beyonce and nicki minaj interview: *Beyoncé and Beyond* Naila Keleta-Mae, 2023-02-22 This book examines three years of Beyoncé's career as a pop mega star using critical race, feminist and performance studies methodologies. The book explores how the careful choreography of Beyoncé's image, voice and public persona, coupled with her intelligent use of audio and visual mediums, makes her one of the most influential entertainers of the 21st century. Keleta-Mae proposes that 2013 to 2016 was a pivotal period in Beyoncé's career and looks at three artistic projects that she created during that time: her self-titled debut visual album *Beyoncé*, her video and live performance of *Formation*, and her second visual album *Lemonade*. By examining the progression of Beyoncé's career during this period, and the impact it had culturally and socially, the author demonstrates how Beyoncé brought 21st century feminism into the mainstream through layered explorations of female blackness. Ideal for scholars and students of performance in the social and political spheres, and of course fans of Beyoncé herself, this book examines the mega superstar's transition into a creator of art that engages with Black culture and Black life with increased thoughtfulness.

beyonce and nicki minaj interview: *The Beyonce Effect* Adrienne Trier-Bieniek, 2016-07-19 Since her late-1990s debut as a member of the R&B trio Destiny's Child, Beyonce Knowles has garnered both praise and criticism. While some consider her an icon of female empowerment, others see her as detrimental to feminism and representing a negative image of women of color. Her music has a decidedly pop aesthetic, yet her power-house vocals and lyrics focused on issues like feminine independence, healthy sexuality and post-partum depression give her songs dimension and substance beyond typical pop fare. This collection of new essays presents a detailed study of the music and persona of Beyonce--arguably the world's biggest pop star. Topics include the body politics of respectability; feminism, empowerment and gender in Beyonce's lyrics; black female pleasure; and the changing face of celebrity motherhood. Instructors considering this book for use in a course may request an examination copy here.

beyonce and nicki minaj interview: Focus On: 100 Most Popular Actresses from New York City Wikipedia contributors,

beyonce and nicki minaj interview: *The Sisters Are Alright* Tamara Winfrey Harris, 2021-10-12 A slew of harmful stereotypes continues to follow Black women. The second edition of this bestseller debunks vicious misconceptions rooted in long-standing racism and shows that Black women are still alright. When African women arrived on American shores, the three-headed hydra, "servile Mammy, angry Sapphire, and lascivious Jezebel," followed close behind. These stereotypes persist to this day through newspaper headlines, Sunday sermons, social media memes, cable punditry, government policies, big screen portrayals, and hit song lyrics. Author Tamara Winfrey Harris reveals that while emancipation may have happened more than 150 years ago, America still won't let a sister be free from this coven of caricatures. The latest edition of this bestseller features new interviews with diverse Black women about marriage, motherhood, health, sexuality, beauty, and more. Alongside these authentic experiences and fresh voices, Winfrey Harris explores the evolution of stereotypes of Black women, with new real-life examples, such as the rise of blackfishing and digital blackface (which help white women rise to fame) and the media's continued fascination with Black women's sexuality (as with Cardi B or Megan Thee Stallion). The second edition also includes a new chapter on Black women and power that explores how persistent stereotypes challenge Black women's recent leadership and achievements in activism, community organizing, and politics. The chapter includes interviews with activists and civic leaders and interrogates media coverage and perceptions of Stacey Abrams, Vice President Kamala Harris, and others. Winfrey Harris exposes anti-Black woman propaganda and shows how real Black women are pushing back against racist, distorted cartoon versions of themselves. She counters warped

prejudices with the straight-up truth about being a Black woman in America.

beyonce and nicki minaj interview: Focus On: 100 Most Popular American Dance Musicians Wikipedia contributors,

beyonce and nicki minaj interview: Unscrewed Jaclyn Friedman, 2017-11-14 An urgent account of sexual politics, feminism, and the rules of power in America-and a potent vision for the way forward As a veteran feminist and agenda-setting sex educator, Jaclyn Friedman is on the frontlines of the war for equity between the sexes. In *Unscrewed*, Friedman brings her sharp expertise and incisive observations on the state of sexual politics to the fore, sparking a culture-wide rethink about sex, power and what we accept. With reportage and verve, *Unscrewed* builds a searing investigation into the state of sexual power in America, and outlines how to make real progress toward equality. Friedman reveals that the anxiety and fear women in our country feel around issues of their sexuality are not, in fact, their fault, but instead are side effects of what she calls our era of fauxpowerment, wherein women have the illusion of sexual power, with no actual power to support it. Exploring the fault lines where media, religion, politics, and education impinge on our intimate lives, *Unscrewed* breaks down the causes and signs of fauxpowerment, then gives readers tools to take it on themselves.

beyonce and nicki minaj interview: Deception edward r. johnson, 2020-09-10 There is something beautiful in music, according to some scientists, listening to music has some amazing benefits regardless of your age, health, physical or emotional state. Satan understands the benefits and power of music also. *I SOLD MY SOUL TO THE DEVIL*, a phase expressed by various high-profile artist. *DECEPTION* investigates Satan's influence on the music and entertainment industry and some of the beliefs and practices used.

beyonce and nicki minaj interview: Whiter Nikki Khanna, 2020-03-10 Heartfelt personal accounts from Asian American women on their experiences with skin color bias, from being labeled "too dark" to becoming empowered to challenge beauty standards "I have a vivid memory of standing in my grandmother's kitchen, where, by the table, she closely watched me as I played. When I finally looked up to ask why she was staring, her expression changed from that of intent observer to one of guilt and shame. . . . 'My anak (dear child),' she began, 'you are so beautiful. It is a shame that you are so dark. No Filipino man will ever want to marry you.'"—"Shade of Brown," Noelle Marie Falcis How does skin color impact the lives of Asian American women? In *Whiter*, thirty Asian American women provide first-hand accounts of their experiences with colorism in this collection of powerful, accessible, and brutally honest essays, edited by Nikki Khanna. Featuring contributors of many ages, nationalities, and professions, this compelling collection covers a wide range of topics, including light-skin privilege, aspirational whiteness, and anti-blackness. From skin-whitening creams to cosmetic surgery, *Whiter* amplifies the diverse voices of Asian American women who continue to bravely challenge the power of skin color in their own lives.

beyonce and nicki minaj interview: Buy Black Aria S. Halliday, 2022-04-26 *Buy Black* examines the role American Black women play in Black consumption in the US and worldwide, with a focus on their pivotal role in packaging Black feminine identity since the 1960s. Through an exploration of the dolls, princesses, and rags-to-riches stories that represent Black girlhood and womanhood in everything from haircare to Nicki Minaj's hip-hop, Aria S. Halliday spotlights how the products created by Black women have furthered Black women's position as the moral compass and arbiter of Black racial progress. Far-ranging and bold, *Buy Black* reveals what attitudes inform a contemporary Black sensibility based in representation and consumerism. It also traces the parameters of Black symbolic power, mapping the sites where intraracial ideals of blackness, womanhood, beauty, play, and sexuality meet and mix in consumer and popular culture.

beyonce and nicki minaj interview: Ode to Hip-Hop Kiana Fitzgerald, 2023-07-25 Celebrate the music that has shaped the culture and given us some of the greatest hits of all time with this vibrantly illustrated anthology, featuring 50 of the most lauded, controversial, and iconic hip-hop albums! From underground roots to mainstream popularity, hip-hop's influence on music and entertainment around the world has been nothing short of extraordinary. *Ode to Hip-Hop* chronicles

the journey with profiles of fifty albums that have defined, expanded, and ultimately transformed the genre into what it is today. From 2 Live Crew's groundbreaking *As Nasty As They Wanna Be* in 1989 to Cardi B's similarly provocative *Invasion of Privacy* almost thirty years later, and more, *Ode to Hip-Hop* covers hip-hop from coast to coast. Organized by decade and with sidebars on fashion, mixtapes, and key players throughout, the result is a comprehensive homage to hip-hop, published just in time for the fiftieth anniversary. Enjoyed in the club, at a party, through speakers or headphones--the albums in this book deserve to be listened to again and again, for the next fifty years and beyond. Albums featured: Kurtis Blow (self-titled, 1980); *The Message* (Grandmaster Flash and the Furious Five, 1982); Run-D.M.C (self-titled, 1984), *Hot, Cool & Vicious* (Salt-N-Pepa, 1986); *Paid in Full* (Eric B. & Rakim, 1987); *Straight Outta Compton* (N.W.A, 1988); *Lyte as a Rock* (MC Lyte, 1988); *As Nasty as They Wanna Be* (2 Live Crew, 1989); *Mama Said Knock You Out* (LL Cool J, 1990); *People's Instinctive Travels and the Paths of Rhythm* (A Tribe Called Quest, 1990); *The Chronic* (Dr. Dre, 1992); *Enter the Wu-Tang (36 Chambers)* (Wu-Tang Clan, 1993); *Black Reign* (Queen Latifah, 1993); *Doggystyle* (Snoop Dogg, 1993); *Illmatic* (Nas, 1994); *Ready to Die* (The Notorious B.I.G., 1994); *The Diary* (Scarface, 1994); *Funkdafied* (Da Brat, 1994); *Mystic Stylez* (Three 6 Mafia, 1995); *Hard Core* (Lil' Kim, 1996); *Ridin' Dirty* (UGK, 1996); *All Eyez On Me* (2Pac, 1996); *Supa Dupa Fly* (Missy Elliott, 1997); *Aquemini* (Outkast, 1998); *The Miseducation of Lauryn Hill* (Lauryn Hill, 1998); *It's Dark and Hell Is Hot* (DMX, 1998); *Things Fall Apart* (The Roots, 1999); *Da Baddest B***h* (Trina, 2000); *The Marshall Mathers LP* (Eminem, 2000); *The Blueprint* (JAY-Z, 2001); *Lord Willin'* (Clipse, 2002); *Get Rich or Die Tryin'* (50 Cent, 2003); *The College Dropout* (Kanye West, 2004); *Let's Get It: Thug Motivation 101* (Young Jeezy, 2005); *King* (T.I., 2006); *Lupe Fiasco's the Cool* (Lupe Fiasco, 2007); *The Carter III* (Lil Wayne, 2008); *The State vs. Radric Davis* (Gucci Mane, 2009); *Pink Friday* (Nicki Minaj, 2010); *Watch the Throne* (JAY-Z & Kanye West, 2011); *Nothing Was the Same* (Drake, 2013); *To Pimp a Butterfly* (Kendrick Lamar, 2015); *DS2* (Future, 2015); *Culture* (Migos, 2017); *Invasion of Privacy* (Cardi B., 2018); *Whack World* (Tierra Whack, 2018); *Eve* (Rapsody, 2019); *City on Lock* (City Girls, 2020); *Montero* (Lil Nas X, 2021); *Traumazine* (Megan Thee Stallion, 2022)

beyonce and nicki minaj interview: *Dress Your Best Life* Dawnn Karen, 2020-04-14 Harness the power of your wardrobe to achieve your dreams with this timely take on personal style from a world-renowned fashion psychologist. You may get dressed every day without really thinking about what you're putting on, but did you know that what you wear has a powerful effect on how you feel? Or that your clothes influence the way others perceive you? By making a few adjustments to your wardrobe, and learning to style from the inside out, you'll not only elevate your look, but level up your entire life. Dawnn Karen is a pioneer in the field of fashion psychology, and she has spent years studying the relationship between attire and attitude. In *Dress Your Best Life* she goes far beyond well-known makeover advice, pushing you to ask yourself: Are my clothing choices hurting me or helping me to achieve my life goals? Her book will help you discover your unique style story, become a smarter shopper, use color to your advantage, match moods to clothing choices, and embrace new or different standards of beauty. This knowledge is a power that you'll exercise every time you open your closet door or walk into an important meeting in just the right outfit. Packed with practical tips and cutting-edge advice, *Dress Your Best Life* will teach you to harness the power of fashion for the life you want to live.

beyonce and nicki minaj interview: *The Sisters Are Alright, Second Edition* Tamara Winfrey Harris, 2021-10-12 A slew of harmful stereotypes continues to follow Black women. The second edition of this bestseller debunks vicious misconceptions rooted in long-standing racism and shows that Black women are still alright. When African women arrived on American shores, the three-headed hydra—servile Mammy, angry Sapphire, and lascivious Jezebel—followed close behind. These stereotypes persist to this day through newspaper headlines, Sunday sermons, social media memes, cable punditry, government policies, big screen portrayals, and hit song lyrics. Winfrey Harris exposes anti-Black woman propaganda and shows how real Black women are pushing back against racist, distorted cartoon versions of themselves. She counters warped prejudices with the straight-up truth about being a Black woman in America.

beyonce and nicki minaj interview: Celebrity, Aspiration and Contemporary Youth Heather Mendick, Aisha Ahmad, Kim Allen, Laura Harvey, 2018-02-22 Celebrity, Aspiration and Contemporary Youth uses the lens of celebrity to explore how young people think about their futures under austerity. Based on an interdisciplinary study, the book offers fresh insights into contemporary youth aspirations and inequalities. It helps us to understand young people's transitions into adulthood at a time of socio-economic 'crisis'. Drawing on original data, the authors examine what it means for young people to be forming their aspirations within the context of 'austere meritocracy'. The book addresses three central questions: What kinds of futures do young people desire and imagine for themselves? What is required of young people in the process of achieving these futures? And how are inequalities embedded and reproduced within these? Using young people's 'celebrity talk' to explore their aspirations, the authors challenge stereotypes of young people as a fame-hungry, get-rich-quick generation. Instead, they show how young people engage critically with celebrity and its discourses. Key chapters focus on how young people talk about youth, work, authenticity, success, happiness, money and fame in relation to their own lives and those of celebrities. Each of these chapters contains a case study of an international celebrity, including, Beyoncé, Will Smith, Bill Gates, Prince Harry and Kim Kardashian. The authors conclude with possibilities for social change. They show that celebrity offers an important way of working with young people to critically explore what futures are possible and for whom.

beyonce and nicki minaj interview: Now You See Her Anne Crémieux, 2023-03-13 Over the past thirty years, queer women have been coming out of the media closet to enter the mainstream consciousness. This book explores the rise of lesbian visibility since the 1990s with in-depth historical analyses of representation in sports, music, photography, comics, television and cinema. Each chapter is complemented by an interview: soccer player and coach Saskia Webber, singer-songwriter Gretchen Phillips, photographer Lola Flash, cartoonist Alison Bechdel and filmmakers Jamie Babbit and Anna Margarita Albelo discuss the societal transformations that shaped their careers. From the riot grrrl movement of the early 1990s punk scene to screen representations of queer culture (*The L Word*, *Orange Is the New Black*), this book discusses how lesbian presence successfully infiltrated several patriarchal strongholds, and was transformed in return.

beyonce and nicki minaj interview: Violence in Popular Culture Laura L. Finley, 2018-11-09 A comprehensive resource, this book reviews current and historical examples of violence in film, television, radio, music, music videos, video games, and novels. Despite decades of attention and various attempts to enact legislation that limits violence in American popular culture, it remains ubiquitous across films, television, radio, music, music videos, video games, and popular fiction. Studies have shown that programs marketed to children are often remarkably violent and that viewing or otherwise consuming such violence has numerous negative effects on children's psychological health. This book sheds light on the scholarship related to violence in popular culture and compares historical and current examples, analyzing popular shows such as *Game of Thrones*, video games such as *Mortal Kombat*, young adult fiction including the trilogy *The Hunger Games*, and more. Not only does *Violence in American Popular Culture* provide a comprehensive review of

the research about the effects of violence in media, but it also offers detailed assessments of violent content in various expressions of popular culture. In addition, it invites readers to compare violence in American popular culture with that globally via entries on violence in popular culture outside the United States. An appendix of additional resources and primary sources gives readers further tools for deepening their understanding of this complex and controversial issue.

beyonce and nicki minaj interview: Billboard, 2011-10-01 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

beyonce and nicki minaj interview: Madonna Mary Gabriel, 2023-10-10 New York Times Editors' Choice, One of NPR's Best Books of the Year In this "infinitely readable" biography, award-winning author Mary Gabriel chronicles the meteoric rise and enduring influence of the greatest female pop icon of the modern era: Madonna (People Magazine) With her arrival on the music scene in the early 1980s, Madonna generated nothing short of an explosion—as great as that of Elvis or the Beatles—taking the nation by storm with her liberated politics and breathtaking talent. Within two years of her 1983 debut album, a flagship Macy's store in Manhattan held a Madonna lookalike contest featuring Andy Warhol as a judge, and opened a department called "Madonna-land." But Madonna was more than just a pop star. Everywhere, fans gravitated to her as an emblem of a new age, one in which feminism could shed the buttoned-down demeanor of the 1970s and feel relevant to a new generation. Amid the scourge of AIDS, she brought queer identities into the mainstream, fiercely defending a person's right to love whomever—and be whoever—they wanted. Despite fierce criticism, she never separated her music from her political activism. And, as an artist, she never stopped experimenting. Madonna existed to push past boundaries by creating provocative, visionary music, videos, films, and live performances that changed culture globally. Deftly tracing Madonna's story from her Michigan roots to her rise to super-stardom, master biographer Mary Gabriel captures the dramatic life and achievements of one of the greatest artists of our time.

beyonce and nicki minaj interview: Graphic Showbiz Nanabanyin Dadson, 2014-06-23

beyonce and nicki minaj interview: Jay-Z & All His Enemies: A detailed look at all of his beefs T.B. Capella, 2020-02-11 What's beef to Jay-Z? Well, it's all here in this book. We go in depth to every single beef Jay-Z has had in career. We cover Nas, Tupac, Mobb Deep, 50 Cent and people you probably didn't even know had beef with Jay-Z! Did you know the history behind the LL Cool J and Jay-Z beef? That's in here too. Do you remember Jay-Z dissing former NBA player Stephon Marbury? That's in here too and why that all happened. If Jay-Z was in some kind of a beef, even just a few short disses at someone, it's in this book. A book like no other out there, a detailed look at Jay-Z and all of his enemies!

beyonce and nicki minaj interview: Black Girls and How We Fail Them Aria S. Halliday, 2025-02-18 From hip-hop moguls and political candidates to talk radio and critically acclaimed films, society communicates that Black girls don't matter and their girlhood is not safe. Alarming statistics on physical and sexual abuse, for instance, reveal the harm Black girls face, yet Black girls' representation in media still heavily relies on our seeing their abuse as an important factor in others' development. In this provocative new book, Aria S. Halliday asserts that the growth of diverse representation in media since 2008 has coincided with an increase in the hatred of Black girls. Halliday uses her astute expertise as a scholar of popular culture, feminist theory, and Black girlhood to expose how we have been complicit in the depiction of Black girls as unwanted and disposable while letting Black girls fend for themselves. She indicts the way media mistreats celebrity Black girls like Malia and Sasha Obama as well as fictional Black girls in popular shows and films like *A Wrinkle in Time*. Our society's inability to see or understand Black girls as girls makes us culpable in their abuse. In *Black Girls and How We Fail Them*, a revelatory book for political analysts, hip-hop lovers, pop culture junkies, and parents, Halliday provides the critical

perspective we need to create a world that supports, affirms, and loves Black girls. Our future depends on it.
