Overview of Cubs Spring Training

Cubs baseball spring training marks the beginning of the baseball season, where players prepare for the grueling regular season ahead. This period typically runs from late February through March and takes place at the Cubs' spring training facility in Mesa, Arizona, known as Sloan Park. Spring training games offer a more relaxed atmosphere compared to regular season games, allowing fans to get up close and personal with players and coaches. It is an ideal time to observe emerging talent, evaluate new roster additions, and enjoy baseball in a casual setting. Cubs baseball spring training tickets provide access to these games, making it possible for fans to experience the excitement firsthand before the official MLB season starts.

Importance of Spring Training

Spring training serves several critical purposes for the Cubs organization. It helps players regain their form after the offseason, allows new team members to integrate, and gives management an opportunity to assess player performance under game conditions. For fans, spring training is a chance to see a different side of

the game, including experimental plays and lineups. The smaller crowds and intimate stadium environment create a unique fan experience that is distinct from regular season games.

Where to Buy Cubs Baseball Spring Training Tickets

Purchasing Cubs baseball spring training tickets can be done through various channels, each offering different advantages. Official team websites and the stadium box office are among the most reliable sources for authentic tickets. Additionally, authorized ticket sellers and reputable secondary marketplaces provide options for fans who may have missed the primary sales windows. Understanding the best places to buy tickets ensures access to legitimate and competitively priced options.

Official Ticket Sources

The Chicago Cubs official website and the Sloan Park box office are the primary sources for buying spring training tickets. Buying directly from these sources often guarantees the best prices and authentic tickets. Early sales periods can also offer season ticket packages or group rates, which can be cost-effective for families or larger groups.

Secondary Market Options

For sold-out games or last-minute plans, secondary ticket platforms provide an alternative. These platforms allow fans to purchase tickets from other fans, sometimes at a premium. It is essential to use trusted sellers to avoid counterfeit tickets. Checking reviews and seller ratings can help mitigate risks when purchasing from the secondary market.

Best Seating Options and Ticket Prices

Choosing the right seats for Cubs baseball spring training games depends on budget, personal preferences, and the desired game experience. Sloan Park offers a variety of seating options, from premium club seats to general admission areas. Understanding ticket pricing and seating layouts can help fans make informed decisions about where to sit.

Seating Categories

Sloan Park features several seating categories designed to accommodate different fan needs:

- **Field Box Seats:** Located close to the action along the baselines, these seats provide excellent views and are popular among serious fans.

- **Club Seats:** These offer additional amenities, including access to indoor lounges and upscale concessions.
- **General Admission:** Affordable and ideal for casual fans or families, these seats are typically in the upper levels or outfield areas.
- **Standing Room:** For fans who prefer flexibility, standing room tickets allow access to concourse areas with views of the field.

Ticket Price Range

Ticket prices for Cubs baseball spring training usually vary from around \$15 for general admission to \$50 or more for premium seating. Prices can fluctuate based on the opponent, day of the week, and proximity to the game date. Early purchase often secures the best rates and availability.

Tips for Attending Cubs Spring Training Games

Maximizing the enjoyment of Cubs baseball spring training games involves some planning and awareness of stadium policies. From arrival times to concessions and parking, knowing what to expect enhances the overall experience. These tips assist fans in making the most out of their spring training visit.

Arriving Early

Arriving early to the game is recommended to avoid traffic congestion and secure preferred parking spots. Early arrival also allows fans to explore the stadium, watch batting practice, and participate in fan events that often take place before the game.

Concessions and Amenities

Sloan Park offers a variety of food and beverage options, including local favorites and classic ballpark fare. Fans are encouraged to try some unique concession items exclusive to spring training. Additionally, the stadium provides family-friendly amenities, including kids' zones and souvenir shops.

Parking and Transportation

Parking at Sloan Park is generally ample but fills up quickly on popular game days. Carpooling or using ride-sharing services can be convenient alternatives. The stadium also provides accessible parking for guests.

with disabilities.

Spring Training Schedule and Location

The Cubs conduct their spring training at Sloan Park in Mesa, Arizona. The schedule typically spans from late February through the end of March, with games played almost daily. Understanding the schedule and location details is essential for planning attendance and travel arrangements.

Sloan Park: The Cubs' Spring Training Home

Sloan Park is a state-of-the-art facility specifically built for Cubs spring training. It is recognized as one of the premier spring training stadiums in Major League Baseball, featuring excellent seating, modern amenities, and a fan-friendly environment. The location in Mesa is easily accessible from Phoenix and surrounding areas.

2024 Spring Training Schedule Highlights

The Cubs' spring training schedule includes a mix of games against other Cactus League teams. Key matchups often draw larger crowds and offer exciting competition. Fans should check official schedules in advance to secure cubs baseball spring training tickets for their preferred dates.

Frequently Asked Questions

When do Cubs baseball spring training tickets typically go on sale?

Cubs baseball spring training tickets usually go on sale in late fall or early winter, often around November or December prior to the spring training season.

Where can I purchase official Cubs spring training tickets?

Official Cubs spring training tickets can be purchased through the Chicago Cubs' official website, the Atlanta Braves' website (if games are at their facility), or authorized ticket vendors such as Ticketmaster.

How much do Cubs spring training tickets usually cost?

Cubs spring training ticket prices vary depending on the opponent and seat location, but they generally range from \$15 to \$40 per game.

Are Cubs spring training games held in Arizona or Florida?

The Chicago Cubs hold their spring training games at Sloan Park in Mesa, Arizona.

Can I buy Cubs spring training tickets at the stadium on game day?

Yes, you can usually buy Cubs spring training tickets at Sloan Park on game day, but it's recommended to purchase in advance for popular games to ensure availability.

Are there any discounts available for Cubs spring training tickets?

Discounts may be available for seniors, military personnel, children, and groups. It's best to check the official ticketing site or promotions for current offers.

What is the best time to buy Cubs spring training tickets for the best prices?

Buying Cubs spring training tickets early, right when they go on sale, or closer to game day when demand is lower can sometimes yield better prices, but popular games may sell out quickly.

Can I choose my seats when buying Cubs spring training tickets?

Yes, when purchasing online, you can typically select your preferred seats from an interactive seating chart at Sloan Park.

Are Cubs spring training tickets refundable or exchangeable?

Generally, Cubs spring training tickets are non-refundable and non-exchangeable, but specific policies may vary by vendor, so check the terms before purchase.

What COVID-19 protocols are in place for Cubs spring training games?

COVID-19 protocols for Cubs spring training games may include mask requirements, social distancing, and proof of vaccination or negative tests, depending on local health guidelines at the time of the games.

cubs baseball spring training tickets: Transforming America Robert M. Collins, 2009-08-22 Robert Collins examines the critical and controversial developments of the 1980s and the unmistakable influence of Ronald Reagan on their making. Portraying the former president as a complex political figure who combined ideological conservatism with political pragmatism, Collins demonstrates how Reagan's policies helped limit the scope of government, control inflation, reduce the threat of nuclear war, and defeat communism. In the 1980s other changes occurred as well, including the advent of the personal computer, a revolution in information technology, a more globalized national economy, and a restructuring of the American corporation. In the realm of culture, MTV, self-help gurus, and postmodernism realized the cultural shifts of the postwar era, creating a conflict that pitted cultural conservatism against a secular, multicultural view of the world. Entertaining and erudite, *Transforming America* explores the events, movements, and ideas that profoundly changed American culture and politics during an important decade.

cubs baseball spring training tickets: When the Cubs Won It All George R. Matthews, 2009-09-12 In the fall of 1908, no one could have guessed that the Chicago Cubs, a team that had dominated the National league three straight years, would for a century be shut out in its efforts to reclaim the world championship. Stars like Frank Chance, Ed Reulbach, and Three Finger Brown were still in their prime, and the Cubs had just emerged the winner in the most remarkable pennant race in history. In the decades since, the achievement of the 1908 Cubs has been overshadowed first by the events of the season, which included the Merkle Game and a playoff that pitted two all-time great pitchers against each other, and more recently by the calendar, as the centennial anniversary of the last Cubs championship closed in. This book rescues the 1908 team from its status as footnote to baseball history, following one of the all-time great clubs on a thrilling, season-long march toward the World Series.

cubs baseball spring training tickets: You Might Remember Me Mike Thomas, 2025-09-23 Beloved TV comedic actor Phil Hartman is best known for his eight brilliant seasons on Saturday

Night Live, where his versatility and comedic timing resulted in some of the funniest and most famous sketches in the television show's history. Besides his hilarious impersonations of Phil Donahue, Frank Sinatra and Bill Clinton, Hartman's other indelible characters included Cirroc the Unfrozen Caveman Lawyer, Eugene the Anal Retentive Chef and, of course, Frankenstein. He also starred as pompous radio broadcaster Bill McNeal in the NBC sitcom NewsRadio and voiced numerous classic roles — most memorably washed-up actor and commercial pitchman Troy McClure — on Fox's long-running animated hit The Simpsons. But Hartman's seemingly charmed life was cut tragically short when he was fatally shot by his troubled third wife, Brynn, who turned a gun on herself several hours later. The shocking and headline-generating turn of events stunned those closest to the couple as well as countless fans who knew Phil only from afar. Now, for the first time ever, the years and moments leading up to his untimely end are described in illuminating detail through information gleaned from exclusive interviews with scores of famous cast mates, close friends and family members as well as private letters, audio/video recordings, extensive police records, and more. Both joyous tribute and serious biography, Mike Thomas' *You Might Remember Me* is a celebration of Phil Hartman's multi-faceted career and an exhaustively reported, warts-and-all examination of his often intriguing and sometimes complicated life—a powerful, humor-filled and disquieting portrait of a man who was loved by many, admired by millions and taken from them far too early.

cubs baseball spring training tickets: Reagan Kiron K. Skinner, Annelise Anderson, Martin Anderson, 2004-11-29 Ronald Reagan may have been the most prolific correspondent of any American president since Thomas Jefferson. The total number of letters written over his lifetime probably exceeds 10,000. Their breadth is equally astonishing -- with friends and family, with politicians, children, and other private citizens, Reagan was as dazzling a communicator in letters as he was in person. Collectively, his letters reveal his character and thinking like no other source. He made candid, considerate, and tough statements that he rarely made in a public speech or open forum. He enjoyed responding to citizens, and comforting or giving advice or encouragement to friends. Now, the most astonishing of his writings, culled in *Reagan: A Portrait in Letters*, finally and fully reveal the true Ronald Reagan. Many of Reagan's handwritten letters are among the most thoughtful, charming, and moving documents he produced. Long letters to his daughter Patti, applauding her honesty, and son Ron Jr., urging him to be the best student he can be, reveal Reagan as a caring parent. Long-running correspondence with old friends, carried on for many decades, reveals the importance of his hometown and college networks. Heartfelt advice on love and marriage, fond memories of famous friends from Hollywood, and rare letters about his early career allow Reagan to tell his own full biography as never before. Running correspondence with young African-American student Ruddy Hines reveals a little-known presidential pen pal. The editors also reveal that another long-running pen-pal relationship, with fan club leader Lorraine Wagner, was initially ghostwritten by his mother, until Reagan began to write to Wagner himself some years later. Reagan's letters are a political and historical treasure trove. Revealed here for the first time is a running correspondence with Richard Nixon, begun in 1959 and continuing until shortly before Nixon's death. Letters to key supporters reveal that Reagan was thinking of the presidency from the mid-1960s; that missile defense was of interest to him as early as the 1970s; and that few details of his campaigns or policies escaped his notice. Dozens of letters to constituents reveal Reagan to have been most comfortable and natural with pen in hand, a man who reached out to friend and foe alike throughout his life. *Reagan: A Life in Letters* is as important as it is astonishing and moving.

cubs baseball spring training tickets: The Whole Baseball Catalogue Bob Newhardt Carroll, 1990 Features the best baseball movies on video, where to buy a backyard batting cage, who broadcasts what games and where, and how to get a job in baseball.

cubs baseball spring training tickets: The Silent Ghost (Novella) Sue Ann Jaffarian, 2013-03-05 A brand-new novella in the Ghost of Granny Apples Mystery series, featuring Emma Whitecastle's daughter, Kelly—only available digitally... Like mother, like daughter? Emma Whitecastle's daughter Kelly just wants to live a normal life and pursue her studies at Harvard. But

that's not so easy when your mother is a famous medium who hosts a TV show on paranormal activity and when your frequent companion is a ghost named Granny Apples. When reporter Tanisha Costello approaches her, Kelly is understandably skittish. But Tanisha isn't after a story—she needs help. She's being haunted. Though Kelly doesn't want to acknowledge she has the same gift as her mother, Granny Apples steps in to get her to take the case and get the scoop on the spirit. Includes an excerpt from the “delectable” (Publishers Weekly) first book in the Ghost of Granny Apples Mystery series—Ghost á la Mode.

cubs baseball spring training tickets: American Sports Murry R. Nelson, 2013-05-23

America loves sports. This book examines and details the proof of this fascination seen throughout American society—in our literature, film, and music; our clothing and food; and the iconography of the nation. This momentous four-volume work examines and details the cultural aspects of sport and how sport pervasively reflects—and affects—myriad aspects of American society from the early 1900s to the present day. Written in a straightforward, readable manner, the entries cover both historical and contemporary aspects of sport and American culture. Unlike purely historical encyclopedias on sports, the contributions within these volumes cover related subject matter such as poetry, novels, music, films, plays, television shows, art and artists, mythologies, artifacts, and people. While this encyclopedia set is ideal for general readers who need information on the diverse aspects of sport in American culture for research purposes or are merely reading for enjoyment, the detailed nature of the entries will also prove useful as an initial source for scholars of sport and American culture. Each entry provides a number of both print and online resources for further investigation of the topic.

cubs baseball spring training tickets: Spring Training Dan Shaughnessy, Stan Grossfeld, 2003 Before the purpose-pitch that zips inches from the batter's head, before greenfly autograph-seekers stalk hotel lobbies, before thousands of fans stand up and boo in 50,000-seat stadiums, before the proverbial dog days of summer and the pressure-packed moments of October . . . there is sweet spring. The long hello. Baseball's early season. The words spring training have long held special power over baseball fans. They signal the arrival of fresh air and sunshine after a long winter devoid of bare feet and box scores. The chance to see the game up close and personal, in beautiful slow motion. No other sport undergoes this slow, glorious unfolding. And no other book captures baseball's rite of passage in all its magic. Come on a wild ride through spring training's many attractions and peculiarities, from Florida to Arizona, the National to the American League, the dugouts to Section D. Glimpse retirees in Hawaiian shirts singing Take Me Out to the Ball Game, million-dollar players taking it easy on the field and in the bars, young rookies flashing their skills, grizzled vets going through the motions, wide-eyed children dressed from head to toe in their favorite team's garb. It's all here, from Alligator Alley to Cactus Way, sit-ups to sunblock, home runs to hangovers -- a lively tribute to America's favorite pastime in its purest, most wonderful form.

cubs baseball spring training tickets: Travel Junkie Jack Harms, 2011-08 This is not a travel guide, nor is it a typical travel book. This is a story about a man who overcame personal tragedies to achieve his lifetime ambition to explore the world. You won't find stories of a man who climbed mountains or sailed the seas. Instead you'll hear about one man's journey who visited over 100 well-known foreign countries and cities, swam with the sharks in Bora-Bora, Tahiti and in Grand Cayman, explored the underwater world of the Australian Great Barrier Reef, walked the Great Wall of China; and went on photo safaris in the African wild game parks. When he began his traveling adventures, the last thing on his mind was writing a book. As he progressed through his trips, he would entertain his relatives, friends and clients with the stories and photos of his more important memories. Invariably, they would say you ought to write a book! And so he did, and here it is. The book should assist the beginning traveler in deciding where to go, how to go, and how long to stay, and last but not least, how to stay safe in a sometimes dangerous world. Traveling can be, and often is, very rewarding. But it can also be frustrating, expensive, and dangerous. When traveling to a foreign country it is best to expect the unexpected, as your experience will be unlike anything you've experienced before. The Travel Junkie also reveals the true character of Jack Harms and his personal

life. Including his hitchhiking days, his attraction to famous entertainers' live performances, his traumatic experiences - being on his own at the age of fourteen in Jackson Hole, Wyoming and the deaths of his mother, and only two brothers at very young ages.

cubs baseball spring training tickets: Best Bike Rides Los Angeles Wayne D. Cottrell, 2015-06-01 Los Angeles is home to some of the best paved roads, dirt roads, mountain bike trails, and bike paths. Best Bike Rides Los Angeles describes over forty of the most diverse recreational and scenic rides in the Los Angeles area. With most rides between 3 and 50 miles, ranging in altitude from just above sea level along the beaches to over 5,600 feet ascending a peak in the San Gabriel Mountains, it's easy to find a ride that suits your tastes. Each route includes complete point-by-point miles and directions, map, text description of the riding area, GPS coordinates of the start/finish point, and full-color photos of the ride's features. More than just a trail guide, Best Bike Rides Los Angeles gives the reader important information, such as flora and fauna, history, folklore, special events, and cultural happenings. Look inside to find: GPS coordinates Detailed miles and directions Descriptions of what you'll see along the way Full-color photos

cubs baseball spring training tickets: Santa Catalina Island in Vintage Postcards Marlin L. Heckman, 2001-02-15 Throughout the years, the 76-square-mile island of Santa Catalina has hosted Native-American tribes, European sailors, American tourists, and even the Chicago Cubs. The island has survived both ecologically and culturally, resisting the temptation of becoming a Coney Island of Los Angeles. Through the work of its residents along with chewing gum magnate William Wrigley Jr., Santa Catalina Island is as beautiful today as it was when it was discovered in 1542.
