Now They Want Your Future.* Ever feel like feminism isn't about fairness—but about erasing men? Sick of being called toxic for acting masculine, then weak if you show feeling? Wonder why equality activists scream for rights while ignoring male suffering? This book arms you with the unvarnished truth: - Exposes the violent, privileged women who launched feminism to crush men, not liberate anyone. - Proves gender equality is a biological fantasy—using evolution and psychology, not woke fairy tales. - Details how feminists blocked universal male suffrage while demanding power for themselves. - Reveals the quasi-religious cult of radical feminism: intolerant, dogmatic, and maniacally anti-male. - Debunks the marriage plantation myth that traps men as providers for ungrateful partners. - Explains why masculinity isn't toxic—it's society's backbone, and women secretly crave it. - Tears apart feminist lies with data, logic, and brutal humor—no leftist spin. - Charts a path for men to reclaim authority, dignity, and control in a gynocentric world. If you want to crush feminist lies and unleash your true power as a man, then buy this book today.

Your job may be all about sales, but not your customers. Did you know that the average executive spends less than 5 percent of their time engaged in the buying of products and services? Therefore, sales professionals who focus solely on the moment of the sale have made a fatal miscalculation in understanding their customers. *Beyond the Sales Process* provides you with a proven methodology for driving success before, during, and after every sale. Featuring instructional case studies from companies such as Hilton Worldwide, Merck, and Siemens,

this resource reveals 12 essential strategies for salespeople wanting to take their performance to a whole new level, including: Research your customer Build a vision with them for their own success Understand your customer's drivers, objectives, and challenges Create and realize value together Leverage your results to forge lasting--and mutually beneficial--relationships If you want to successfully sell to your customers, you need to know your customers...beyond the sales process!

beyond yoga instructor discount: *Going Beyond Mom* Randi Zinn, 2017-09-19 Born out of her popular website *Beyond Mom*, Randi's book is a guide for mothers looking to jump-start their business ideas by finding connection from within. The 1.2 million women in America each year who choose not to return to traditional work after having children have found themselves filled with an unexpected creative energy, but lack the knowledge and network to tap it. With the support of the *Beyond Mom* community behind you, Randi provides the guidance and the tools women need to find their strength, body, and mind, thus laying the integral foundation to bring entrepreneurial ideas to fruition. Her distinct approach is as practically accessible as it is holistic—a former yoga teacher who also possesses a decade of experience as an acting CEO, she knows that personal well-being is critically connected to any thriving business venture. Because the first step to personal wellness and idea growth begins with you. In addition, each chapter features an interview from the *Beyond Mom* network of celebrity moms, successful businesswomen, and clients, like bestselling author and coach Alexandra Jamieson, renowned psychotherapist Terri Cole, *IntenSati* founder Patricia Moreno, and author/anthropologist Wednesday Martin, just to name a few. Honest, smart, and relatable, Randi provides wisdom and encouragement to build entrepreneurs (who are also moms) from deep within!

beyond yoga instructor discount: **Beyond the Filter** Adrian Ferruelo, 2025-05-26 When Maya Torres, a freelance content creator, meets Alex Carter, a disillusioned tech entrepreneur, at a co-working retreat, they form an unexpected connection that changes everything. Maya is struggling to balance her online persona with her true self, while Alex is tired of the superficiality of his industry. As they navigate the pressures of social media, the gig economy, and their own insecurities, they discover the importance of authenticity and vulnerability. This heartfelt romance explores the challenges of finding real love in a digital world, offering a story that is both modern and timeless. Perfect for fans of *The Hating Game* and *The Kiss Quotient*, this novel will leave you believing in the power of genuine connection.

beyond yoga instructor discount: **Purpose Beyond 2012** Wj Reichertz, 2012 Like many Americans, Ricky Vogt was searching for a career and purpose during the fallout from America's 2008 economic implosion. At the same time the nation was searching to resolve energy, environmental, and economic problems within a dysfunctional political system. This story explains how Vogt joined his fellow Americans as they fought amongst themselves in search of a better vision. He questions how community resolves the tension between intolerance and personal liberty; between the selfishness of trickle-down economics and the ideals of spirituality and our founding documents promoting the common good. The book depicts Vogt's evolving search for better solutions and a new way forward.

beyond yoga instructor discount: *Beyond the Board* Maya Gabeira, 2025-06-10 In this YA memoir, pro surfer Maya Gabeira tells the awe-inspiring true story of her journey from unstoppable teenager to the Guinness World Record-holding legend she is today Who am I, beyond the board? Surf legend Maya Gabeira is famous for her nerve. Her surfing journey began at the age of fourteen and reached a high when she set (and later broke) a Guinness World Record for highest wave conquered by any big wave surfer—man or woman—after bouncing back from a near-fatal accident.

Gabeira has been heralded as one of the top surfers of her generation. But who is the ferocious personality beyond the board? What are the stories behind the relationships and challenges that shaped her into the indomitable surfer, women's rights advocate, and champion for mental health awareness she is today? For the first time ever, Maya looks back on her formative years: the romances, career highs, vulnerabilities, and setbacks that defined her at an early age. At seventeen, she left her home in Rio de Janeiro in order to chase waves around the world, toting a single backpack and waiting tables to get by. Maya carved her own path as a teen, defining her own remarkable narrative: that of a vulnerable, passionate, and driven young woman who learned never to flinch—even in the face of death.

beyond yoga instructor discount: Diana and Beyond Raka Shome, 2014-10-30 The death of Princess Diana unleashed an international outpouring of grief, love, and press attention virtually unprecedented in history. Yet the exhaustive effort to link an upper class white British woman with the people raises questions. What narrative of white femininity transformed Diana into a simultaneous signifier of a national and global popular? What ideologies did the narrative tap into to transform her into an idealized woman of the millennium? Why would a similar idealization not have appeared around a non-white, non-Western, or immigrant woman? Raka Shome investigates the factors that led to this defining cultural/political moment and unravels just what the Diana phenomenon represented for comprehending the relation between white femininity and the nation in postcolonial Britain and its connection to other white female celebrity figures in the millennium. Digging into the media and cultural artifacts that circulated in the wake of Diana's death, Shome investigates a range of theoretical issues surrounding motherhood and the production of national masculinities, global humanitarianism, transnational masculinities, the intersection of fashion and white femininity, and spirituality and national modernity. Her analysis explores how images of white femininity in popular culture intersect with issues of race, gender, class, sexuality, and transnationality in the performance of Anglo national modernities. Moving from ideas on the positioning of privileged white women in global neoliberalism to the emergence of new formations of white femininity in the millennium, *Diana and Beyond* fearlessly explains the late princess's never-ending renaissance and ongoing cultural relevance.

beyond yoga instructor discount: Beyond The Secret Alexandra Bruce, 2007-09-01 Based on a best-selling documentary film of the same name, this book presents the "Law of Attraction," which, according to the tagline, "has traveled through centuries to reach you." By synthesizing "how to get rich" ideas from classic self-help books by Wallace D. Wattles (*The Science of Getting Rich*), Napoleon Hill (*Think and Grow Rich!*), and Charles Haanel (*The Master Key System*) with twenty-five modern-day self-improvement gurus like Jack Canfield, Bob Proctor, Michael Bernard Beckwith, James Ray, Lisa Nichols, and Joe Vitale, author Rhonda Byrne and her team have created an almost alchemically rich and compelling promise. They claim that "The Secret" was discovered by such historical luminaries as Plato, da Vinci, Galileo, Napoleon, Hugo, Beethoven, Newton, Edison, and Einstein/ that "The Secret" has existed in fragments in religions, philosophies, and oral traditions for centuries . . . but only now has it all been put together. "The Secret is everything you have dreamed of . . . and is beyond your wildest dreams," trumpet the marketing materials. Could it really be true, or is it just a new spin on the very old (and decidedly not secret) "the power of positive thinking" wedded to "ask and you shall receive"? Alexandra Bruce goes behind the scenes to investigate the phenomenon, from its roots in Australia to the sales bonanza that has seen creator Rhonda Byrne become the most successful debut author in memory. Bruce takes a hard but fair look at the "teachers" featured in *The Secret* and the "Law of Attraction" that is the central theme. To truly understand the significance of *The Secret*, perspective is needed. *Beyond The Secret* delivers that and much more.

beyond yoga instructor discount: Backpacking Beyond Boundaries Tim Ramsden, 2011-08 *Backpacking Beyond Boundaries* is the story of a young man who puts his career on hold in search of adventure and the discovery of his inner being. He leaves South Africa in 1990 while Nelson Mandela is still in prison and South Africa ruled by a white minority government. His travels take

him through 35 countries and cultures as far afield as South East Asia where he spends one year; exotic islands of Thailand, hitchhiking through Malaysia, charming beauty of Sri Lanka, overland through India into Nepal and finally back to Thailand. He also buses through Morocco and into the Sahara Desert. In Turkey he joins a group of 11 fellow backpackers and travels across the country. Behind the Iron Curtain he visits East Germany and the Berlin Wall, Czechoslovakia, Poland and Hungary seeing communism at work. In 1996 he returns to a free South Africa, one now with equal rights and called the Rainbow Nation, before choosing a new life in Canada. In 2003 he travels to Namibia and reconnects with his army past. And in 2005 he makes a special journey to Mozambique with two army friends to see the prison where one of them was held captive.

Troy Tanner walks out on his boy band's world tour rather than watching his little brother snort his life away. Screw it. He'll take a private jet home and figure out his life away from the spotlight. But Troy doesn't make it home. The plane crashes on a jungle island in the South Pacific. Forget dodging the paparazzi—now Troy's desperate for food and water. The turquoise ocean and white sand beach looks like paradise, but danger lurks everywhere. Thank God the pilot survived too. At least Troy's not alone. He has Brian. Brian's smart and brave and strong. He doesn't care that Troy's famous. Brian's real. As days turn into weeks with no sign of rescue, Troy and Brian rely on each other. They make each other laugh despite being stranded. They go from strangers to friends. What happens when they want more? Although he and Brian both identify as straight, their growing desire burns hotter than the tropical sun. If they explore their sexuality a thousand miles from anything or anyone, can their newfound love survive in the real world if they're finally rescued? This slow-burn LGBT romance from Keira Andrews features bisexual awakening, scorching m/m first times, an age gap, and of course a happy ending.

beyond yoga instructor discount: Blessed at the Broken Places J. Marshall Jenkins PhD, 2016-09-20 Discover how Jesus's blessings convert emotional suffering from a source of shame to a resource for faith. Long description: When you hurt, what does it mean for your faith? Too often church culture and religious individuals suggest that emotional pain shows lack of faith or sin against a punitive God. How ironic—Jesus suffered loneliness, misunderstanding, persecution and death to meet us at the lowest places and lift us to hope and life with his resurrection. Reframing apparent defeat as the first step in a life of purpose, this book shows how Jesus's blessings, the Beatitudes, address the paradox of living through suffering on the way to joy. When you feel depressed or anxious, unworthy or ashamed, this book helps you recognize Jesus as a fellow struggler who meets you in your suffering, offering and embodying life and hope. It will help you hear Jesus's blessing you when you feel least worthy of blessing. This vital resource features engaging spiritual practices and group discussion questions ideal for use by individuals on their own, in counseling or in groups. Christians and seekers in emotional pain as well as counselors, clergy, spiritual directors, Stephen ministers and family members will gain needed insight and guidance for the spiritual journey through suffering.

beyond yoga instructor discount: Academia and the World Beyond Christopher R. Madan, 2022-08-23 A common question posed to PhD students from friends and family is, "What will you do after?" But many students are too focused on the PhD itself and have not yet had a chance to sufficiently think about post-PhD life. This book is a collection of 22 interviews with those who have completed a PhD and then are now in an academic position or another career path. In either case, they have all been successful and have a multitude of insights to share with those who are interested

in considering a variety of careers. Academic careers share many commonalities with many non-academic careers, with skills learned within academia being valuable in other career paths as well. Nearly all the individuals interviewed here have been on the job market recently and understand today's job climate. No other book on the market includes the diversity of perspectives presented here. In particular, the focus on psychology and neuroscience draws from a variety of individuals that have similar training but have nonetheless taken divergent paths.

Through the lens of shared experience, Cabrera thoughtfully examines the challenges women face and presents a simple yet powerful model for enhancing well-being that can both improve and transform lives. Helpful self-assessments guide you toward feeling good and doing good, and each chapter delivers tried-and-true tactics that real women have used to manage the difficulties of fulfilling their multiple, often conflicting, roles. Discover pathways to reducing stress, experiencing greater joy, and finding more meaning in your life by employing Cabrera's solid strategies for thriving based on personal values, developed strengths, and what matters most—enduring family ties and relationships.

beyond yoga instructor discount: Beyond Semantics and Pragmatics Gerhard Preyer, 2018-08-16 The study of meaning in language embraces a diverse range of problems and methods. Philosophers think through the relationship between language and the world; linguists document speakers' knowledge of meaning; psychologists investigate the mechanisms of understanding and production. Up through the early 2000s, these investigations were generally compartmentalized: indeed, researchers often regarded both the subject-matter and the methods of other disciplines with skepticism. Since then, however, there has been a sea change in the field, enabling researchers increasingly to synthesize the perspectives of philosophy, linguistics and psychology and to energize all the fields with rich new intellectual perspectives that facilitate meaningful interchange. The time is right for a broader exploration and reflection on the status and problems of semantics as an interdisciplinary enterprise, in light of a decade of challenging and successful research in this area. Taking as its starting-point Lepore and Stone's 2014 book *Imagination and Convention*, this volume aims to reconcile different methodological perspectives while refocusing semanticists on new problems where integrative work will find the broadest and most receptive audience.
