Leadership, according to Scripture, is not merely about power but about serving the people with justice, humility, and accountability to God. The Bible portrays leadership as a sacred trust, where rulers are stewards of God's authority on earth.

Divine Authority and Accountability

The Bible emphasizes that all authority originates from God, and those in government positions are accountable to Him. Romans 13:1 states, "Let everyone be subject to the governing authorities, for there is no authority except that which God has established." This verse underscores that leaders

govern under God's sovereign rule and must exercise their power responsibly.

Servant Leadership Model

A recurring biblical theme is that leadership is service. Jesus Christ exemplified servant leadership, teaching that true leaders prioritize the welfare of others over personal gain. This book offers a new account of the origins of biblical studies, illuminating the relation of the Bible to churchly readers, theological interpreters, academic critics, and people in between.
