biggest comeback in ncaa tournament history: Light Blue Reign Art Chansky, 2009-10-26 Light Blue Reign tells inside story of how one of the most successful college basketball programs in the nation was built The 2009-10 NCAA college basketball season marked the 100th anniversary of North Carolina basketball. The UNC Tar Heels have won two NCAA championships since 2005, and own more victories over the last half-century than any other college team. But it wasn't always that way. For most of the first 50 years the team existed at UNC, the sport was an afterthought. That all changed in 1952 with the arrival of Frank McGuire. When Roy Williams and the Tar Heels won the 2005 and 2009 national championships, they could thank Frank McGuire and his protégé, Dean Smith, for starting the tradition of triumph. Art Chansky, who has covered UNC basketball for more than 30 years, constructs an intimate narrative of how three dramatically different coaches built the longest-lasting dynasty in college basketball. The banners of those teams hang in the rafters today, warming the hearts of all those who have worshipped UNC's Light Blue Reign over the last fifty years—and counting. biggest comeback in ncaa tournament history: *Blue Blood II* Art Chansky, 2025-09-23 A follow-up to *Blue Blood* that tells the recent history of the Duke-Carolina college basketball rivalry. When Art Chansky's *Blue Blood* was published in 2005, ESPN's Dick Vitale said it was about the greatest rivalry, not just in college basketball, but in all of sports and the book was hailed by The East Carolinian as the holy text for both sides of the rivalry. Winning more Atlantic Coast Conference and NCAA championships than the rest of the ACC combined made Duke and UNC the true blue bloods of basketball. Chansky brings all of these details to light, making *Blue Blood II* a must-have follow-up for Duke and UNC fans, and college basketball fans in general.
