Overview of Fort Leonard Wood Basic Training

Fort Leonard Wood is one of the key Army installations responsible for training new soldiers through Basic Combat Training (BCT) and Advanced Individual Training (AIT). The base provides rigorous physical, mental, and tactical instruction designed to prepare recruits for military service. Basic training at Fort Leonard Wood generally lasts approximately 10 weeks, during which trainees develop essential skills in marksmanship, physical fitness, discipline, and teamwork. The training is divided into phases, each with specific objectives and milestones that culminate in a graduation ceremony marking the successful completion of the program.

Training Structure and Phases

The basic training program at Fort Leonard Wood is structured into three main phases:

- **Phase 1:** Introduction to Army values, physical fitness, and basic soldier skills.

- **Phase 2:** Advanced tactical training, weapons handling, and field exercises.
- **Phase 3:** Final evaluations, team challenges, and preparation for graduation.

Each phase is critical to the overall development of recruits, ensuring they are physically, mentally, and emotionally prepared for their military duties.

Fort Leonard Wood Basic Training Graduation Dates 2024

The Fort Leonard Wood basic training graduation dates 2024 are scheduled throughout the year to accommodate multiple training cycles. Graduation ceremonies typically occur every 10 weeks, coinciding with the completion of each basic training cycle. These dates are important for families and friends wishing to attend and celebrate the achievements of their loved ones.

Scheduled Graduation Dates

For 2024, the expected Fort Leonard Wood basic training graduation dates are as follows:

1. January 12, 2024
2. March 22, 2024
3. June 7, 2024
4. August 16, 2024
5. October 25, 2024
6. December 13, 2024

These dates may be subject to change based on training schedules, military directives, or other operational requirements. It is advisable to confirm the graduation date with Fort Leonard Wood public affairs or the trainee's unit closer to the event.

Graduation Ceremony Details

Graduation ceremonies at Fort Leonard Wood are formal events that honor the accomplishments of

graduating soldiers. The ceremonies include a review of the troops, award presentations, speeches by commanding officers, and the traditional passing of the colors. Attendees should expect the event to last approximately two hours and be held on the base parade field.

Preparing for Graduation Day

Proper preparation for Fort Leonard Wood basic training graduation dates 2024 ensures a smooth and memorable experience for graduates and their guests. Understanding the logistics and protocols involved helps families and friends plan accordingly.

What to Bring and Wear

Graduation day is an outdoor event usually held in spring and fall weather conditions. Attendees should consider the following:

- Comfortable yet respectful attire, such as business casual or semi-formal clothing.
- Seating arrangements, as some chairs may be provided but it is recommended to bring portable seating for larger groups.
- Sun protection including hats, sunglasses, and sunscreen.
- Water and snacks, especially if the weather is warm.
- Identification for base access, as all visitors must pass through security checkpoints.

Security and Access Requirements

Fort Leonard Wood enforces strict security measures to ensure the safety of all personnel and visitors. To attend a graduation ceremony, guests must:

- Present a valid government-issued photo ID at the gate.
- Be listed on the approved visitor list or have prior authorization through the trainee.
- Comply with base regulations regarding prohibited items such as weapons, alcohol, and drones.

Early arrival is encouraged to allow time for parking and security clearance.

Family and Visitor Information

Family members and visitors play a crucial role in supporting trainees throughout their basic training journey. Fort Leonard Wood provides several resources to assist families in staying informed and involved.

Visiting Hours and Facilities

While basic training is a controlled environment with limited visitation during the training period, families are welcome to attend graduation ceremonies and scheduled family days. Facilities on base include visitor centers, dining options, and lodging for those traveling from out of town.

Communication with Trainees

During training, communication is limited to letters, emails, and occasional phone calls. Families are encouraged to send supportive messages through the official channels to boost morale. Additionally, some units provide updates on training progress and schedules to keep families informed.

Tips for First-Time Visitors

For those attending the Fort Leonard Wood basic training graduation dates 2024 for the first time, consider these tips:

- Review base maps and directions ahead of time.
- Arrive early to secure parking and seating.
- Respect military protocols and customs during the ceremony.
- Plan for weather changes and dress accordingly.
- Coordinate with other family members to facilitate group attendance.

Additional Resources and Support Services

Fort Leonard Wood offers various support services to assist trainees and their families before, during, and after basic training. These resources help ease transitions and provide valuable information related to military life.

Family Support Programs

The Family Readiness Group (FRG) and Army Community Service (ACS) provide counseling, financial assistance, and educational workshops for military families. These programs are designed to improve resilience and foster a supportive community.

Post-Graduation Opportunities

Upon graduation, soldiers proceed to advanced individual training or their assigned units. Fort Leonard Wood continues to offer career counseling and placement assistance to ensure a smooth progression in military careers.

Contact Information

For the most accurate and updated details regarding Fort Leonard Wood basic training graduation dates 2024, contacting the Fort Leonard Wood Public Affairs Office or the unit responsible for the trainee is recommended. They provide official schedules, visitor information, and any last-minute changes.

fort leonard wood basic training graduation dates 2024: Uncommon Valor Dwight Jon Zimmerman, John D. Gresham, 2024-05-01 A fascinating look at six of our bravest soldiers who fought in Afghanistan and Iraq, recipients of the highest military decoration awarded in America. Winner of the Military Writers Society of America's Highest Honor: The Founder's Award Since the Vietnam War ended in 1973, the Medal of Honor, our nation's highest award for valor, has been presented to only eight men for their actions above and beyond the call of duty. Six of the eight were young men who had fought in the current war in Iraq, Afghanistan, or both. All of these medals were awarded posthumously, as all had made the choice to give their lives so that their comrades might live. *Uncommon Valor* answers the searing question of who these six young soldiers were, and dramatically details how they found themselves in life-or-death situations, and why they responded as they did. For the first time, this book also provides a comprehensive history of the Medal of Honor itself—one marred by controversies, scandals, and theft. Using an extraordinary range of sources, including interviews with family members and friends, teammates and superiors in the military, personal letters, blogs posted within hours of events, personal and official videos and newly declassified documents, *Uncommon Valor* is a compelling and important work that recounts incredible acts of heroism and lays bare the ultimate sacrifice of our bravest soldiers.

fort leonard wood basic training graduation dates 2024: Fair Skies And Tight Lines Mike Yurk, 2024-11-12 These twenty-five stories in Mike Yurk's "Fair Skies And Tight Lines" takes you into the world of fishing as well as adventures, both on and off the water. From memories of an outdoor catalog to the joys of using vintage fishing gear to stories of boats to fishing on his honeymoon and later his thirtieth wedding anniversary, you see a variety of fishing experiences enriching life. There are people in these stories such as an old German fishing buddy, another fishing partner with a new heart, and two granddaughters learning to fish. There is adventure here in fishing for big walleyes on big water and the power of summer storms. Going to a smelt fry or taking a fish fry to South Dakota brings family and friends together. It is not all about catching fish but sometimes just the pursuit is enough while muskie fishing. There are the memories of a boyhood growing up in the country surrounded by fishing and hunting adventures and returning home, much later in life, after a long time gone. Going fishing right after a long winter to the joys of spring

fishing in April and late summer fishing in September you feel the changes in a season. Chasing after smallmouth bass to old and new memories of catching white bass to enjoying time on the water with friends on a special day in September takes us to the essence of what it means to go fishing. There is so much more to fishing than just catching fish and so much more in the pages of "Fair Skies And Tight Lines."
