big time rush interview: All Time Low - Don't Panic. Let's Party: The Biography Joe Shooman, 2016-08-04 With punk tunes to die for, raucous gigs to get the world jumping and lyrics that resonate with a generation, All Time Low are putting the power back into power-pop and owning stages across the globe. In 2003, four best friends, Alex Gaskarth, Jack Barakat, Rian Dawson and Zack Merrick, got together in high school, bonding over their love of Blink-182 and soon set off on a path that would emulate their heroes. The group was signed before graduating and soon found they were breaking out as Vans Warped Tour favourites. Songs like 'Dear Maria, Count Me In' brought the band firmly onto the world stage as the group established itself as one of the most exciting on the circuit, touring as headliners in their own right as well as supporting seminal genre acts Green Day and Blink-182. The group's status as serious pop-punk heroes was further strengthened by the superbly-received 2012 album, Don't Panic, packed to the edges with blistering skate-punk riffs, infectious vocal harmonies and sparkling guitar play. With their 2015 album Future Hearts having debuted at No. 2 in the US Billboard 200 and topping the UK album charts, All Time Low have proved they're here to stay. Affectionate, in-depth and packed with more inside stories than you can shake a drumstick at, Don't Party, Let's Panic tells the unofficial story behind four boys who were destined to become the greatest thing to come out of Towson, Baltimore. The time for superstardom is nigh for a quartet whose party-loving ways and instant rapport with their fanbase are as strong as those irresistible riffs and melodies. The future is theirs.

big time rush interview: Good Time Girls of the Alaska-Yukon Gold Rush Lael Morgan, 1999 Morgan offers an authentic and deliciously humorous account of the prostitutes and other disreputable women who were the earliest female pioneers of the Far North. At the turn of the century, tens of thousands of Americans left their homes, escaping a worldwide depression & the restraints of the Victorian Era, to stampede to Alaska & the Yukon, where millions of dollars in gold was being discovered in remote, subarctic mining camps. Women accompanied the men on the long journey to the Far North--more often prostitutes, dance hall girls & entertainers than respectful wives & schoolteachers. These are the girls of the demimonde, that half world of disreputable women who lived on the outskirts of society. Meet Dutch Kate Wilson, who pioneered many areas long before the respectable women who received credit for getting there first; ruthless heartbreakers Cad Wilson & Rose Blumkin; French Marie Larose, who auctioned herself off as a wife to the highest bidder; & Edith Neile, called the Oregon Mare, famous for both her outlandish behavior & her soft-hearted generosity. These good time girls crossed geographic & social frontiers, finding freedom, independence, hardship, heartbreak & sometimes astonishing wealth. They were an important part of this key chapter in the history of the West, which holds a special place in the American imagination.

big time rush interview: Disney High Ashley Spencer, 2024-09-24 The first unauthorized look at the inner workings—and ultimate breakdown—of the Disney Channel machine For many kids growing up in the 2000s, there was no cultural touchstone more powerful than Disney Channel, the most-watched cable channel in primetime at its peak. Today, it might best be known for introducing the world to talents like Hilary Duff, Raven-Symoné, Zac Efron, Miley Cyrus, Selena Gomez, the Jonas Brothers, Demi Lovato, and Zendaya. It wasn't always destined for greatness: when The Disney Channel launched in 1983, it was a forgotten stepchild within the Walt Disney Company, forever in the shadow of Disney's more profitable movies and theme parks. But after letting the stars

of their Mickey Mouse Club revival—among them Britney Spears, Justin Timberlake, Christina Aguilera, and Ryan Gosling—slip through their fingers, Disney Channel reinvented itself as a powerhouse tween network. In the new millennium, it churned out billions of dollars in original content and triple-threat stars whose careers were almost entirely controlled by the corporation. Suddenly, everyone wanted a piece of the pie—and there were constant clashes between the studio, network, labels, and creatives as Disney Channel became a pressure cooker of perfection for its stars. From private feuds and on-set disasters, to fanfare that swept the nation and the realities of child stardom, culture journalist Ashley Spencer offers the inside story of the heyday of TV's House of Mouse, featuring hundreds of exclusive new interviews with former Disney executives, creatives, and celebrities to explore the highs, lows, and everything in between.

The Faces Behind the Chains: Thousands of Interviews, Memoirs & Life Stories of Former Slaves is an extraordinary anthology that traverses a multitude of narratives surrounding slavery, freedom, and identity in the English-speaking world. The collection spans a gamut of literary styles, from the gripping immediacy of firsthand accounts to reflective memoirs and socially driven treatises. Standout pieces include chilling recollections and enlightening narratives that offer both harrowing truths and moments of resilience and hope, providing an intimate tapestry of human experience against the backdrop of systemic oppression. This collection captures the emotional and historical spectrum of the slave experience, making it indispensable for understanding the complex legacies of slavery. The compendium brings together a diverse group of voices, including those of Aphra Behn, Frederick Douglass, Harriet Jacobs, and Booker T. Washington, whose contributions have significantly shaped discussions about slavery and its aftermath. These authors, hailing from various historical and cultural backgrounds, offer invaluable insights into the socio-political dynamics of their times. Many of them were pivotal figures in movements like abolitionism and civil rights, and their narratives collectively amplify the chorus of struggle and defiance against the forces of dehumanization, forging a crucial link to contemporary understandings of race and justice. Readers are provided with a unique scholarly opportunity to explore a rich amalgamation of perspectives that enlightens and educates. The anthology serves as a profound educational resource and a catalyst for discussion, navigating through the converging paths of personal stories and broader historical currents. It enriches the reader's comprehension of the multifaceted nature of slavery and freedom with its profound collection of voices, promising to inspire reflection and foster dialogue. This volume is an essential addition to any scholarly library, offering a compelling invitation to engage with some of the most significant narratives of human endurance and moral courage.

big time rush interview: *Almost Yankees* J. David Herman, 2019-04 *Almost Yankees* is a poignant and nostalgic narrative of the lives and travails of Minor League Baseball, focusing on the 1981 championship season of the New York Yankees' Triple-A farm club, the Columbus Clippers. That year was especially notable in the annals of baseball history as the year Major League Baseball went on strike in midseason. When that happened, the Clippers were suddenly the best team in baseball and found themselves the focus of national media attention. Many of these Minor Leaguers sensed this was their last, best chance to make an impression and fulfill their dreams to one day reach the majors. The Clippers' raw recruits, prospects, and Minor League veterans responded to this opportunity by playing the greatest baseball of their lives on the greatest team most of them would ever belong to. Then the strike ended, leaving them to return to their ordinary aspirational lives and to be just as quickly forgotten. *Almost Yankees* is the previously untold baseball story of a team and its players performing in the shadow of one of the sport's most famous teams and infamous owners. Featuring interviews with more than thirty former players (including Steve Balboni, Dave Righetti, Buck Showalter, and Pat Tabler) and dozens of other baseball and media figures, this season's narrative chronicles success, failure, resilience, and redemption as told by a special group of players with hopes and dreams of big-league glory. J. David Herman, who worshipped the team as an eleven-year-old, tracked down his old heroes to learn their stories--and to better understand his own. The season proved to be a launching pad for some, a final chance for others, and the end of the dream for many others.

big time rush interview: Women's American Football Russ Crawford, 2022-11 Tackle football has been primarily viewed as a male sport, but at a time when men's participation rates are decreasing, an increasing number of women are entering the gridiron--and they have a long history of doing so. *Women's American Football* is a narrative history of girls and women participating in American football in the United States since the 1920s, when a women's team played at halftime during an early NFL game. The women's game became more organized in 1974, when the National Women's Football League was established, with notable teams such as the Dallas Bluebonnets, Toledo Troopers, Oklahoma City Dolls, and Detroit Demons. Today there are two main professional leagues in the United States: the Women's Football Alliance, with nearly seventy teams, and the Women's National Football Conference, with eighteen, in addition to a number of smaller leagues. The National Association of Intercollegiate Athletics and the NFL have recently begun sponsoring flag football teams at the college level, and the game is growing for high school girls as well. In 2021 more than two thousand girls played on mostly boys' teams, and there are currently four all-girls leagues in the United States and Canada, in Manitoba, Utah, Indiana, and New Brunswick. In addition to the rapid growth of women playing football, there have been advancements in other areas of the game. Beginning with Jennifer Welter in 2015, several women have earned positions coaching the professional game. In 2020 ESPN aired *Born to Play*, a documentary on the Boston Renegades, the 2019 champion of the Women's Football Alliance. Based on extensive interviews with women players and focusing closely on leagues, teams, and athletes since the passage of Title IX in 1972, Russ Crawford illuminates the rich history of the women who have played football, breaking barriers on and off the field.
