That person has a calling and acts on it knowing that there will be sacrifice, but in the end it will be worth it. A Christian missionary's job is to spread the good news and love of Jesus Christ. Is this the kind of writer you are or want to become? Do you have a message that you believe people need to hear regardless of the cost or do you want to write for the sake of writing to please yourself? Do you believe so strongly in your message that you are willing to sacrifice for it to be heard? If not, you will not reach the masses and your message will be drowned out with the thousand others who do not have this writers passion I am describing.
