fort jackson south carolina basic training graduation dates: Pride and Discipline Colonel Donald J. Myers, USMC (Ret), 2014-05 Marine Boot Camp has been described in many books and movies over the years and in many cases not favorably. The author is especially qualified to write about this subject because he went through a Boot Camp at Parris Island in 1953 and returned as the commanding officer of the Recruit Training Regiment in 1982 after spending a significant amount of time leading Marines as an officer and noncommissioned officer. The author goes into great detail explaining his theory about why abuse occurs. He also describes the quality of the drill instructors and their background. The author places the reader in the environment by telling stories about what is actually happening throughout the training cycle. He explains why more supervision or regulations will not eliminate abuse, but only by changing attitudes will that happen. His style of working with the drill instructors and junior officers takes the reader through the events. A totally new approach of stress management was implemented with superb results. Experts in conditioning and psychology were used in an effort to improve the production of basic Marines and reports from the operating forces supported the end results. The author spent most of his time out of the office observing training and speaking with recruits and drill instructors. Many of the changes that occurred were suggested by the drill instructors during these informal talks. Some of the changes that did occur are listed near the end of the book. Many of them remain in effect today while others have been overcome by time.

fort jackson south carolina basic training graduation dates: Danger Close Amber Smith, 2016-09-06 Inspiring and "riveting...vivid and harrowing" (Sean Parnell, author of Outlaw Platoon), *Danger Close* is the first memoir of active combat by a female helicopter pilot in Iraq and Afghanistan. New York Times bestselling author Brad Thor raves, "Men and women alike will love this incredible tale of heroism, humility, and high-octane feats of bravery." Amber Smith flew into enemy fire in some of the most dangerous combat zones in the world. One of only a few women to fly the Kiowa Warrior helicopter—whose mission, armed reconnaissance, required its pilots to stay low and fly fast, perilously close to the fight—Smith deployed to Iraq and Afghanistan and rose to Pilot-in-Command and Air Mission Commander in the premier Kiowa unit in the Army. She learned how to perform and survive under extreme pressure, both in action against an implacable enemy and within the elite "boy's club" of Army aviation. In *Danger Close*, Smith "covers each mission with edge-of-your-seat detail and a coolness that demonstrates how she gained the respect of fellow pilots and soldiers on the ground" (Library Journal). Smith's unrelenting fight for both mastery and respect delivers universal life-lessons that will be useful to any civilian, from "earning your spurs" as a newbie to "embracing the suck" through setbacks that challenge your self-confidence to learning to trust your gut as a veteran of your profession. Intensely personal, cinematic, poignant, and inspiring, *Danger Close* is "the captivating story of one woman's fight to serve her country in the direct line of danger" (Dana Perino, co-host of *The Five* on Fox News).

Luke's passion and love for God, his family, and the game of baseball is what pushed him through the ups and downs of life. He has written this story not to show any greatness of himself but instead of the greatness of God. Luke ends every chapter with a Bible verse that sums up the spiritual meaning of that part of his life that the chapter gives. Luke's family, friends, the US Army, and his undergraduate university meant so much to him, and this story was written with the goal of bringing honor and thanks to each. His story is meant to teach one important lesson: whether you are having the best day of your life or the worst, God has a good and exciting plan for your life. Just as God stayed with Luke in the good and bad of his life, he is confident that God will do the same for you as well.
