beyonce impact on society: The Famous Feud Project Casian Anton, 2024-01-12 In the history of human nature there are conflicts with a happy ending, or with a tragic ending. The Famous Feud, in general, seems to have a happy ending with one winner: Taylor Swift. From my point of view, the Famous Feud ended in July 2016. In June 2017 I was convinced that Taylor Swift was the victim (for the second time) of Kanye West. In October 2023, after I have updated the entire research on the Famous Feud, the original conclusion did not change. I created this edition to include everything I wrote about the Famous Feud. It is an edition for people interested in reading the entire Famous Feud story from A to Z. The Famous Feud Project report has two parts: Part 1. Music in Black and White: A Journey Behind the Musical Notes; Part 2. On the Famous Feud. Enjoy your reading!
