical experience helps new coaches understand

real-world client challenges and improves coaching effectiveness.

Join the Ramsey Coaching Network

Once certified and experienced, joining the Ramsey coaching network allows access to resources, ongoing training, and a community of professionals dedicated to financial coaching. This affiliation also increases credibility and client reach.

Training and Certification Process

The Ramsey coaching certification process is a comprehensive program designed to ensure coaches are well-prepared to deliver expert financial guidance. The training covers both theoretical knowledge and practical coaching skills.

Course Content Overview

The certification course includes modules on budgeting, debt management, saving strategies, investing basics, and communication skills. It emphasizes Ramsey's core philosophies such as the "Baby Steps" approach and the importance of living debt-free.

Assessment and Evaluation

Candidates are evaluated through quizzes, assignments, and practical coaching demonstrations. Successful completion requires demonstrating competency in both financial knowledge and coaching ability.

Continuing Education

To maintain certification, coaches are encouraged to participate in continuing education programs that keep them updated on new financial trends and coaching methods. This commitment ensures high-quality service delivery.

Essential Skills and Qualities for Success

Becoming a Ramsey financial coach requires a blend of technical knowledge and interpersonal skills. These competencies enable coaches to build trust, communicate effectively, and motivate clients.

Financial Literacy

Comprehensive understanding of personal finance, including budgeting, debt reduction, credit management, and investment principles, is crucial. Coaches must be able to explain complex concepts in simple terms.

Communication and Empathy

Strong communication skills help coaches listen actively and provide clear guidance. Empathy allows coaches to connect with clients' challenges and tailor advice accordingly, fostering a supportive environment.

Problem-Solving and Motivation

Effective coaches identify financial obstacles and develop practical solutions. They also inspire clients to stay committed to their financial plans through encouragement and accountability.

- Active listening and interpersonal communication
- Patience and understanding
- Time management and organization
- Goal-setting and progress tracking
- Adaptability and continuous learning

Benefits of Being a Ramsey Financial Coach

Choosing to become a Ramsey financial coach comes with numerous professional and personal benefits. The role offers a unique combination of financial expertise and impactful service.

Professional Growth

Coaches gain valuable skills in finance, coaching, and client management that are transferable to various career paths. The certification adds credibility and expands professional opportunities.

Personal Fulfillment

Helping individuals and families achieve financial stability and success provides a strong sense of purpose and job satisfaction. Coaches witness firsthand the positive changes in their clients' lives.

Flexible Career Options

Ramsey financial coaches can work independently, join financial institutions, or collaborate with non-profit organizations. Many coaches enjoy flexible schedules and the option to work remotely.

Career Opportunities and Growth

The demand for qualified financial coaches continues to rise as more people seek guidance in managing personal finances. This trend creates expanding career opportunities for Ramsey-certified professionals.

Employment Settings

Financial coaches may find employment in banks, credit unions, financial planning firms, or community organizations. Additionally, many choose to establish private coaching practices or work as part of the Ramsey Solutions team.

Advancement Potential

With experience and continued education, coaches can advance to senior coaching roles, management positions, or specialize in areas such as business finance or debt counseling. The field offers ample room for professional development.

Frequently Asked Questions

What are the basic requirements to become a Ramsey Financial Coach?

To become a Ramsey Financial Coach, you need to complete the Ramsey Solutions certification course, which includes training on Dave Ramsey's financial principles and coaching techniques. There are no formal education requirements, but a passion for helping others with personal finance is essential.

How long does it take to become a certified Ramsey Financial Coach?

The certification course typically takes a few weeks to complete, depending on your schedule. Most candidates finish the program within 4 to 6 weeks by completing online modules and passing the final exam.

What skills are important for a Ramsey Financial Coach?

Key skills for a Ramsey Financial Coach include strong communication, empathy, financial literacy, problem-solving, and the ability to motivate and guide clients through budgeting, debt reduction, and wealth-building strategies.

Can becoming a Ramsey Financial Coach be a full-time career?

Yes, many certified Ramsey Financial Coaches work full-time, either independently or with Ramsey Solutions, helping clients achieve financial freedom. Some coaches also offer workshops, group coaching, or partner with organizations to provide financial education.

How much can Ramsey Financial Coaches earn?

Earnings vary based on experience, location, and client base. Some coaches charge hourly rates or fees per session, with average incomes ranging from \$40,000 to \$70,000 annually, while highly successful coaches can earn more through expanded services and client referrals.

Is prior financial or coaching experience necessary to become a Ramsey Financial Coach?

Prior financial or coaching experience is helpful but not required. The Ramsey certification program provides comprehensive training to equip you with the knowledge and coaching skills needed to effectively assist clients.

How do Ramsey Financial Coaches help clients achieve financial goals?

Ramsey Financial Coaches guide clients by teaching budgeting techniques, debt elimination plans like the Debt Snowball method, emergency fund creation, and long-term wealth-building strategies based on Dave Ramsey's principles, providing accountability and personalized support.

Additional Resources

1. *The Total Money Makeover* by Dave Ramsey

This foundational book by Dave Ramsey outlines a straightforward plan for paying off debt, building an emergency fund, and achieving financial freedom. It emphasizes practical steps and real-life success stories, making it an essential read for anyone aspiring to become a Ramsey financial coach. The book's principles serve as the cornerstone of Ramsey's coaching philosophy.

2. *Financial Peace Revisited* by Dave Ramsey

In this updated edition, Dave Ramsey revisits his classic teachings with fresh insights and tools to help individuals gain control over their money. It provides a comprehensive approach to budgeting, saving, and investing, which are critical skills for a financial coach. The book also offers motivational strategies to help clients stay committed to their financial goals.

3. *Smart Money Smart Kids* by Dave Ramsey and Rachel Cruze

Co-written by Dave Ramsey and his daughter Rachel Cruze, this book focuses on teaching children and families about money management. It's an excellent resource for coaches who want to help clients instill strong financial habits in their children. The book covers topics like budgeting, giving, and earning, providing a family-centered approach to financial education.

4. *EntreLeadership* by Dave Ramsey

This book combines leadership principles with sound financial management, making it ideal for coaches who want to guide small business owners or entrepreneurs. Dave Ramsey shares lessons on managing people, money, and business growth. Understanding these concepts is valuable for financial coaches who aim to support clients beyond personal finances.

5. *The Legacy Journey* by Dave Ramsey

Focusing on wealth-building and legacy planning, this book helps coaches guide clients in creating lasting financial security. It covers investing, generosity, and stewardship, encouraging a mindset shift from just surviving to thriving financially. Coaches can use this book to inspire clients to think long-term about their money and impact.

6. *Debt-Free Forever* by Gail Vaz-Oxlade

Though not authored by Dave Ramsey, this book complements Ramsey's philosophy with practical advice on eliminating debt and living within one's means. It offers straightforward strategies for budgeting and spending control, which are crucial for any financial coach. The book's clear and no-nonsense approach makes it a useful tool for helping clients break free from debt.

7. *The Millionaire Next Door* by Thomas J. Stanley and William D. Danko

This classic book explores the habits and characteristics of ordinary people who have accumulated significant wealth. It provides insight into disciplined saving, frugal living, and smart investing—key principles that align with Ramsey's teachings. Financial coaches can use this book to reinforce the importance of lifestyle choices in building wealth.

8. *Your Money or Your Life* by Vicki Robin and Joe Dominguez

This book offers a holistic view of money management, focusing on aligning spending with personal values and life goals. It encourages readers to track every dollar and rethink their relationship with money, which is useful for coaches helping clients gain awareness and control. The book's emphasis on mindful spending complements the Ramsey coaching framework.

9. *The Simple Path to Wealth* by JL Collins

JL Collins provides a straightforward guide to investing and financial independence, emphasizing low-cost index funds and long-term planning. This book is a great resource for Ramsey financial coaches who want to deepen their knowledge of investing basics. It helps coaches advise clients on growing and protecting their wealth after debt is paid off.

Go beyond the Ramsey Baby Steps and get to the root of all of your decisions—your mind, your behaviors, and your beliefs— so you can change your money mindset for good. You may already know how to make the right money decisions, BUT you probably still find yourself slipping into impulse purchases, dipping into savings, disagreeing on your budget with your spouse, and wondering “Why did I do that?!” If so, this book is for YOU. Rachel Cruze explains the psychology, strengths, and challenges that come with each of her brand-new Seven Money Tendencies: Saver or Spender Nerd or Free Spirit Experiences or Things Quality or Quantity Safety or Status Abundance or Scarcity Planned Giving or Spontaneous Giving Along with discovering where you land on the scale of Seven Money Tendencies, this book also introduces new ways to understand how your parents, your fears, and your beliefs impact your money mindset. You'll learn: Which of the Four Childhood Money Classrooms shaped your personality How the Six Core Money Fears can drive your most common money mistakes Why you handle money the way you do, and what to do about it You DON'T have to white-knuckle your way toward financial freedom. This book will show you how to make taking control of your money so much easier (and fun).

become a ramsey financial coach: Baby Steps Millionaires Dave Ramsey, 2022-01-11 You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In Baby Steps Millionaires, you will . . . *Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth *Learn how to bust through the barriers preventing them from

becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you Baby Steps Millionaires isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

become a ramsey financial coach: *CAN LITTLE CHUCKIE COME OUT AND PLAY NOW?* Chuck Brummel, 2014-03 My storey is about my life. I was born in 1939, and my family literally broke apart when I was little. I do not recall ever living in a home with my mother and father together. There were several years I spent in foster care; and then living with Mom and then Dad, bouncing back and forth a couple of times, until I was a junior in high school. My father moved, but I didn't. I spent my final year in high school living with a local family, thanks to a basketball coach who took special interest in me. I spent some of my time growing up being a juvenile delinquent; petty theft, shop-lifting, drinking, smoking and other such irresponsible activities. I made a decision to change my life after my freshman year in high school, and went to live with my father, whom I already knew was a strict disciplinarian and a very controlling individual. But, I got the chance to start my life over again at age 15. I made the most of my new start, and I want to tell my story!

become a ramsey financial coach: Summary of Dave Ramsey's Baby Steps Millionaires Milkyway Media, 2024-01-23 Get the Summary of Dave Ramsey's Baby Steps Millionaires in 20 minutes. Please note: This is a summary & not the original book. Baby Steps Millionaires by Dave Ramsey showcases real-life success stories of individuals who have achieved financial freedom by following his seven Baby Steps. Tiffany, a single mother, and John and Maddi, a couple, overcame significant debt and built million-dollar net worths through disciplined adherence to these steps. Ramsey, who went from bankruptcy to millionaire, advocates against a culture of debt and for a practical, consistent investment strategy...

become a ramsey financial coach: Start an Online Coaching Business resell right, Start an Online Coaching Business Using Your Talents and Expertise! Learning something new is fun; it can also be a challenge. Many times we are required to learn something new with our job and there are times when we are interested in something and want to learn more about it. That's why a coaching business offers a great way to make some nice profits. There is so much information out there so it seems very easy to just do some research and find what it is you need to know. How easy is it to apply your new found knowledge in a real life situation, and how much can you trust the information out there? It is not really that simple. Learning something and doing something are two different things. Learning something and putting it into practice takes time, patience, and a good coach. This is where you come in handy. Think of your current niche, and as you are thinking about it, is there something within your niche that people need or want help with? Maybe you cannot think of something within your niche, so below are ten coaching businesses examples. The purpose is to give you the coacher ideas within different niches, then go back and think of ways you can create a coaching business within your own niche. If you still cannot think of anything within your niche, then it can be a totally separate business from what you have right now. Read each one and think about it. Then read it again thinking of ways you can apply that knowledge to your own business.

become a ramsey financial coach: From Me to We Lucille Williams, 2017-04-01 Engaged? Soon-to-Be Engaged? Or Just Thinking about Building a Healthy, Vibrant, Godly Life Together as Husband and Wife? . . . Marriage is not for the faint of heart. Men, look at Ephesians 5:28: "So husbands ought also to love their own wives as their own bodies. He who loves his own wife loves himself." Men, are you ready to make a commitment such as this? Ladies, are you ready to hop on his train? Consider Ephesians 5:22: "Wives, be subject to your own husbands, as to the Lord." How are you both going to work out that verse as a couple? Anyone fighting yet? From Me to We is a transparent, surprisingly honest, and widely informative guide that will inspire readers to safeguard their marriage by tackling tough questions and issues before they say, "I do." Lucille Williams,

pastor's wife and trained Prepare/Enrich Marriage Facilitator, offers straight-talk about marriage with unprecedented insight as well as challenges and discussion questions—a must-have tool for premarital counseling. This compelling, entertaining, and insightful guide covers topics including the all-important question of Why are you getting married? as well as forgiveness, communication, expectations for marriage, baggage, sex, and money—all from a biblical perspective.

become a ramsey financial coach: Start a Part-Time Link Building Pro Business resell right, Start a Part-Time Link Building Pro Business - It's Far Easier Than You Think! Here's a terrific little business you can start almost immediately. All you need is the right knowledge, and we'll get you started on that. As you know, websites NEED links from other websites in order to rank on Google. And as you also know, junk links no longer help - they hurt. So any link building done these days has got to be legitimate - nothing faked or phony. Which provides a tremendous opportunity for anyone who knows how to get legitimate, powerful links without creating new content. Becoming a link building pro is easier than you think. You only need a handful of businesses to work with, and with the millions of websites that are trying to rank on Google, you can practically take your pick of who you want to work with or what you want to charge. You can also offer your link building service locally, add it to your offerings to local businesses, be a website consultant, get your own sites ranked high, build and sell websites, etc. The possibilities are nearly endless when you have this skill. And in fact, you can take everything you learn and apply it to your own websites to get them ranking high. Then when they've got a steady stream of traffic, you can either tap that traffic for profits or flip the website for an instant cash payout.

Jay T Schramek, Owner of Toronto Dance Teacher Expo, Dance Attack Competitions, and Tap Shoes Canada Have you dreamt of running your own school from the first time you tied your ballet shoes, played or sang a note in music, or earned a karate belt? Of course, as teachers and instructors, you know your craft. But running an academy takes a different set of skills, and not every business consultant understands your unique industry. In Teaching Ambition, Tara Pickford shares what she has learned from the trenches. Tara grew her performing arts franchise to three locations before she realized that it was too soon to scale up without the right systems in place. Drawing from 25 years of experience, from watching staff take her clients to another studio to getting hit by the figurative bus in her personal life, she offers valuable guidance and powerful exercises to help you: · Put the systems in place to succeed · Surround yourself with the best team · Get on top of your finances for better profit control · Create a culture based on your values · And more If you own a tuition-based business or aspire to run a school or studio one day, Teaching Ambition will provide you with the

accurate, practical, and industry-specific tools you need to make your vision a reality.

become a ramsey financial coach: Healing Unaware Cheryl Jacobo, 2023-09-27 Is your heart heavy with unanswered prayers? Witness one woman's journey as her despair over a fierce illness exposed what truly needed healing. Is God putting your beliefs to the test? Have sickness and suffering worn you down? Feel as though you're a lightning rod for tragedy? Enduring many agonizing years of chronic Lyme disease, Cheryl Jacobo went through the wringer and came out the other side with an even stronger devotion to the Heavenly Father. And now she's here to share her inspiring voyage from victim to victor to encourage you to open up your own spiritual transformation. *Healing Unaware: An Inspirational Memoir of Trusting God's Grace* reveals a sometimes messy and unconventional path to reclaiming courage on a hard walk of faith. With a scripture-based perspective born from her search for ways to address painful physical symptoms and persistent emotional pain since childhood, Jacobo shares how she became empowered to face long-held grief. And by following her extraordinary example, you'll be emboldened to rise above any challenge to live in the freedom provided by Christ. In *Healing Unaware*, you'll bring to light: • What your anguish can teach you about what really needs repairing and how to emerge victorious • Your own threshold for the testing of your tenacity to make it easier to confront challenges • Ways to lead yourself through a health crisis and find your path to wellness • Fresh perspectives to help pivot from feeling distraught to being determined • How God specializes in the mending of our unknown and unseen trauma, the rewards from sticking with your hopes for the future, and much, much more! *Healing Unaware* is an unforgettable memoir from unstoppable survivor Cheryl Jacobo. If you're drawn to stories of life-altering breakthrough moments, then you'll love this inspirational God story and its tender validation of your own challenging faith journey.

become a ramsey financial coach: A Christmas Journey Kevin Marti, 2013-01-27 A Christmas Journey is a Bible study guide and daily devotional for fathers and their children. It is written from a father to his children in order to encourage them in God's awesome Word. The book is also a bible reading plan as it steps chapter by chapter through the bible. The book begins in Leviticus Chapter 18 and proceeds through Job Chapter 37. A Christmas Journey is a sequel to A Christmas Gift. The books are independent of each other. It is not necessary for the reader to read A Christmas Gift before starting A Christmas Journey. The book is written as a Christmas Gift as it begins on December 24th and ends on December 23rd the following year. However, since it is a daily devotional it can be started at any time or place. The sole purpose of the book is to inspire the reader to get into God's Word and help build their faith in their Lord and Savior Jesus Christ.

become a ramsey financial coach: Swimming Upstream Christine Roush, 2009-06 In *Swimming Upstream*, Christine Roush offers her story as one who earns and spends money as the typical canvas on which so many families paint their lives. As she grows in her understanding and fiscal discipline, she learns that the apostle Paul's invitation to not be conformed to the pattern of this world any longer is an invitation for all followers of Jesus to begin swimming against the currents of our consumer culture. Christine invites the reader to join her swim team. Chris fills the pages with stories from her own life and those offered by friends, thoughtful questions, and resources for further information. In a time of economic downturn her book offers hope. In a time of prosperity her book reminds the reader of what really matters. I am becoming convinced that not only does the broad concept of stewardship need to be restored in the church, but that the practice of biblical stewardship in this consumer society is essential to healthy spiritual formation. Chris's book is an important step towards learning to be faithful Christ-followers in our day and time. Don't be deceived by the friendly and approachable nature of this text; it is rooted in excellent research. It has been a privilege to journey with Chris in the preparation of this study. My prayer is that the hard work represented in these words bears fruit for the Church and God's kingdom. - Dr Daniel L Brunner Professor of Christian History and Formation George Fox Evangelical Seminary Chris asks those questions we all think about as we go through life's journey and helps us see what scripture and life have to teach us about stewardship. Good Stuff -Robert J. Crandall, CFRE I challenge you to find a more timely book than this one. As the collapse of Wall Street on 09/08 proved, the god of the

market is not only a false god. The god of the market is now dead. Read here why, and what we can do to worship the one and only true God. -Leonard Sweet, Drew University, George Fox University, sermons.com. In *Swimming Upstream*, Chris Roush bares her heart, mind, and soul as she describes the anxiety and personal struggles that accompanied her and her family as they were swept downstream by the relentless forces of American consumerism. . . . The book points to an alternative way-a way to move from anxiety and greed to divine abundance, which, for Chris, is epitomized in Romans 12:1-2. It is the road of Christian discipleship. -Dr. Ronald E. Vallet, executive director (retired) Ecumenical Stewardship Center Reading Chris' story led me to retrace much of my own personal history and coming to terms with how to swim against the Consumer culture. Anyone wanting their household to be a legacy for the kingdom of God benefits from time spent with this book. -mark l. vincent, Ph.D. CEO/Design Group International

become a ramsey financial coach: *Generous Life Journey* Gunnar Johnson, 2016-01-05 At some point in life we will all come to the intersection of faith and finances. How we navigate that experience will go a long way in determining our success in our walk with God and in life. Imagine the impact financially-free Christians could have on their communities and the world. The answer to financial turmoil comes from the truths in God's word. This is the story of the lessons in handling finances from a Godly perspective as experienced by Johnson himself. This book will help the body of Christ in Biblical stewardship, and gives individuals and the church everything needed to become Christ following stewards. Key features include: Big picture financial training from the Word of God The why behind the how of Biblical stewardship Inspiration to create a life of overflowing joy and generosity Living in financial freedom Encouraging biblical use of money as a Kingdom building tool

become a ramsey financial coach: *Everyday Natural* Jacqueline Ritz, 2017 *Everyday Natural* discusses topics such as: eating real food vs. processed; dealing with issues of weight; homemade body care wonders; detoxing the home; natural solutions for creating abundance. This book is for the naysayers who think a truly natural lifestyle is impossible to achieve and for those who are tired of living sluggish, burdened, and unhealthy lives.

become a ramsey financial coach: *Bill Cosby Is Right: But What Should The Church Be Doing About It?* Merisa Parson Davis, 2010 Merisa Davis & Family Merisa Parson Davis is Dr. Bill Cosby's cousin. She is a Magna Cum Laude graduate of Liberty Baptist Theological Seminary, where she earned her Master's degree in Theological Studies. She attends First Redeemer Church in Cumming, Georgia, pastored by Dr. Richard Lee. There, she serves as a Bible teacher, youth worker, and women's conference speaker. She earned her undergraduate degree at Liberty University in Lynchburg, Virginia. (Founded by the late Dr. Jerry Falwell) There, she studied television, journalism, and Christian counseling. She is a former news reporter for WVIR-TV NBC-29, in her hometown of Charlottesville, Virginia. Merisa has worked in youth ministry since 1998. Currently, she is helping create Liberty University's new Black Worship Studies Program, scheduled to begin classes in fall of 2010. She has been married for 15 years to Marc Davis, who is the owner of the Davis State Farm Insurance Agency, in Stone Mountain, Georgia. She is the proud mother of Charissa Joy and Marc Isaac. She plans to pursue her Ph.D in the near future. For several years now I have had the joy to see, firsthand, how God is using Merisa Davis to bring a message of inspiration to others. Her book, *Bill Cosby Is Right* is a prescription for those who are seeking to move to a higher place in their work, their lives, and their faith. Dr. Richard Lee, General Editor, *The American Patriot's Bible*, Founding Pastor, First Redeemer Church I have had the opportunity of reading a portion of Merisa's book, *Bill Cosby Is Right*. To say the least, it is the best that I have ever seen on the subject. My advice-secure a copy and be both informed and inspired Dr. Harold L. Willmington, author, *Willmington's Guide to the Bible*, Dean, Willmington School of the Bible, Liberty University

become a ramsey financial coach: *Be Bold* Anna Goldstein, 2021-05-25 *Be Bold* is an interactive journey for readers looking to discover and create their own unbreakable confidence. Learn how to transcend fear, trust your gut, and take practical steps to build your self-esteem. Once you break free from what's holding you back, clarify your vision, and step into your power, you will see measurable changes in all areas of your life. Feeling stuck or that something is just not quite

right? You know you are meant for more, so how do you access the clarity and confidence to take your life to the next level? You won't discover it by simply thinking positive thoughts or by squaring your shoulders and faking it. It requires a choice: less people-pleasing and perfectionism and more action, risk-taking, and fast failure. If you're ready to take control of your life, *Be Bold* is here to help you gain a deeper understanding of the internal forces shaping your life's direction. With this knowledge, you can fully realize your potential to live in a body you love, have fulfilling relationships, a meaningful career, and more. Each chapter builds upon an important facet of building up unbreakable confidence within yourself and has an exercise and a mantra to help guide you through each step of your journey towards boldness. Here are some of the things that self-assured people (and soon enough, you!) do: Applaud their imperfections Say no Trust their own judgment, and also listen to others' opinions Don't mirror others to find what makes them happy Open themselves to love Ask for help Strive to understand their emotions Release guilt Love watching their friends soar Dispel the illusion that the reason you can't achieve something is a lack of adequate resources. All you need is within you now and this book will show you how to tap into this innate potential from the inside out. You got this! The Live Well series from Rock Point invites you to create a life you love through multiple acts of self-discovery and reinvention. These encouraging gift books touch on fun yet hardworking self-improvement strategies, whether it's learning to value progress over perfection, taking time to meditate and slow down to literally smell the roses, or finding time to show gratitude and develop a personal mantra. From learning how to obtain more restful sleep and creating a healthy work/life balance to developing personal style and your own happy place, the Live Well series encourages you to live your best life. Other titles in the series include: *Progress Over Perfection*; *Find Your Flow*; *Be Happy*; *Seeking Slow*; *Finding Gratitude*; *Eff This! Meditation*; *The Joy of Forest Bathing*; *Find Your Mantra*; *It Had to be You*; *Men's Society*; *Genius Jokes*; *The Calm and Cozy Book of Sleep*; *Beating Burnout*; *Ayurveda for Life*; and *Choose Happy*.

Discover Phenomenal Leadership: Confront the stark truth that the success of your team begins with you. Learn the Eight Steps to Building a Phenomenal Dream Team: Dive into the heart of the book with eight actionable steps that are the cornerstone of building a high-performing, engaged, and dedicated team. Ready to transform your business and your life? *How to Build a Phenomenal Dream Team* is your first step towards building a legacy defined by phenomenal success and a team that not just works for you, but elevates you.

become a ramsey financial coach: Pound Foolish Helaine Olen, 2013-12-31 If you've ever bought a personal finance book, watched a TV show about stock picking, listened to a radio show about getting out of debt, or attended a seminar to help you plan for your retirement, you've probably heard some version of these quotes: "What's keeping you from being rich? In most cases, it is simply a lack of belief." —SUZE ORMAN, *The Courage to Be Rich* "Are you latte-ing away your financial future?" —DAVID BACH, *Smart Women Finish Rich* "I know you're capable of picking winning stocks and holding on to them." —JIM CRAMER, *Mad Money* They're common refrains among personal finance gurus. There's just one problem: those and many similar statements are false. For the past few decades, Americans have spent billions of dollars on personal finance products. As salaries have stagnated and companies have cut back on benefits, we've taken matters into our own hands, embracing the can-do attitude that if we're smart enough, we can overcome

even daunting financial obstacles. But that's not true. In this meticulously reported and shocking book, journalist and former financial columnist Helaine Olen goes behind the curtain of the personal finance industry to expose the myths, contradictions, and outright lies it has perpetuated. She shows how an industry that started as a response to the Great Depression morphed into a behemoth that thrives by selling us products and services that offer little if any help. Olen calls out some of the biggest names in the business, revealing how even the most respected gurus have engaged in dubious, even deceitful, practices—from accepting payments from banks and corporations in exchange for promoting certain products to blaming the victims of economic catastrophe for their own financial misfortune. *Pound Foolish* also disproves many myths about spending and saving, including: Small pleasures can bankrupt you: Gurus popularized the idea that cutting out lattes and other small expenditures could make us millionaires. But reducing our caffeine consumption will not offset our biggest expenses: housing, education, health care, and retirement. Disciplined investing will make you rich: Gurus also love to show how steady investing can turn modest savings into a huge nest egg at retirement. But these calculations assume a healthy market and a lifetime without any setbacks—two conditions that have no connection to the real world. Women need extra help managing money: Product pushers often target women, whose alleged financial ignorance supposedly leaves them especially at risk. In reality, women and men are both terrible at handling finances. Financial literacy classes will prevent future economic crises: Experts like to claim mandatory sessions on personal finance in school will cure many of our money ills. Not only is there little evidence this is true, the entire movement is largely funded and promoted by the financial services sector. Weaving together original reporting, interviews with experts, and studies from disciplines ranging from behavioral economics to retirement planning, *Pound Foolish* is a compassionate and compelling book that will change the way we think and talk about our money.

become a ramsey financial coach: *CRUSH Your Money Goals* Bernadette Joy, 2024-12-10 Atomic Habits and Psychology of Money meets Investing 101 and Personal Finance 101 as financial superstar Bernadette Joy breaks down how using her CRUSH program can help you get out of debt, save money, build wealth, and live a more financially comfortable life. By changing your patterns with better habits, you'll be on your way to making financial changes not just for today, but for tomorrow!

become a ramsey financial coach: *Money Like You Mean It* Erica Alini, 2021-12-09 "The first personal finance book for the 2020s: expensive housing, BNPL, side hustles, negotiating a raise, and much more. Erica Alini is one of Canada's top personal finance pros, and this book shows it." —ROB CARRICK Wrestle debt to the ground. Figure out whether you should rent or buy. And determine if a side hustle is really worth the hassle. Get a job, buy a house, spend less than you make, and retire at sixty-five. That's advice for a world that has largely disappeared. Even good jobs today often have no guarantee of stability. Home prices have reached the stratosphere. Meanwhile, student debt drags you down just as you're trying to take off in life. To survive and thrive in today's reality, you need a whole new personal finance tool kit. Personal finance reporter Erica Alini blends the big picture with practical advice to give you a deeper understanding of the economic forces that are shaping your financial struggles and how to overcome them. Packed with concrete tips, *Money Like You Mean It*

covers all the bases: from debt to investing and retirement, plus renting versus buying, and even how to tell whether a side gig is really worth the effort. It's the essential road map you need to make it in the current economy.
