

biggest busts in sports history

biggest busts in sports history have long captured the attention of fans, analysts, and historians alike. These players were often highly touted prospects or first-round draft picks who failed to meet expectations, sometimes dramatically so. From costly draft choices that shaped franchises to athletes whose careers never took off due to various factors, the stories behind these disappointments provide valuable lessons in sports management and scouting. This article explores some of the most infamous busts across major sports leagues, analyzing why they are considered failures and the impact they had on their teams. Understanding these cases sheds light on the unpredictability of athletic potential and the challenges of talent evaluation. The following sections will cover busts in the NFL, NBA, MLB, and NHL, along with a discussion of the common reasons behind these career downturns.

- Notable Busts in NFL History
- Biggest Busts in NBA Draft History
- Major Busts in MLB Drafts
- Famous Busts in NHL History
- Common Causes Behind Sports Busts

Notable Busts in NFL History

The National Football League (NFL) has seen its share of highly anticipated players who turned out to be major disappointments. Given the physical and mental demands of professional football, some athletes fail to transition successfully from college to the pros. The biggest busts in sports history often come from the NFL draft, where teams invest significant resources in early picks that do not pan out.

Ryan Leaf

Ryan Leaf is widely regarded as one of the most infamous NFL busts. Drafted second overall in the 1998 NFL Draft by the San Diego Chargers, Leaf was expected to be a franchise quarterback. However, his career was marred by poor performance, injuries, and off-field issues. Leaf's inability to handle the pressure and adapt to the NFL level led to a short, unproductive career.

JaMarcus Russell

Selected first overall in the 2007 NFL Draft by the Oakland Raiders, JaMarcus Russell was considered a generational talent. Unfortunately, his lack of work ethic and conditioning, combined with inconsistent play, resulted in a career that lasted just three seasons. Russell's failure to meet expectations solidified his place among the biggest busts in sports history.

Other Notable NFL Busts

- Jamarcus Russell – First overall pick, 2007
- Akili Smith – Third overall pick, 1999
- Charles Rogers – Second overall pick, 2003
- Tim Couch – First overall pick, 1999

Biggest Busts in NBA Draft History

The National Basketball Association (NBA) draft has also produced several high-profile busts. Players selected in the lottery are expected to become stars or at least solid contributors, but some have fallen far short of these expectations. Factors such as injuries, lack of development, or poor fit with teams contribute to disappointing careers.

Anthony Bennett

Anthony Bennett was the first overall pick in the 2013 NBA Draft by the Cleveland Cavaliers. Despite high expectations, Bennett struggled with weight issues, injuries, and inconsistent play. His NBA tenure was brief and underwhelming, making him one of the biggest busts in sports history in basketball.

Darko Miličić

Selected second overall in 2003, Darko Miličić was picked ahead of future Hall of Famers such as Carmelo Anthony, Chris Bosh, and Dwyane Wade. Despite his potential, Miličić never lived up to the hype and struggled to find a consistent role in the league. His career is often cited as a cautionary tale in the NBA draft.

Other Notable NBA Busts

- Anthony Bennett – First overall pick, 2013
- Darko Miličić – Second overall pick, 2003
- Greg Oden – First overall pick, 2007
- Michael Olowokandi – First overall pick, 1998

Major Busts in MLB Drafts

Major League Baseball (MLB) drafts have similarly produced prospects who failed to reach their projected potential. Unlike other sports, baseball players often spend years in the minor leagues, and injuries or skill plateaus can derail promising careers. Some of the biggest busts in sports history come from MLB first-round picks who never became productive major leaguers.

Brady Aiken

Brady Aiken was the first overall pick in the 2014 MLB Draft selected by the Houston Astros. However, his career was derailed by elbow injuries and failed physicals that led to a contract dispute. Aiken never pitched in Major League Baseball and is considered one of the most disappointing draft outcomes in recent history.

Mark Appel

Mark Appel, selected first overall in the 2013 MLB Draft by the Houston Astros, was once a highly touted pitching prospect. Despite years of development, Appel struggled with performance and injuries and ultimately retired from baseball without making a significant MLB impact.

Other Notable MLB Busts

- Brady Aiken – First overall pick, 2014
- Mark Appel – First overall pick, 2013
- Matt Bush – First overall pick, 2004
- Delmon Young – First overall pick, 2003

Famous Busts in NHL History

In the National Hockey League (NHL), draft busts are less common due to the extensive scouting and development systems. However, some high draft picks have failed to meet expectations, either due to injuries, skill deficiencies, or off-ice issues. These players are remembered as some of the biggest busts in sports history within hockey.

Alexandre Daigle

Alexandre Daigle was the first overall pick in the 1993 NHL Draft and was hailed as a future superstar. Unfortunately, Daigle never developed into the player expected of him and had a journeyman career. His failure to live up to his draft status makes him one of hockey's most notorious busts.

Patrik Stefan

Selected first overall in 1999, Patrik Stefan faced high expectations but struggled to produce consistently. Stefan's NHL career was marked by inconsistency and injuries, preventing him from becoming the franchise cornerstone many predicted.

Other Notable NHL Busts

- Alexandre Daigle – First overall pick, 1993
- Patrik Stefan – First overall pick, 1999
- Rasmus Dahlin – Although a recent pick, some critics debate his trajectory but he is not widely considered a bust yet
- Scott Scissons – First overall pick, 1991

Common Causes Behind Sports Busts

Understanding why some athletes become prominent busts involves analyzing several common factors. While every case is unique, patterns emerge that explain why highly touted prospects fail to succeed at the professional level.

Injuries

One of the most frequent causes of underachievement is injury. Career-altering or recurring injuries can limit playing time, hinder development, and reduce an athlete's effectiveness. Many top prospects have seen their potential curtailed by unfortunate health issues.

Lack of Work Ethic and Mental Preparedness

Success in professional sports demands more than physical talent. A strong work ethic, discipline, and mental toughness are crucial. Some of the biggest busts in sports history struggled with motivation, preparation, or handling pressure, resulting in poor performance and short careers.

Off-Field Issues

Legal troubles, substance abuse, and other off-field distractions can derail an athlete's career. Teams often gamble on players' character and maturity, and when these issues arise, they often contribute to a player's failure to meet expectations.

Overhyped Scouting and Poor Evaluation

Sometimes teams make poor evaluations based on incomplete or exaggerated information. Overhyped scouting reports and unrealistic expectations can lead to players being drafted too high, with the resulting pressure and scrutiny contributing to their bust status.

- Injuries limiting physical ability and development
- Insufficient work ethic or mental preparation
- Off-field problems impacting focus and availability
- Overestimation of talent during scouting and drafting

Frequently Asked Questions

What is considered the biggest bust in NBA draft history?

The biggest bust in NBA draft history is often considered to be Anthony Bennett, who was the first overall pick in the 2013 NBA Draft but failed to live up to expectations throughout his career.

Who is one of the most famous busts in NFL history?

JaMarcus Russell, the first overall pick in the 2007 NFL Draft, is widely regarded as one of the biggest busts due to his poor performance and lack of work ethic in the league.

Which MLB player is known as one of the biggest busts after being a top draft pick?

Matt Bush, once a top baseball prospect, struggled with injuries and off-field issues, ultimately failing to meet the high expectations placed on him.

What factors contribute to a player being labeled as a 'bust' in sports?

Players are labeled as busts due to a combination of high expectations based on draft position or signing bonuses, poor performance, injuries, lack of development, or off-field issues.

Has there been a significant bust in soccer (football) draft or transfers?

Freddy Adu is often cited as a major bust in soccer, as he was highly touted as a teenage prodigy but failed to make a significant impact at the professional level.

Which NHL player is considered a notable draft bust?

Alexandre Daigle, the first overall pick in the 1993 NHL Draft, is considered a major bust because he did not live up to the expectations set by his draft position.

Are there any famous busts in tennis history?

While tennis doesn't have drafts, players like Donald Young have been considered busts due to early hype and expectations that were never fully realized at the professional level.

What is an example of a big bust in Olympic sports?

Lance Armstrong was once a celebrated cyclist and Olympic hopeful, but his career became a major bust after doping scandals led to his titles being stripped and a fall from grace.

Can a 'bust' happen due to injuries alone?

Yes, injuries can cause highly talented athletes to become busts if they are unable to perform or develop as expected, despite their potential and initial promise.

Additional Resources

1. *Fallen Giants: The Biggest Busts in Sports History*

This book delves into the careers of athletes who were once hailed as future legends but failed to meet expectations. It explores the factors behind their declines, from injuries and personal struggles to management decisions and off-field controversies. Through detailed case studies, readers gain insight into the harsh realities of professional sports.

2. *From Promise to Disappointment: The Sports Draft Bust Phenomenon*

Focusing on the NFL, NBA, and MLB drafts, this book examines some of the most notorious draft busts in history. It analyzes how scouts and teams sometimes miss the mark despite exhaustive evaluation processes. The narrative also highlights the impact these busts have on teams' futures and fan bases.

3. *When Talent Fizzles: Stories of Sports Stars Who Never Made It*

This collection recounts the journeys of athletes who showed immense potential in their early careers but ultimately failed to deliver on the big stage. It discusses the pressures of professional sports and the mental and physical challenges that contribute to underperformance. The book provides a compassionate look at the human side of sporting failures.

4. *The Bust Report: Unmasking the Biggest Letdowns in Sports*

A comprehensive report featuring some of the most shocking busts across various sports, this book offers an investigative approach. It uncovers the behind-the-scenes stories and decisions that led to these athletes' downfall. Interviews with coaches, teammates, and analysts enrich the narrative.

5. *Cracked Helmets and Broken Promises: The Tragic Ends of Sports Careers*

Highlighting careers cut short by injury or controversy, this book tells the tales of athletes whose promising futures were derailed. It focuses on the physical and emotional toll of sports and how a single moment can change everything. The stories serve as cautionary tales for aspiring athletes.

6. *Draft Day Disasters: The Biggest Busts in Professional Sports History*

This book zeroes in on draft picks that failed spectacularly, analyzing what went wrong from talent evaluation to player development. It covers multiple leagues and provides statistical insights alongside personal stories. Readers learn about the high stakes and unpredictability of drafting young talent.

7. *The Great Expectations Trap: How Pressure Creates Sports Busts*

Exploring the psychological side of sports busts, this book examines how immense expectations can weigh heavily on athletes. It discusses cases where mental health struggles and performance anxiety led to disappointing careers. The author offers perspectives on how athletes and organizations can better manage pressure.

8. *Beyond the Hype: The Real Stories of Sports' Biggest Busts*

This narrative-driven book strips away media hype to reveal the true stories behind high-profile busts. It includes interviews with the athletes themselves, providing a first-person perspective on their challenges and regrets. The book encourages a more empathetic understanding of failure in sports.

9. *Lost Potential: The Untold Stories of Sports' Most Notorious Busts*

Focusing on lesser-known but equally impactful busts, this book sheds light on athletes whose stories have been overshadowed by bigger names. It explores systemic issues in scouting, training, and management that contribute to these failures. The book aims to provide a fuller picture of what it means to be a bust in professional sports.

biggest busts in sports history: *The 20 Greatest Moments in New York Sports History* Todd Ehrlich, Gary Myers, 2023-09-19 Can you guess the most memorable sports moments to happen in the Big Apple? Collected together for the first time, *The 20 Greatest Moments in New York Sports History* chronicles the most memorable sporting events to be held in New York, ranking them based on importance and effect on the sport (and city). Broken down into four parts, each event will include the storyline that led up to the moment, original materials from the media coverage of the event, a column from a local journalist to lend perspective, and finally first-person accounts from the men and women that made these moments happen. Veteran journalists Todd Ehrlich and Gary Myers dive deep into each of these moments, sharing why they are so special and the reason we still talk about them today. Including original interviews and information previously unreleased, *The 20 Greatest Moments in New York Sports History* is not only for the New York sports fan, but anyone who appreciates the amazing effect that baseball, basketball, football, hockey, tennis, golf, boxing, and numerous other sports can have on our cities and country as a whole. So...which event will be at the top? Roger Maris breaking The Babe's Home Run record? Willis Reed hobbling onto the count before game seven against the Lakers in the 1970 NBA Finals? David Tyree's Helmet Catch in Super Bowl XLII? Mark Messier's guarantee before the 1994 Stanley Cup? Tiger Woods dominating on Bethpage's Black Course to win the 2002 US Open? Or perhaps the bout at Madison Square Garden

between Muhammad Ali and Joe Frazier? There's only one way to find out!

biggest busts in sports history: The Great Book of Seattle Sports Lists Mike Gastineau, 2010-10 With loyal fans supporting their major sports teams in the Seahawks (NFL), Mariners (MLB) - plus a rabid fan base for University of Washington jocks - Seattle is a great place for a sports debate. Local sports-radio talker Mike Gastineau teams up with longtime sportswriters Steve Rudman and Art Thiel to bring Seattle sports history to life with this provocative and enjoyable - not to mention debatable - book of lists. They also enlist list contributions by famous players, coaches, and Seattle celebrities including Mike Holmgren, Matt Hasselbeck, Ichiro Suzuki, George Karl, Pearl Jam, Kevin Calabro, Sir Mix-a-Lot, and more.

biggest busts in sports history: The Great Book of Washington DC Sports Lists Len Shapiro, Andy Pollin, 2008-12-16 Sports talk in America has evolved from small-time barroom banter into a major media smorgasbord that runs 24/7 on TV and radio. With hundreds of billions of dollars generated annually by pro and college teams in major markets nationwide, sports fans across the country are more dedicated than ever to their teams. And when it comes to sports talk -- especially all-sports radio -- it's all about entertainment, information, prognostication, analysis, rankings, and endless discussion. Prominent sports-media figures in each of the three target cities -- Cleveland, Detroit, and Washington, D.C. -- engage in this phenomenon with a compilation of sports lists sure to delight as well as stir up debate within these already-buzzing sports communities. List topics include: What were the most lopsided trades in local sports history? Who were the most overrated athletes to play in our town? What local athlete had the best appearance in TV or film? What was the most heartbreaking loss in local sports history? What was the greatest single play in local sports history? Who are our team's most hated rivals? Plus dozens of guest lists contributed by famous local sports and entertainment celebrities. Following each of the four major pro sports teams -- the Redskins (NFL), the Capitals (NHL), the Nationals (MLB), and the Wizards (NBA) -- plus prominent college sports programs such as Georgetown and Maryland, D.C.'s fans have a vast array of choices, and Andy Pollin and Leonard Shapiro are the guys who help sort them out.

biggest busts in sports history: A Brief History of American Sports Elliott J. Gorn, Warren Goldstein, 2004 Elliott J. Gorn and Warren Goldstein show us where our games and pastimes came from, how they developed, and what they have meant to Americans. The great heroes of baseball and football are here, as well as the dramatic moments of boxing and basketball. Beyond this, the authors show us how sports fit into the larger contours of our past. A Brief History of American Sports reveals that from colonial times to the present, sports have been central to American culture, and a profound expression of who we are.

biggest busts in sports history: Montana and the NFL Brian D'Ambrosio, 2017-08-21 Montanans' football obsession goes far beyond storied college programs. From Baker to Zurich, even the tiniest towns in Montana have sent players to the NFL. One of the most dominant offensive linemen of the 1940s was Anaconda's own Francis Cope, who earned All-Decade honors as a New York Giant. Elected to the Pro Football Hall of Fame in 1991, MSU alum Jan Stenerud was the league's first soccer-style kicker. Pat Donovan, who earned a Super Bowl ring with the Dallas Cowboys in the 1970s, was named by Sports Illustrated as the fourth-greatest Montana athlete of the twentieth century. Griz Doug Betters was a member of the Miami Dolphins' famed Killer Bees and the 1983 NFL defensive player of the year. From the obscure to the prominent, author Brian D'Ambrosio celebrates Big Sky Country's rich connections with America's favorite professional sports league.

biggest busts in sports history: Communication and Sport Andrew C. Billings, Michael L. Butterworth, Nicky Lewis, 2025-07-15 Communication and Sport: Surveying the Field examines a wide array of topics necessary for students to understand sports media, rhetoric, culture, and organizations from micro to macro-level issues. Everything from youth to amateur to professional sports is addressed through varied useful lens such as mythology, community, and identity. Communication and Sport introduces readers to the traditions and vocabulary found in communication scholarship as it then explains what distinguishes communication from related

disciplinary approaches, such as sociology, anthropology, history, and cultural studies. Subsequent chapters explore such issues as: fan cultures; racial identity and gender in sports media; politics and nationality in sports; parent/child relationships and player/coach interactions in sports; sports and religion; and crisis communication in sports organization. In response to changes in the sporting landscape, the Fifth Edition features an extensive structural change and reorganization with newly designed units and chapters in addition to introducing a new coauthor Nicky Lewis.

biggest busts in sports history: *A History of Cuban Baseball, 1864–2006* Peter C. Bjarkman, 2014-06-17 When Cuba met Japan in the finals of Major League Baseball's 2006 World Baseball Classic (WBC), many among the international audience were shocked that a purported "amateur" team could challenge for the sport's first true world championship. But those who had paid attention to international tournaments were hardly surprised by Cuba's strong showing against all-star teams of Puerto Rican, Dominican, Venezuelan, and U.S. major leaguers. The undisputed champions of global baseball, Cuba had reigned supreme for better than a half-century at the avowed American national game. In this groundbreaking volume, Peter Bjarkman traces the full arc of island baseball history, from the pioneering era of integrated play in the winter leagues, across the many triumphs of the post-revolution decades, and up through Cuba's initial WBC triumphs.

biggest busts in sports history: *Sports Global Influence: A Survey of Society and Culture in the Context of Sport* Skye G. Arthur-Banning, Solomon Waliaula, 2020-06-15 This volume was first published by Inter-Disciplinary Press in 2015. Evolving sport cultures have had the dual capacity of both illuminating the inner human experience while also connecting this experience to outer socio-economic institutional practices. The unique chapters of this book capture the processes that define this simultaneous centripetal and centrifugal motion of sport such the opportunity sport can provide for social change in a community, out to the bigger debates of global marketing and state legitimacy that accrue from sport. Stock discourses on sport such as sport commodification, mediatization, instrumentalization; social and physical capital of sport; and the rope of sport in the contours of geo-politics and international diplomacy are explored both in their theoretical framing and also in specific scenarios and locations. The collection of works span from Qatar to South Africa, the United States to England and provides a modern look at sport's interdisciplinary shape in the global context of society and culture.

biggest busts in sports history: *Now You Know Big Book of Sports* Doug Lennox, 2009-09-07 Ever wonder where the figure skating terms axel, salchow, and lutz came from? Or why a curling tournament is called a brier? And how about a haymaker in boxing or a high five in any sport? Well, Doug Lennox, the world champion of trivia, is back to score touchdowns, hit homers, and knock in holes-in-one every time with a colossal compendium of Q&A athletics that has all anyone could possibly want to know from archery and cycling to skiing and wrestling and everything in between. What's more, Doug goes for gold with a wealth of Winter and Summer Olympics lore and legend that will amaze and captivate armchair fans and fervent competitors alike. What do the five Olympic rings and their colours represent? Why does the winner of the Indianapolis 500 drink milk in victory lane? Who was the first player ever to perform a slam dunk in a basketball game? Why are golfers' shortened pants called plus-fours? When was the Stanley Cup not awarded? Why does the letter k signify a strikeout on a baseball score sheet? Where is the world's oldest tennis court?

biggest busts in sports history: *501 Baseball Books Fans Must Read Before They Die* Ron Kaplan, 2013-04-01 Propounding his "small ball theory" of sports literature, George Plimpton proposed that "the smaller the ball, the more formidable the literature." Of course he had the relatively small baseball in mind, because its literature is formidable—vast and varied, instructive, often wildly entertaining, and occasionally brilliant. From this bewildering array of baseball books, Ron Kaplan has chosen 501 of the best, making it easier for fans to find just the books to suit them (or to know what they're missing). From biography, history, fiction, and instruction to books about ballparks, business, and rules, anyone who loves to read about baseball will find in this book a companionable guide, far more fun than a reference work has any right to be.

biggest busts in sports history: *The Great New York Sports Debate* Roger Rubin, David

Lennon, 2006-10-31 Two top authorities slug it out over the fifty hottest debates in New York sports. New Yorkers are notoriously opinionated, and nothing spurs their argumentative side quite like sports. David Lennon of Newsday and Roger Rubin of The New York Daily News—two New York sportswriters, add gasoline to the fire with *The Great New York Sports Debate*, a raucous and spirited examination of the fifty most contentious issues in New York athletics. Longtime friends and rivals, Lennon and Rubin engage in heated debate on a wide range of topics, including: • Is George Steinbrenner good or evil? • Which athlete is the biggest villain in New York? • New York's greatest quarterback: Namath or Simms? • Can a New Yorker like "both teams"? Touching on every aspect of New York sports—including baseball, basketball, boxing, and the New York Marathon—*The Great New York Sports Debate* is guaranteed to spark lively discussion among sports fans everywhere.

biggest busts in sports history: *Montana Baseball History* Skylar Browning, Jeremy Watterson, 2015-06-15 The Wild West had nothing on Montana's first baseball games. Fights, booze, cheating and gambling fueled the state's inaugural professional league in 1892. The turn of the century brought star-studded barnstorming tours and threats of bloodshed. Big Sky Country embraced a distinctly different version of the old ballgame, and Montana players who made their way to big league diamonds helped change the sport on and off the field. From the Lewis and Clark expedition to Dave McNally's historic career, award-winning journalist Skylar Browning and researcher Jeremy Watterson reveal Montana's relationship with America's pastime.

biggest busts in sports history: *The Hardball Times Baseball Annual 2008* Bryan Tsao, Carolina Bolado, Joe Distelheim, 2007-11 A comprehensive analysis of the entire 2007 baseball season from the first pitch to the last out, including a breakdown of the post season and the World Series. Key features include: ? Reviews of how 2005 played out in each of baseball's six divisions ? An in-depth look at the minor leagues ? Detailed team stats and graphs ? Team-by-team individual hitting and fielding numbers ? A postseason and World Series round up

biggest busts in sports history: *Teaching Sports Economics and Using Sports to Teach Economics* Matheson, Victor A., Fenn, Aju J., 2022-04-19 There is a dire need for a comprehensive pedagogical resource both on diverse approaches to teaching sports economics and the use of sports to teach broader principles of economic concepts. This book does exactly that. The contributions from leading scholars and teachers in both fields will help all instructors looking to raise their teaching game.

biggest busts in sports history: *The 1960s in Sports* , Miles Coverdale Jr., 2020-04-27 This book includes the most significant sporting events of the 1960s, covering all the moments that generated tremendous growth in professional and college sports in America during this decade. It features stories such as Roger Maris breaking Babe Ruth's home run record, Wilt Chamberlain scoring 100 points, and Muhammad Ali beating Sonny Liston. Sports became a national obsession in the 1960s as people tuned in on their new televisions to watch the exploits of some of the most legendary athletes and teams in history. It was the decade of Mickey Mantle, Jim Brown, Bill Russell, Bobby Hull, and Arnold Palmer, the decade when the Celtics dominated basketball, Joe Namath delivered on his Super Bowl guarantee, and the Miracle Mets won the World Series. In *The 1960s in Sports: A Decade of Change*, Miles Coverdale looks back at what was arguably the greatest decade in sports history, when the sports world of today began to take shape during a very tumultuous period of American history. At the start of the decade, thirteen years after Jackie Robinson broke the color barrier in baseball, major league rosters were still populated mostly by white Americans. The NFL and NBA were struggling financially and were much less popular than college football and basketball. The Olympics were still open only to amateur athletes. But the sports landscape changed dramatically in the 1960s. Coverdale traces this development by covering the significant events and iconic players of the decade, including stars such as Sandy Koufax, Johnny Unitas, Bobby Orr, and Jack Nicklaus. There were great teams and incredible rivalries, and professional and college sports alike expanded and thrived. Featuring over 70 photos of legendary athletes and memorable moments, *The 1960s in Sports* transports the reader back to a golden age in sports. With additional coverage of important historical events such as the Cold War, Vietnam, and the Civil Rights

Movement, this book also reveals how social and political events impacted the sports world, making it an invaluable resource for anyone interested in this significant decade.

biggest busts in sports history: *Bob Breitbard: San Diego's Sports Keeper* Dan Fulop, 2012-06-30 Bob Breitbard: San Diegos Sports Keeper, chronicles the life and accomplishments of a visionary sportsman and great San Diego icons. An all-star in San Diegos sports lineup for more than half a century, Breitbard was involved in the local sports scene as a player, coach, team owner, builder, booster and benefactor of institutions and organizations that helped make San Diego a major-league city. Breitbard followed his football playing and coaching days at Hoover High School and San Diego State College by becoming the guardian and promoter of the city's sports scene. In 1946, he founded the Breitbard Athletic Association to honor local high school, amateur and professional athletes, and later established the Breitbard Hall of Fame. The Foundation developed into the San Diego Hall of Champions, which today is the nation's largest multi-sport museum and a shrine to honor local high school, amateur and professional sports stars- hometown heroes of the past, present and future. Breitbard was the driving force behind the building of the San Diego Sports Arena and the owner of its original tenant, the Gulls of the Western Hockey League, and the expansion NBA Rockets. Breitbard was also one of the founding members of the Greater San Diego Sports Association, a group that helped build San Diego Stadium, bring the Chargers and major-league Padres to town, establish and support the Holiday Bowl and other first-class sports events and facilities. Much more than just a uniquely dedicated caretaker of San Diegos sports, the kind and generous Breitbard was a local treasure that helped make San Diego the wonderful city it is today.
