beyonce interview with oprah: Beyoncé in the World Christina Baade, Kristin A. McGee, 2021-06-08 Honorable Mention for Outstanding Edited Collection of Essays in Ethnomusicology for the 2023 Ellen Koskoff Edited Volume Prize by the Society for Ethnomusicology, 2023 From

Destiny's Child to Lemonade, Homecoming, and The Gift, Beyoncé Knowles-Carter has redefined global stardom, feminism, Black representation, and celebrity activism. This book brings together new work from sixteen international scholars to explore Beyoncé's impact as an artist and public figure from the perspectives of critical race studies, gender and women's studies, queer and cultural studies, music, and fan studies. The authors explore Beyoncé's musical persona as one that builds upon the lineages of Black female cool, Black southern culture, and Black feminist cultural production. They explore Beyoncé's reception within and beyond North America, including how a range of performers—from YouTube gospel singers to Brazilian pop artists have drawn inspiration from her performances and image. The authors show how Beyoncé's music is a source of healing and kinship for many fans, particularly Black women and queer communities of color. Combining cutting edge research, vivid examples, and accessible writing, this collection provides multiple lenses onto the significance of Beyoncé in the United States and around the world.

beyonce interview with oprah: *Work It, Girl: Beyoncé Knowles* Caroline Moss, 2021-08-03
Discover how Beyoncé became a superstar singer and entrepreneur in this true story of her life. Then, learn 10 key lessons from her work. When Beyoncé was a little girl, she was shy. beyonce interview with oprah: *Beyoncé: Running the World* Anna Pointer, 2014-10-09
'Everything you ever wanted to know about the world's biggest singing star.' 5* - Best Beyoncé: *Running The World* is the full story of Houston born-and-bred Beyoncé's extraordinary life, which saw her join her first pop group at the age of nine before fronting the girl band Destiny's Child - the biggest-selling female group of all time. After embarking on a solo career in 2003, Beyoncé's status as a superstar was sealed and to date she has won more than 220 awards internationally and the hearts of millions of fans the world over. The most definitive and up-to-date telling of Beyoncé's story ever written, this book provides an intimate close-up on both her professional and personal life, with the inside story on how she and rapper husband Jay-Z became the biggest power couple on earth. With reports that their marriage was crumbling before the world's eyes on their 2014 joint tour, *On The Run*, it pieces together the split rumours that plagued them at every turn and documents exactly how they coped with such intense public scrutiny. The book also analyses Beyoncé's role as a mother to young daughter Blue Ivy and explores the hidden heartbreaks of her past, including a tragic miscarriage, a lengthy battle with depression and an agonising rift with her manager father Mathew. While celebrating Beyoncé's greatest triumphs *Beyoncé: Running The World* uncovers the truth behind the headlines, finding out exactly who 'Queen Bey' is and what really goes on behind the scenes... Contains an extra chapter with the most up-to-date information on the world's biggest star.

beyonce interview with oprah: *The Lemonade Reader* Kinitra D. Brooks, Kameelah L. Martin, 2019-05-24
The Lemonade Reader is an interdisciplinary collection that explores the nuances of Beyoncé's 2016 visual album, *Lemonade*. The essays and editorials present fresh, cutting-edge scholarship fueled by contemporary thoughts on film, material culture, religion, and black feminism. Envisioned as an educational tool to support and guide discussions of the visual album at postgraduate and undergraduate levels, *The Lemonade Reader* critiques *Lemonade*'s multiple Afrodiasporic influences, visual aesthetics, narrative arc of grief and healing, and

ethnomusicological reach. The essays, written by both scholars and popular bloggers, reflects a broad yet uniquely specific black feminist investigation into constructions of race, gender, spirituality, and southern identity. The Lemonade Reader gathers a newer generation of black feminist scholars to engage in intellectual discourse and confront the emotional labor around the Lemonade phenomena. It is the premiere source for examining Lemonade, a text that will continue to have a lasting impact on black women's studies and popular culture.

beyonce interview with oprah: Deception edward r. johnson, 2020-09-10 There is something beautiful in music, according to some scientists, listening to music has some amazing benefits regardless of your age, health, physical or emotional state. Satan understands the benefits and power of music also. I SOLD MY SOUL TO THE DEVIL, a phase expressed by various high-profile artist. DECEPTION investigates Satan's influence on the music and entertainment industry and some of the beliefs and practices used.

beyonce interview with oprah: Becoming Beyoncé J. Randy Taraborrelli, 2015-10-27 The first comprehensive biography ever published about America's favorite living pop icon, Beyonce, from New York Times bestselling biographer J. Randy Taraborrelli. Beyonce Knowles is a woman who began her career at the age of eight performing in pageant shows and talent contests, honing her craft through her teenage years until, at the age of 16, she had her first number one record with Destiny's Child. That hit-making trio launched Beyonce's successful solo career, catapulting her, as of 2014, to #1 on Forbes annual list of most wealthy celebrities--the same year she made the cover of Time. Becoming Beyonce is not only the story of struggle, sacrifice, and what it takes to make it in the cut-throat record industry, it's the story of the great rewards of such success and the devastating toll it often takes on the human spirit.

beyonce interview with oprah: O Say Can You Hear Mark Clague, 2022-06-14 A New York Times Editors' Choice The fascinating story of America's national anthem and an examination of its powerful meaning today. Most Americans learn the tale in elementary school: During the War of 1812, Francis Scott Key witnessed the daylong bombardment of Baltimore's Fort McHenry by British navy ships; seeing the Stars and Stripes still flying proudly at first light, he was inspired to pen his famous lyric. What Americans don't know is the story of how this everyday "broadside ballad," one of thousands of such topical songs that captured the events and emotions of early American life, rose to become the nation's one and only anthem and today's magnet for controversy. In O Say Can You Hear? Mark Clague brilliantly weaves together the stories of the song and the nation it represents. Examining the origins of both text and music, alternate lyrics and translations, and the song's use in sports, at times of war, and for political protest, he argues that the anthem's meaning reflects—and is reflected by—the nation's quest to become a more perfect union. From victory song to hymn of sacrifice and vehicle for protest, the story of Key's song is the story of America itself. Each chapter in the book explores a different facet of the anthem's story. In one, we learn the real history behind the singing of the anthem at sporting events; in another, Clague explores Key's complicated relationship with slavery and its repercussions today. An entire chapter is devoted to some of the most famous performances of the anthem, from Jimi Hendrix at Woodstock to Roseanne Barr at a baseball game to the iconic Whitney Houston version from the 1991 Super Bowl. At every turn, the book goes beyond the events to explore the song's resonance and meaning. From its first lines Key's lyric poses questions: "O say can you see?" "Does that banner yet wave?" Likewise, Clague's O Say Can You Hear? raises important questions about the banner; what it meant in 1814, what it means to us today, and why it matters.

beyonce interview with oprah: The Relationship Upgrade Aditi Jasra, 2023-10-03 Are you ready to upgrade the quality of your relationship? Whether you're single and ready to mingle, in a committed partnership, in a complicated relationship or navigating a challenging marriage, this book is designed to provide you with clear insights, simple yet useful tools, and practical strategies for building healthy, fulfilling connections with your significant other. beyonce interview with oprah: Butts Heather Radke, 2022-11-29 On a quest to explore the anatomical, emotional, and cultural ways that the butt has been understood throughout more than two hundred years of history, Radke takes us from the performance halls of nineteenth-century London and the aerobics studios of the 1980s to the music video set of Sir Mix-A-Lot's Baby Got Back and more

beyonce interview with oprah: Show Me Where it Hurts Kylie Maslen, 2020-09-01 Personal essay meets pop-culture critique in this unflinchingly honest collection about chronic illness and misogyny in medicine, by Adelaide writer Kylie Maslen

beyonce interview with oprah: Matriarch: Oprah's Book Club Tina Knowles, 2025-04-22 #1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • A revealing personal life story like no other—enlightening, entertaining, surprising, empowering—and a testament to the world-making power of Black motherhood “A fascinating memoir of Tina Knowles’s journey to become the global figure she is today.”—Oprah Winfrey “You are Celestine,” she said. She squatted to push the hair off my face and pull leaves off my pajama legs. “Like my sister and my grandmother.” And there, under the pecan tree, as she did countless times, that day my mother told me stories of the mothers and daughters that went before me. Tina Knowles, the mother of iconic singer-songwriters Beyoncé Knowles-Carter, Solange Knowles, and bonus daughter Kelly Rowland, is known the world over as a Matriarch with a capital M: a determined, self-possessed, self-aware, and wise woman who raised and inspired some of the great artists of our time. But this story is about so much more than that. Matriarch begins with a precocious, if unruly, little girl growing up in 1950s Galveston, the youngest of seven. She is in love with her world, with extended family on every other porch and the sounds of Motown and the lapping beach always within earshot. But as the realities of race and the limitations of girlhood set in, she begins to dream of a more grandiose world. Her instincts and impulsive nature drive her far beyond the shores of Texas to discover the life awaiting her on the other side of childhood. That life’s journey—through grief and tragedy, creative and romantic risks and turmoil, the nurturing of superstar offspring and of her own special gifts—is the remarkable story she shares with readers here. This is a page-turning chronicle of family love and heartbreak, of loss and perseverance, and of the kind of creativity, audacity, and will it takes for a girl from Galveston to change the world. It’s one brilliant woman’s intimate and revealing story, and a multigenerational family saga that carries within it the story of America—and the wisdom that women pass on to one another, mothers to daughters, across generations.

beyonce interview with oprah: Beyoncé Tshepo Mokoena, 2022-11-03 Beyoncé is not simply a pop sensation. She is a cultural phenomenon empowering the oppressed and dispossessed, challenging white privilege and misogyny and exploding gender politics. But who is Beyoncé Knowles-Carter? And how did a small girl from Houston become the strong confident woman whose albums sell in their millions and whose songs have become anthems against racial and sexual discrimination and oppression? This biography sets out to reveal exactly that.

beyonce interview with oprah: Beyoncé Martin Iddon, Melanie L. Marshall, 2020-11-17 A collection of writings examining the multitalented star’s significance to music, culture, and society. Who runs the world? The Beyhive knows. From the Destiny’s Child 2001 hit single “Survivor” to her 2019 jam “7/11,” Beyoncé Knowles-Carter has confronted dominant issues around the world. Because her image is linked with debates on race, sexuality, and female empowerment, she has

become a central figure in pop music and pop culture. *Beyoncé: At Work, On Screen, and Online* explores her work as a singer, activist, and artist by taking a deep dive into her songs, videos, and performances, as well as responses from her fans. Contributors look at Beyoncé's entire body of work to examine her status as a canonical figure in modern music and do not shy away from questioning scandals or weighing her social contributions against the evolution of feminism, critical race theory, authenticity, and more. Full of examples from throughout Beyoncé's career, this volume presents listening as a political undertaking that generates meaning and creates community. Beyoncé contends that because of her willingness to address societal issues within her career, Beyoncé has become an important touchstone for an entire generation?all in a day's work for Queen Bey. "Iddon and Marshall's Beyoncé is poised to expand critical conversations about the biggest and most influential pop star of the 21st century." —Daphne Brooks, author of *Bodies in Dissent: Spectacular Performances of Race and Freedom, 1850-1910*

beyonce interview with oprah: [Beyoncé Is Life](#) Kathleen Perricone, 2024-10-08 *Beyonce Is Life* is a beautifully illustrated guide that explores and celebrates the singer and her music--

beyonce interview with oprah: Benny to Beyonce Jerry Stitt, 2012-04 *Benny to Beyonce-Finding God's Perfect Pitch for Your Life - Is your life out of tune? Meet the Master Tuner - 396 pages of history, humor, and healing in troubled times I have thoroughly enjoyed reading Benny to Beyonce. Your insights take me to a new level of understanding His perfect plan...and a new feeling of comfort for being one of God's crazy musicians. Dr. Aubrey Tucker, Chairman Dept. of Fine Arts, and big band program, Houston Community College, N.W. One cannot fail to be inspired by the potential of a changed life after finding God's perfect pitch for your life. Douglas Yeo, bass trombonist, Boston Symphony Orchestra, Faculty New England Conservatory of Music ...to introduce us to the One and only Maestro. I trust you will enjoy this unique and creative devotional book, and in so doing, find God's Perfect Pitch for Your Life. Dr. Ed Young, Pastor 2nd Baptist Church, Houston; World TV Broadcast The Winning Way Author Profile Jerry Stitt, an accomplished musician and public speaker, is well established in the Houston music scene. He was guest columnist for The Houston Musician, local 65-699, selflessly worked with youth and adult musicians/singers for more than fifty years. Stitt is a recent inductee into Houston's Gospel Music Legends, on the 42nd anniversary of the Gospel Music Workshops of America. You will enjoy reading Benny to Beyonce - Finding God's Perfect Pitch for your Life, a collection of 53 popular song titles and biographies from the Benny Goodman big band era to the contemporary.*

beyonce interview with oprah: Distancing L. David Marquet, Michael A. Gillespie, 2025-08-12 *Distance* gives you perspective. Bestselling author of *Turn the Ship Around!* former US Navy Captain David Marquet and professor of psychology Michael Gillespie show you how to make better decisions by becoming your own coach. Be yourself. Be fully present. Be in the moment. This is a message we hear constantly. While this may be beneficial some of the time, the biggest obstacle to making wiser decisions that actually drive lasting success is ourselves. Being fully immersed in our own limited point of view biases our decisions toward defending our previous actions and maintaining our self-image. We need to exit our me-here-and-now self and get an outside perspective that sees us and the situation we are in objectively. We need a coach. This book shows us how to become our own coach by using a mental technique called psychological distancing. We do this in three ways: self-distancing, spatial distancing, and temporal distancing. First, we can be someone else, inhabiting another's perspective. This activates the neutral observer's outside point of view. Second, we can be somewhere else. We zoom out and see ourselves from afar, as just another person who is part of a larger context. Third, we can be sometime else, imagining that we are our future selves who are thinking back to what we wish we had done today. In each case, we can coach ourselves from this distanced perspective. The result is a powerful and immediate reframe of how we see ourselves, our situation, and what we should do. Featuring compelling scientific research,

business cases, and exercises, Distancing equips us with effective practical tools to reduce anxiety, see more clearly, and make better decisions for ourselves and for our organizations.

beyonce interview with oprah: Strong Female Character Hanna Flint, 2022-09-29 'At a time when fluff and gossip reign supreme, Hanna Flint's work is consistently insightful, informative and engaging all at once. I always finish reading it feeling just a tad bit smarter.' Candice Frederick, Huffington Post 'One of the smartest pop culture commentators out there.' Toby Moses, Guardian The leading film critic of her generation offers an eloquent, insightful and humorous reflection on the screen's representation of women and ethnic minorities, revealing how cinema has been the key to understanding herself, her body image and her ambitions as well as the world we live in. A staunch feminist of mixed-race heritage, Hanna has succeeded in an industry not designed for people like her. She interweaves anecdotes from familial and personal experiences - from episodes of messy sex and introspection to the time when actor Vincent D'Onofrio tweeted that Hanna Flint sounded 'like a secret agent' - to offer a critical eye on the screen's representation of women and ethnic minorities. Divided into sections 'Origin Story', 'Coming of Age', 'Adult Material', 'Workplace Drama' and 'Strong Female Character', the book ponders how the creative industries could better reflect our multicultural society. Warm, funny and engaging and full of film-infused lessons, *Strong Female Character* will appeal to readers of all backgrounds and seeks to help us better see ourselves in our own eyes rather than letting others decide who and what we can be.

beyonce interview with oprah: Oshun, Lemonade, and Intertextuality Sheneese Thompson, 2025-07-15 Analyzing works of film and literature by writers and artists from Beyoncé to Ntozake Shange, this book explores how Afro-Atlantic religion intersects with themes of resilience in Black femininity and womanhood.

beyonce interview with oprah: *We Are the Culture* Arionne Nettles, 2024-04-16 Black Chicago culture is American culture. During the Great Migration, more than a half million Black Americans moved from the South to Chicago, and with them, they brought the blues, amplifying what would be one of the city's greatest musical art forms. In 1958, the iconic Johnson Publishing Company, the voice of Black America, launched the Ebony Fashion Fair show, leading to the creation of the first makeup brand for Black skin. For three decades starting in the 1970s, households across the country were transported to a stage birthed in Chicago as they moved their hips in front of TV screens airing Soul Train. Chicago is where Oprah Winfrey, a Black woman who did not have the traditional look TV managers pushed on talent, premiered her talk show, which went on to break every record possible and solidify her position as the Queen of Daytime TV. It's where Hall of Famer Michael Jordan led the Bulls to six championships, including two three-peats, making the NBA a must-see attraction worldwide and wearing Jordans a style symbol to this day. And it's home to Grammy winner Chance the Rapper, whose work honors the city's cultural institutions, from the White Sox to modern art superstar Hebru Brantley. Pop culture expert Arionne Nettles takes us through the history of how Black Chicagoans have led pop culture in America for decades, and gives insight into the ways culture spreads and influences our lives.

beyonce interview with oprah: *Black Hollywood* Kimberly Fain, 2015-06-30 This thought-provoking work examines the dehumanizing depictions of black males in the movies since 1910, analyzing images that were once imposed on black men and are now appropriated and manipulated by them. Moving through cinematic history decade by decade since 1910, this important volume explores the appropriation, exploitation, and agency of black performers in Hollywood by looking at the black actors, directors, and producers who have shaped the image of African American males in film. To determine how these archetypes differentiate African American males in the public's subconscious, the book asks probing questions—for example, whether these images are a reflection of society's fears or realistic depictions of a pluralistic America. Even as the work acknowledges the controversial history of black representation in film, it also celebrates the success stories of blacks in the industry. It shows how blacks in Hollywood manipulate degrading stereotypes, gain control, advance their careers, and earn money while making social statements or bringing about changes in culture. It discusses how social activist performers—such as Paul

Robeson, Sidney Poitier, Harry Belafonte, and Spike Lee—reflect political and social movements in their movies, and it reviews the interactions between black actors and their white counterparts to analyze how black males express their heritage, individual identity, and social issues through film.
