

biggest sports upsets in history

biggest sports upsets in history have captivated fans and analysts alike, showcasing moments when underdogs defied all expectations to topple giants. These astonishing events transcend the ordinary outcomes of sports competitions, often becoming defining moments that alter careers, inspire generations, and reshape the narratives of entire sports. From historic football matches to unprecedented basketball and boxing outcomes, the biggest sports upsets in history reveal the unpredictable nature of competition and the relentless spirit of athletes. This article explores some of the most remarkable surprises in sports, analyzing their contexts, impacts, and legacies. By examining these unforgettable events, readers can appreciate the drama and excitement that make sports a global phenomenon. The following sections delve into iconic upsets across various sports disciplines, highlighting what made each one so extraordinary.

- Historic Football Upsets
- Legendary Basketball Shocks
- Boxing's Greatest Unexpected Victories
- Unbelievable Tennis Comebacks and Surprises
- Other Noteworthy Sports Upsets

Historic Football Upsets

Football, known globally as the beautiful game, has witnessed some of the most dramatic upsets in sports history. The unpredictable nature of football, with low-scoring games and sudden moments of brilliance, makes it fertile ground for unexpected results. These upsets often occur during major international tournaments or critical league matches, where the stakes are highest and the pressure immense.

USA vs. England, 1950 FIFA World Cup

One of the earliest and most shocking football upsets occurred during the 1950 FIFA World Cup when the United States, considered heavy underdogs, defeated England 1-0. England was a dominant force in world football at the time, while the US team was composed largely of semi-professional players. The victory stunned spectators and remains an iconic moment demonstrating that no team can be underestimated.

Leicester City's Premier League Title, 2015-2016

Leicester City's triumph in the 2015-2016 English Premier League season is often hailed as one of the biggest sports upsets in history. Starting the season with 5000-1 odds to win the league, Leicester defied all predictions by consistently outplaying established giants like Manchester United, Chelsea, and Arsenal. Their victory challenged conventional wisdom about football hierarchies and inspired fans worldwide.

Other Remarkable Football Upsets

Several other football matches have stunned fans globally due to unexpected outcomes, including:

- Greece winning UEFA Euro 2004 against powerhouse Portugal.
- North Korea defeating Italy 1-0 in the 1966 FIFA World Cup.
- Senegal's victory over France in the 2002 FIFA World Cup opening match.

Legendary Basketball Shocks

Basketball has produced numerous unforgettable upsets where underdog teams overcame overwhelming odds to defeat favored opponents. The fast-paced nature of the game, combined with the impact of individual performances, creates a dynamic environment ripe for surprises.

1985 NBA Playoffs: The Denver Nuggets vs. Seattle SuperSonics

The Denver Nuggets, finishing last in the regular season the previous year, managed to upset the Seattle SuperSonics, the top seed, in the first round of the 1985 NBA Playoffs. This was the first time in NBA history that an eighth seed defeated a first seed in a best-of-five series, marking a milestone in basketball upsets.

2007 NBA Playoffs: The Golden State Warriors vs. Dallas Mavericks

In one of the biggest sports upsets in history, the eighth-seeded Golden State Warriors defeated the top-seeded Dallas Mavericks in the first round of the 2007 NBA Playoffs. The Mavericks had posted a 67-15 regular-season record and were heavy favorites, but the Warriors' relentless defense and teamwork

secured a shocking series victory.

Additional Noteworthy Basketball Surprises

Other basketball upsets that have left a lasting impact include:

- Villanova's 1985 NCAA Championship win over Georgetown.
- UMBC's historic victory over Virginia in the 2018 NCAA tournament, becoming the first 16-seed to defeat a 1-seed.
- NC State's 1983 NCAA Championship run as a 6-seed underdog.

Boxing's Greatest Unexpected Victories

Boxing, with its one-on-one combat format, often produces dramatic and unexpected outcomes. The biggest sports upsets in boxing history frequently involve underdogs defeating reigning champions, sometimes altering the course of the sport's history.

James "Buster" Douglas vs. Mike Tyson, 1990

James "Buster" Douglas's knockout of Mike Tyson in 1990 is widely regarded as one of the biggest sports upsets in history. Tyson was undefeated and considered invincible, while Douglas was seen as a significant underdog. The fight ended in the 10th round with Douglas delivering a stunning knockout, shocking the boxing world.

Leon Spinks vs. Muhammad Ali, 1978

Leon Spinks's victory over Muhammad Ali for the heavyweight title in 1978 surprised many experts. Ali was a legendary champion, while Spinks had only seven professional fights before the bout. The split decision win by Spinks highlighted the unpredictability and drama inherent in boxing.

Other Memorable Boxing Upsets

Additional notable boxing upsets include:

- Andy Ruiz Jr. defeating Anthony Joshua in 2019 to claim the heavyweight titles.
- Hasim Rahman's knockout of Lennox Lewis in 2001.

- Michael Spinks losing to Larry Holmes in 1985 as a heavy favorite.

Unbelievable Tennis Comebacks and Surprises

Tennis, both in singles and doubles formats, has seen its share of stunning upsets that defy rankings and predictions. These moments often occur during Grand Slam tournaments or critical matches, where pressure and expectations are highest.

Goran Ivanišević's 2001 Wimbledon Win

Goran Ivanišević's victory at Wimbledon in 2001 stands as one of the most remarkable tennis upsets. Entering the tournament as a wildcard ranked 125th in the world, Ivanišević defeated several top-seeded players and won the final in an emotional five-set match. His triumph remains a testament to perseverance and determination.

Serena Williams vs. Roberta Vinci, 2015 US Open

In a shocking upset, Roberta Vinci defeated Serena Williams in the 2015 US Open semifinals, ending Williams's bid for a calendar-year Grand Slam. Vinci, ranked 43rd, played a flawless game to overcome the dominant Williams, creating one of the most talked-about surprises in tennis history.

Other Significant Tennis Upsets

Additional tennis surprises that resonate in sports history include:

- Flavia Pennetta's 2015 US Open title run as an unseeded player.
- Mark Edmondson's 1976 Australian Open victory as the lowest-ranked Grand Slam winner (212th).
- Emma Raducanu's 2021 US Open win as a qualifier without dropping a set.

Other Noteworthy Sports Upsets

Beyond the major sports of football, basketball, boxing, and tennis, numerous other athletic events have featured surprising outcomes that qualify among the biggest sports upsets in history. These events highlight the universal appeal of competition and unpredictability in sports.

Miracle on Ice – 1980 Winter Olympics Ice Hockey

The "Miracle on Ice" is regarded as one of the most extraordinary upsets in Olympic history. The United States men's ice hockey team, composed mainly of amateur and collegiate players, defeated the heavily favored Soviet Union team during the 1980 Winter Olympics. The victory energized the nation and remains an iconic sporting moment.

Rulon Gardner Defeats Aleksandr Karelin, 2000 Olympics

In Greco-Roman wrestling, Rulon Gardner's win over Aleksandr Karelin at the 2000 Sydney Olympics shocked the wrestling world. Karelin, undefeated for 13 years and considered unbeatable, was narrowly defeated by Gardner in a match that defied expectations and showcased the unpredictability of sport.

Additional Surprising Sports Moments

Other significant upsets across various sports include:

- Japan's victory over South Africa in the 2015 Rugby World Cup.
- Buster Douglas's knockout of Mike Tyson in 1990 boxing.
- Turkey's unexpected run to the semifinals in the 2002 FIFA World Cup.

Frequently Asked Questions

What is considered the biggest sports upset in history?

One of the biggest sports upsets in history is the 1980 Winter Olympics 'Miracle on Ice,' where the underdog USA ice hockey team defeated the heavily favored Soviet Union team.

Which team pulled off the biggest upset in FIFA World Cup history?

In the 1950 FIFA World Cup, the United States defeated England 1-0, which is often regarded as one of the biggest upsets in World Cup history.

What was the biggest upset in NBA Finals history?

The 2011 NBA Finals saw the Dallas Mavericks defeat the heavily favored Miami Heat, considered one of the biggest upsets in NBA history.

Has there ever been a big upset in the Super Bowl?

Yes, Super Bowl III in 1969 is famous for the New York Jets, led by Joe Namath, defeating the heavily favored Baltimore Colts, which was a major upset.

What is a notable upset in tennis Grand Slam history?

In the 2009 US Open, unseeded Juan Martín del Potro defeated top-seeded Roger Federer and Rafael Nadal, marking a significant upset in tennis history.

Which underdog team won the UEFA Champions League against all odds?

Leicester City's victory in the 2015-2016 English Premier League season is often cited as a huge upset, but in the UEFA Champions League, Porto's 2004 win under José Mourinho was a notable upset against bigger clubs.

What is the biggest upset in boxing history?

Buster Douglas defeating Mike Tyson in 1990 is widely considered the biggest upset in boxing history, as Tyson was undefeated and heavily favored.

Have there been any major upsets in the Olympics besides the 'Miracle on Ice'?

Yes, in the 2016 Olympics, the Jamaican bobsled team made headlines as underdogs, but a notable upset was the 2012 Olympics when Kenyan runner David Rudisha set a world record in the 800m, defeating favored competitors.

What is the biggest upset in college football history?

The 2007 game where Appalachian State defeated the fifth-ranked Michigan Wolverines is considered one of the biggest upsets in college football history.

Which upset is famous in the history of golf?

Greg Norman's loss to Jean van de Velde in the 1999 British Open, where van de Velde famously collapsed on the final hole, is notable, but the biggest

upset is often cited as Francis Ouimet's 1913 US Open win over top British golfers.

Additional Resources

1. *David vs. Goliath: The Greatest Sports Upsets of All Time*

This book explores some of the most surprising and thrilling underdog victories in sports history. From unexpected triumphs in the Olympics to shocking playoff results, it delves into the stories behind the athletes who defied the odds. Readers gain insight into the preparation, mindset, and sheer determination that fueled these monumental upsets.

2. *Against All Odds: Legendary Sports Upsets That Shook the World*

Highlighting iconic moments in sports where the unlikely emerged victorious, this book recounts tales of perseverance and grit. It covers a wide range of sports, including football, basketball, and boxing, emphasizing how these upsets changed the course of sporting history. biggest sports upsets in history: The Eternal Present of Sport Daniel A. Grano, 2017-06 In his persuasive study *The Eternal Present of Sport*, Daniel Grano rethinks the sport-religion relationship by positioning sport as a source of theological trouble. Focusing on bodies, time, movement, and memory, he demonstrates how negative theology can be practically and theoretically useful as a critique of elite televised sport. Grano asserts that it is precisely through sport's highest religious ideals that controversies are taking shape and constituting points of political and social rupture. He examines issues of transcendence, "legacy"—e.g., "greatest ever," or "all-time"—and "witnessing" through instant replay, which undermine institutional authority. Grano also reflects on elite athletes representing especially powerful embodiments of religious and social conflict, including around issues related to gender, sexuality, ability doping, traumatic brain injury, and institutional greed. Elite sport is in a period of profound crisis. It is through the ideals Grano analyzes that we can imagine a radically alternative future for elite sport.

biggest sports upsets in history: Pro Soccer Upsets Thomas Carothers, 2020-01-01 Thrilling upsets are part of what makes professional soccer so exciting! Sometimes, a team that barely makes it to the playoffs can win it all on a penalty kick for the league championship. Learn about the most exciting upsets and underdog moments in soccer through exciting photos and action-packed text.

biggest sports upsets in history: BBC Sports Report Pat Murphy, 2022-09-29 SHORTLISTED FOR THE SUNDAY TIMES SPORTS BOOK AWARDS 2023 - SPORTS ENTERTAINMENT BOOK OF THE YEAR Sports Report is as much a 75-year history of sport as a BBC radio institution and Pat Murphy pays handsome tribute to a programme that is still followed affectionately by millions. For nearly 75 years, one BBC programme has been a constant factor in chronicling the way sport is covered, in all its many facets. It has been a window on the sporting world all over the globe - packed tightly into every Saturday evening for the bulk of the year. First

broadcast in 1948, Sports Report is the longest-running radio sporting programme in the world and one of the BBC's hardy perennials. Pat Murphy has been a reporter on the programme since 1981 and here he sifts comprehensively through the experiences of his contemporaries and those who made their mark on Sports Report in earlier decades. He hears from commentators, reporters, producers, presenters and the production teams who regularly achieved the broadcasting miracle of getting a live programme on air, without a script, adapting as the hour of news, reaction and comment unfolded. Drawing on unique access from the BBC Archives Unit, he highlights memorable moments from Sports Report, details the challenges faced in getting live interviews on air from draughty, noisy dressing-room areas and celebrates the feat of just a small production team in the studio who, somehow, get the show up and running every Saturday, with the clock ticking implacably on.

biggest sports upsets in history: *Sports Broadcasting* Kevin Hull, 2021-11-23 With the thrill of the game and the excitement of documenting captivating moments for sports history, sports broadcasting is one of the most desired jobs among sports and journalism professionals. Designed to provide students with the skills to be successful in their careers, *Sports Broadcasting With HKPropel Access* is a comprehensive look at the field, with coverage of all aspects of the job that an entry-level sports broadcaster will need to know about. The text begins with the history and background of the sports broadcasting industry. Students will next learn about modern topics that are critical in the business today, with an overview of the various outlets, including television, radio, streaming, and podcasting. They will then dive into lessons on the skills every sportscaster needs for success, including conducting in-person and remote interviews of coaches and players, writing for broadcast versus writing for other channels such as web and mobile devices, shooting games or events, producing a sportscast, and editing video for broadcast. The career demands of both television and radio broadcasting are explored, and the increasing popularity of podcasting and streaming is examined. Students will journey through the steps involved in preparing for a live sports production, including play-by-play for radio and television, color commentary, and sideline reporting. A look into the different types of social media and their impact on sports broadcasting is followed by tips and advice on creating an effective social media presence and best practices for using social media as a sports broadcaster. The final chapters prepare students to pursue a career in sports broadcasting—offering practical advice on preparing resumes, portfolios, and job searching—and discuss issues and ethics relevant to modern-day sports broadcasting. Throughout the text, Major Moments sidebars discuss defining moments in the history of sports broadcasting and their impact on the field today, while Pro Advice sidebars feature interviews with sports broadcasting professionals and offer career tips and practical advice. Related online learning aids and activities delivered through HKPropel further the learning experience. These include key term flash cards and downloadable worksheets. Video lessons and audio clips demonstrate skills covered in the text, such as setting up for an interview, capturing footage with a cell phone camera, and preparing for a broadcast. Student activities related to the video can be assigned and tracked by instructors through HKPropel, while writing prompts and a video editing assignment provide valuable hands-on experience in tasks students will need to be successful in their careers. With *Sports Broadcasting*, students will gain the knowledge and practical skills they need to be a well-rounded broadcaster in any segment of the field. Note: A code for accessing HKPropel is not included with this ebook but may be purchased separately.

biggest sports upsets in history: *Scholastic Year in Sports 2025* James Buckley, 2024-12-24 The ultimate book for young sports fans is back with the past year's top sports stories. Look back on another year in sports with Scholastic, featuring exciting and all-new coverage for 2024.

biggest sports upsets in history: *The 1960s in Sports*, Miles Coverdale Jr., 2020-04-27 This book includes the most significant sporting events of the 1960s, covering all the moments that generated tremendous growth in professional and college sports in America during this decade. It features stories such as Roger Maris breaking Babe Ruth's home run record, Wilt Chamberlain scoring 100 points, and Muhammad Ali beating Sonny Liston. Sports became a national obsession in

the 1960s as people tuned in on their new televisions to watch the exploits of some of the most legendary athletes and teams in history. It was the decade of Mickey Mantle, Jim Brown, Bill Russell, Bobby Hull, and Arnold Palmer, the decade when the Celtics dominated basketball, Joe Namath delivered on his Super Bowl guarantee, and the Miracle Mets won the World Series. In *The 1960s in Sports: A Decade of Change*, Miles Coverdale looks back at what was arguably the greatest decade in sports history, when the sports world of today began to take shape during a very tumultuous period of American history. At the start of the decade, thirteen years after Jackie Robinson broke the color barrier in baseball, major league rosters were still populated mostly by white Americans. The NFL and NBA were struggling financially and were much less popular than college football and basketball. The Olympics were still open only to amateur athletes. But the sports landscape changed dramatically in the 1960s. Coverdale traces this development by covering the significant events and iconic players of the decade, including stars such as Sandy Koufax, Johnny Unitas, Bobby Orr, and Jack Nicklaus. There were great teams and incredible rivalries, and professional and college sports alike expanded and thrived. Featuring over 70 photos of legendary athletes and memorable moments, *The 1960s in Sports* transports the reader back to a golden age in sports. With additional coverage of important historical events such as the Cold War, Vietnam, and the Civil Rights Movement, this book also reveals how social and political events impacted the sports world, making it an invaluable resource for anyone interested in this significant decade.

biggest sports upsets in history: Sports around the World John Nauright, 2012-04-06 This multivolume set is much more than a collection of essays on sports and sporting cultures from around the world: it also details how and why sports are played wherever they exist, and examines key charismatic athletes from around the world who have transcended their sports. *Sports Around the World: History, Culture, and Practice* provides a unique, global overview of sports and sports cultures. Unlike most works of this type, this book provides both essays that examine general topics, such as globalization and sport, international relations and sport, and tourism and sport, as well as essays on sports history, culture, and practice in world regions—for example, Latin America and the Caribbean, the Middle East and North Africa, Europe, and Oceania—in order to provide a more global perspective. These essays are followed by entries on specific sports, world athletes, stadiums and arenas, famous games and matches, and major controversies. Spanning topics as varied as modern professional cycling to the fictional movie *Rocky* to the deadly ball game of the ancient Mayans, the first three volumes contain overview essays and entries for specific sports that have been and are currently practiced around the world. The fourth volume provides a compendium of information on the winners of major sporting competitions from around the world. Readers will gain invaluable insights into how sports have been enjoyed throughout all of human culture, and more fully comprehend their cultural contexts. The entries provide suggestions for further reading on each topic—helpful to general readers, students with school projects, university students and academics alike. Additionally, the four-volume *Sports Around the World* spotlights key charismatic athletes who have changed a sport or become more than just an outstanding player.

biggest sports upsets in history: The Common Thread Jerry Gladstone, 2015-09-01 Personal stories from entertainers, athletes, and other successful people on how they overcame setbacks—and advice on how you can, too. What makes the difference between the desire for success and real success? Learn from some of the world's most successful people—including Mark Cuban, Sylvester Stallone, Bill O'Reilly, Montel Williams, Stevie Nicks, Snoop Dogg, Gloria Gaynor, Randy Couture and others, in this unique collection of stories and advice. They may be Academy or Grammy award winners, Super Bowl or World Series champions, Rock and Roll Hall of Fame legends, best-selling authors, or even billionaires—but that doesn't mean they have never faced obstacles and challenges. In fact, it was their ability to overcome the inevitable hardships of life that kept them on the path to achievement. Here, you can learn about their experiences and discover the "common thread" that successful people share. Stop letting your circumstances, your lack of resources, or your past define who you are or what you can become. Find proven strategies, insights, wisdom and perspective—in a guide that helps you master new skills and habits with

practical, helpful “do it daily” tips you can implement immediately. “With his winning attitude and the many stories Jerry has shared in his book, there is no doubt we can all benefit and be empowered to reach our fullest potential” —Jim Davis, Emmy award-winner and creator of Garfield

biggest sports upsets in history: *Sports and Their Fans* Kevin G. Quinn, 2014-01-10 Though Americans spend more than \$25 billion a year on sports and sporting events, this book argues that the influence of sports on our lives is even more profound than this huge figure would seem to suggest. Exploring such topics as the role of sports in the creation of mass culture, cheating, the abuse of illegal drugs, the strange and fascinating role that numbers play in sporting events, and the future of spectator sport, this book surveys the outsized impact that sports have on American culture. The author draws from new work in such fields as history, economics, politics, sociology, psychology, and ethics to support his claims. Instructors considering this book for use in a course may request an examination copy here.

biggest sports upsets in history: *A Boy, a Man and a Game* Stanton Sheogobind, 2019-08-22 This book encapsulates the experiences of a five year old boy from the time he was fortunate to have witnessed a village cricket game sometime in 1949 in a far off field in Berbice, British Guiana. It was a defining moment of his life as the love of the game took hold of him then and in his later adult life. The story is centered around his adulthood in attending the first ever Cricket World Cup Tournament, held in the Caribbean in 2007 which is attended by him and a number of his son’s friends. Being surrounded by cricket literally on a 24/7 basis for the week; childhood and young adult memories pertaining to the game are evoked and these he shares with his audience. He shares with us some of the “memorable” games in which he took part. He also shares his experiences of some of the cricket teams to have visited Guyana from the 1950s to the 1980s. He unabashedly lets his audience know that he considers the period of the 60s and 70s to be the eras with which he associated his fondest memories. The great West Indian players Rohan Kanhai and Gary Sobers are his heroes. He also describes for his audience the other great cricketers from England, Australia, India, and Pakistan whom he had been able to see perform at the famous Bourda cricket ground in Georgetown, Guyana. In the final chapters he assesses the state of the game of cricket in the world today and the changes which the game had to undergo in order to survive in the fast-paced modern world. He ends his story by recounting with some of his grandchildren recounting cricket games in St. Lucia so as to introduce them to this game on which he has been hooked! He recounts that they thoroughly enjoyed the experience.

biggest sports upsets in history: *Sport and the Shaping of Italian-American Identity* Gerald R. Gems, 2013-12-16 Gems traces the experience of the Italian immigrant and illustrates the ways in which sports helped Italian-Americans adapt to a new culture, assert pride in an ethnic identity, and even achieve social advancement. Employing historical, sociological, and anthropological studies, Gems explores how sports were instrumental in helping notions of identity evolve from the individual to the community, from the racial to the ethnic. In doing so, *Sport and the Shaping of Italian-American Identity* transcends the study of a particular ethnic group to speak to foundational values and characteristics of the American ethos.

biggest sports upsets in history: *Great Sporting Rivals* Joseph Romanos, 2010-08-04 They excite and inspire us, frustrate and disappoint us - when great sporting rivals meet, we live each moment with them as their fortunes fluctuate. During the past few decades, we have witnessed many superbly matched opponents in a wide range of sports. Who can forget the marathon matches played by John McEnroe and Bjorn Borg, the nail-biting ...

biggest sports upsets in history: *Secrets of Professional Sports Betting* Michael Kochan, 2013-09-25 In addition to hard-hitting specific strategies for recognizing opportunities and finding value, you'll learn the mental aspects necessary for winning: keeping records, money management, analyzing wagers, and how to think differently from the average losing gambler. Kochan includes over 50 real-world examples of great bets! 256 pages

biggest sports upsets in history: *Learning from Mickey, Donald and Walt* A. Bowdoin Van Riper, 2014-01-10 Throughout its long and colorful history, Walt Disney Studios has produced scores

of films designed to educate moviegoers as well as entertain them. These productions range from the True-Life Adventures nature documentaries and such depictions of cutting-edge technology as *Man in Space* and *Our Friend the Atom*, to wartime propaganda shorts (*Education for Death*), public-health films (*VD Attack Plan*) and coverage of exotic cultures (*The Ama Girls*, *Blue Men of Morocco*). Even Disney's dramatic recreations of historical events (*Ten Who Dared*, *Invincible*) have had their share of educational value. Each of the essays in this volume focuses on a different type of Disney edutainment film. Together they provide the first comprehensive look at Walt Disney's ongoing mission to inform and enlighten his worldwide audience.

biggest sports upsets in history: *Historical Dictionary of the Olympic Movement* John Grasso, Bill Mallon, Jeroen Heijmans, 2015-05-14 The Olympic Movement began with the Ancient Olympic Games, which were held in Greece on the Peloponnesus peninsula at Olympia, Greece. It is not clear why the Greeks instituted this quadrennial celebration in the form of an athletic festival. The recorded history of the Ancient Olympic Games begins in 776 B.C., although it is suspected that the Games had been held for several centuries by that time. The Games were conducted as religious celebrations in honor of the god Zeus, and it is known that Olympia was a shrine to Zeus from about 1000 B.C. In modern time The Olympic Movement attempts to bring all the nations of the world together in a series of multisport festivals, the Olympic Games, seeking to use sport as a means to promote internationalism and peace. This fifth edition of *Historical Dictionary of The Olympic Movement* covers its history through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 1000 cross-referenced entries on the history, philosophy, and politics of the Olympics, major organizations, the various sports, the participating countries, and especially the athletes. This book is an excellent access point for students, researchers, and anyone wanting to know more about The Olympic Movement.

biggest sports upsets in history: Scholastic Year in Sports 2012 James Buckley, Jr., 2011-12 Gives you an in-depth look at all of the hottest stars and most memorable moments from the past sports season--Page 4 of cover.

biggest sports upsets in history: Alive Delhi Press, 2017-07-01 An informative, inspiring and incisive issue that helps go-ahead men lead a better life. Its special attraction is an exhaustive review of current, much-talked-about books.

biggest sports upsets in history: But for the Grace of God Stan Morse, 2010-06 Morse tells his own story of struggles with drug addiction, failed relationships, and failed business ventures, struggles he was able to resolve only after turning to God.

biggest sports upsets in history: Ego Vs. Soul in Sports Ken Reed, 2016-09-09 Imagine. Imagine the world of sports without ego. No more trashtalking, showboating, cheating, cheap shots, or running up the score. No more wackadoo parents and coaches ruining youth sports. No more prima donna athletes with an inflated view of their own importance. The win-at-all-costs mentality? Gone. The me-first athlete? History. Greedy owners that put their wallets ahead of whats best for the game? Bye-bye. As John Lennon once sang, Imagine . . . Sports have always brought out the best and worst in people. One of the compelling aspects of sports is that character is openly on display. Problem is, the ugly side of sports is getting way too loud these days. The ego in sports has run amok. And as the ego takes center stage, win-at-all-costs (WAAC) and profit-at-all-costs (PAAC) mentalities and behaviors begin to dominate. Things like sportsmanship start to take a backseat. Nevertheless, despite all the ego- and greed-based negativity in todays sports world, there are still some pearls out there, little stories in the back of the sports section that stir the soul. While too many sports center headlines bring forth feelings of shame, its the snippets about obscure athletes that bless us with shining examples of the human spirit and give us reason for hope. This is a book of short essays about sport at its best and sport at its worst. Hopefully, the book is somewhat entertaining and, occasionally, even enlightening. Ultimately, however, the books goal is to inspire those who love sports to find a way to make the sports world a better place to be. And that means a place with a lot less ego and a lot more soul. Because in the big picture, it really is about how you play the game.

biggest sports upsets in history: Debunked! Richard Roeper, 2008-06 A breezy but fact-filled dissection of more than two dozen of the most popular urban legends and conspiracy theories of the 21st century.
