bible answer man podcast: Saving Truth Abdu Murray, 2018-05-08 How can Christians defend truth and clarity to a world that rejects both? Increasingly, Western culture embraces confusion as a virtue and decries certainty as a sin. Those who are confused about sexuality and identity are viewed as heroes. Those who are confused about morality are progressive pioneers. Those who are confused about spirituality are praised as tolerant. Conversely, those who express certainty about any of these issues are seen as bigoted, oppressive, arrogant, or intolerant. This cultural phenomenon led the compilers of the Oxford English Dictionary to name post-truth their word of the year in 2016. Its popularity and relevance has only increased since then. By accurately describing the Culture of Confusion and how it has affected our society, author Abdu Murray seeks to awaken Westerners to the plight we find ourselves in. He also challenges Christians to consider how they have played a part in fostering the Culture of Confusion through bad arguments, unwise labeling, and emotional attacks. Ultimately, *Saving Truth* provides arguments from a Christian perspective for the foundations of truth and how those foundations impart clarity to the biggest topics of human existence: Freedom. Human dignity. Sexuality, Gender, and Identity. Science and Faith. Religious pluralism and Morality. For those enmeshed in the culture of confusion, *Saving Truth* offers a way to untangle oneself and find hope in the clarity that Christ offers.

bible answer man podcast: Muslim: What You Need to Know About the World's Fastest Growing Religion Hank Hanegraaff, 2017-10-10 Is Islam a peaceful and tolerant religion? How did it get started? World events are making it more timely, important, and necessary for every Christian to understand how the world's fastest-growing religion will affect them and how to stand firm in the truth of Christ. Renowned "Bible Answer Man" Hank Hanegraaff provides an in-depth look at Islam. For all the debate over Islam and its growing presence in the world, one thing is often overlooked: Islam is not a religion in the Western sense. It's an all-encompassing worldview opposed to anything but itself. While there may be millions of peaceful and tolerant Muslims, many of them our neighbors, Islam itself is not peaceful and tolerant. Islam is the only significant religious system in the history of the human race with a structure of laws that mandate violence against the infidel. The current narrative is that to tell the truth in this regard will radicalize Muslims and worsen hostilities.

A common phrase you've probably heard is that: "Islam is not our enemy." As well-intentioned as this mantra may be, it is a dangerous stance once someone understands Islam in full. Global Islamic jihadism is exacting mass genocide on Christians in the East and multiplying terrorist attacks throughout the West. Worse still, Western governments, academic institutions, and media outlets seem bent on peddling a false narrative about what Islam truly is. In Muslim, you will: Learn the history of Islam, from the bloody career of the prophet Mohammed to the authoritarian Islamic law Examine how Islamic theology refutes the core Christian beliefs of original sin, Jesus' resurrection, and more Discover specific Islamic teaching inciting violence to non-Muslims and even governments opposing Islamic law Find solutions and encouragement for Christians to withstand this growing global threat The conflict between Islam and the West is not going to die down or fade away. The Islamic doctrines upon which it is based will continue to cause conflict on an ever-increasing scale. With Muslim, Christians can equip themselves and others to stand unwavering in the truth of Christ.

bible answer man podcast: *Truth Matters, Life Matters More* Hank Hanegraaff, 2019-11-12 America's Bible Answer Man contributes a treatise on the importance of absolute truth in a time of turmoil, doubt, and ambiguity. But after his own life-altering bout with cancer, longtime popular theologian and radio personality Hank Hanegraaff also affirms that theological truth is not the goal but rather a roadmap on the path to the ultimate truth of union with God. Is there more to the Christian life than what you're currently experiencing? Leading Christian apologist Hank Hanegraaff has dedicated his life to defending truth, because truth matters. However, his life and ministry were radically transformed by this three-word phrase: life matters more. In essence, *Truth Matters, Life Matters More* is two books in one. Because truth matters, part 1 explicates the essentials of the Christian faith in a memorable way to equip readers to communicate Christian truth. In part 2, Hank explains why life matters more and how we can experience the height of human existence—union with God. Simply put, the map is not the territory. The menu is not the meal. We cheat ourselves of unadulterated union with Christ when we elevate the message above the Messenger. *Truth Matters, Life Matters More* is a modern classic and the magnum opus of one of the great theological minds of our time. Prepare to discover the unexpected beauty of an authentic Christian life.

bible answer man podcast: *Christians in a Cancel Culture* Joe Dallas, 2021-08-03 The WHO, WHAT, and HOW of Responding to Those Who Want to Silence You You've based your understanding of today's sensitive social issues on the Bible's truth. Mainstream culture not only sees these issues differently but calls you bigoted for rejecting views they've deemed self-evident. So how do you witness Christ's love to those ready to write you off as hateful? *Christians in a Cancel Culture* breaks down how you can speak wisdom about politically charged and personal subjects with equal parts compassion and conviction. This book will affirm your understanding of the Bible's views on sin, salvation, racism, gender identity, homosexuality, and abortion while teaching you... why today's world has grown so hostile to Christians and biblical values where you can find room to minister within challenging conversations how you can sustain relationships with those who feel threatened by God's truth Walking in faith isn't about fighting culture wars but witnessing Jesus's restorative grace to those who haven't yet found it. *Christians in a Cancel Culture* will prepare you to stay true to your beliefs as you address today's controversies while opening doors to deeper discussions about Christ's redeeming love.

bible answer man podcast: *God among Sages* Kenneth Richard Samples, 2017-01-31 Was Jesus just a spiritual leader, like Buddha, Krishna, Confucius, and Muhammad? Or is he something more--something else entirely? In *God among Sages*, apologist Ken Samples offers readers a biblical and historical portrait of Jesus, grounded in the claims Jesus makes about himself. Then Samples compares and contrasts Jesus with Buddha, Krishna, Confucius, and Muhammad using eight relevant categories of evaluation. He also helps readers understand the competing philosophies of religious pluralism, inclusivism, and exclusivism. The result is a clearer understanding of what sets Jesus apart as not simply a teacher to follow but God himself, worthy of our full allegiance and worship. Christians who struggle to answer claims that Jesus was just a good teacher, as well as those haven't quite made up their minds about Jesus's claims to divinity, will value this accessible introduction to

comparative religions.

bible answer man podcast: Musulmán Hank Hanegraaff, 2018-09-25 ¿Es el islam una religión pacífica y tolerante? Hanegraaff presenta el Islam dentro de su contexto histórico actual, y enseña sobre los importantes aspectos de la fe y la forma en que esta afecta al mundo. En medio de todos los debates acerca del islam y su creciente presencia en el mundo, hay algo que con frecuencia se pasa por alto: el islam no es una religión en el sentido suavizado en el que la entiende el Occidente. Al contrario, es una matriz sociopolítica y legal que ha dado lugar a una cosmovisión que es antagónica hacia todo lo que no sea ella misma. El islam es el único sistema religioso significativo en la historia de la raza humana que tiene una estructura legal sociopolítica que exige la violencia contra los infieles. Las evidencias actuales señalan que decir la verdad en cuanto a esto equivale a radicalizar a los musulmanes y exacerbar hostilidades que de lo contrario permanecerían latentes. A pesar de su incoherencia, el islam —con la fuerza de mil seiscientos millones y en crecimiento— está listo para llenar el vacío dejado por una cultura occidental que se va arrastrando inexorablemente hacia Gomorra. Los datos demográficos solamente son alarmantes. Aunque los musulmanes polígamos alardean de un robusto porcentaje de nacimientos, los occidentales nativos se van moviendo con rapidez hacia su autoextinción. Numerosos millones de musulmanes están llenando ese vacío y no tienen intención alguna de asimilar la cultura occidental. Hank Hanegraaff no solo bosqueja el problema de una manera accesible y sobresaliente, sino que pasa a presentar posibles soluciones a este choque de civilizaciones.

bible answer man podcast: *Read the Bible like a Mystic* Carl McColman, 2025-06-10 There is a better way to read the Bible: with the eyes of a mystic and the heart of contemplation. Can the Bible be saved? More and more Christians are troubled by how difficult passages in the Bible can be used to promote sexism, homophobia, hostility to other faiths, and other problems--but a sterile, academic reading of the sacred text seems spiritually unfulfilling. Carl McColman, author of *The New Big Book of Christian Mysticism*, reminds us that there is an ancient third way of approaching the Bible: reading scripture like a mystic. This contemplative approach to the Bible understands that much of the sacred text was never meant to be taken literally, yet this approach maintains that spiritual wisdom, guidance in prayer, and encouragement for meditation are encoded throughout the sacred text. *Read the Bible like a Mystic* will help Christians find an expanded relationship with their sacred textbook, and it will also invite all people--Christian and non-Christian alike--to bring together the wisdom of the written word with the wisdom of the contemplative life and the call to foster peace, justice, and equality in our world. Whether you come to the Bible from a preexisting interest in Christianity or mysticism, this book shows how contemplative wisdom unlocks the liberating power of the Word for our time.

bible answer man podcast: Words and Witnesses Naaman K. Wood, 2022-05-03 How should Christians address specific problems, controversies, and crises in communication today? By looking at influential Christian thinkers throughout history, we can identify wisdom that enriches us today in practical ways. Words and Witnesses explores various influential Christian thinkers and theologians from across church history in order to expand our contemporary conversations in communication studies and media theory. Individual chapters written by contributing scholars focus on major Christian thinkers, starting with Athanasius, St. Augustine, and John Chrysostom, moving through the Middle Ages to address figures such as Anselm, Nicholas of Cusa, Teresa of Lisieux, and arriving in the present with reflections on the work of John Howard Yoder, C. S. Lewis, Martin Luther King Jr., Abraham Kuyper, and Desmond Tutu, among others. Each chapter delves into how the contemporary church, and scholars of media, can turn to these influential Christian thinkers as resources for addressing specific problems in communication today. By analyzing church practices, doctrine, and biblical texts this book provides the church with resources and inspiration to communicate in distinctly Christian ways.

bible answer man podcast: How (Not) to Read the Bible Dan Kimball, 2020-12-01 Is Reading the Bible the Fastest Way to Lose Your Faith? For centuries, the Bible was called the Good Book, a moral and religious text that guides us into a relationship with God and shows us the right way to live. Today, however, some people argue the Bible is outdated and harmful, with many Christians unaware of some of the odd and disturbing things the Bible says. bible answer man podcast: Embracing Complementarianism Jane Tooher, Graham Beynon, 2022-10-01 A biblical vision for the roles of men and women in the church—and how to put them into practice. It can be tempting to shy away from addressing the issue of gender roles in church because it's often controversial. But this can result in churches either being increasingly influenced by secular culture or simply sticking with the status quo when it comes to what men and women do in church. Building on the belief that complementarianism is both biblical and positive, this book focuses on what these convictions look like in practice. Moving beyond the familiar discussions around gender roles, and leaving room for variety in how readers implement these ideas, it will encourage a church culture where men and women truly partner together—embracing their privileges and responsibilities, and maximizing their gifts, in joyful service of God's kingdom.

bible answer man podcast: Regenerate Tony Scarcello, 2020-09-24 Loss. Fear. Doubt. What does anything mean when your ground of being is stripped away? Tony met God when he was four years old through the love of his mother. When he was twelve, he realized he had a crush on one of his male friends and grew convinced God would have nothing to do with him. At sixteen, Tony reencountered God who affirmed that nothing stood between them but love. When he was twenty-three, married to the girl of his dreams, and on staff at a church, Tony's secret came out, and he came close to losing it all. What followed was arduous years of deconstruction, losing everything he thought he knew about God, only to rediscover God in the mystery. This God was not a new God—it was the same one as before, just seen with regenerated faith. This God was more beautiful and restorative than Tony could have ever imagined. Tony's story is not uncommon in the modern evangelical landscape. Thousands of people throughout the West are experiencing a crisis of faith that is commonly referred to as deconstruction. With raw honesty, Tony uses his own story as a starting point for a dialogue on the deconstruction process. Tony unpacks what the deconstruction process is, why it happens, and how the church can help people experiencing a crisis of faith without worsening it along the way. In this memoir, Tony candidly pleads for the church to make a turn: not to a trendier, progressive version of Christianity, nor to a stricter form of fundamentalism, but to the revolutionary, Jesus-centered movement that changed the face of the earth. A movement once better known for its society of healing love than its dogma.
