free prophetic training manual: **Whats Your Word Level?** Prophet Ricky V. Dent, 2011

free prophetic training manual: **Young Invaders Course** Femi Reis, 2022-09-07 Invade, Conquer, Occupy! A close look at the church today might leave the average observer with more questions than answers, but for those who see with the eyes of faith, God is raising an army with whom He will advance His Kingdom in unprecedented ways. A good proportion of the Body are no longer content with business as usual, and are beginning to seek the reality that God's Word presents. Many of these hungry souls are young people who were born in church, and their quest for

reality has driven them in diverse directions, much to their own hurt. However, God acknowledges the hunger of their hearts and seeks to gather them into an army of young invaders that would advance Light in the midst of darkness and present to the world a Kingdom that is set to override all. From the commissioning of the church in the Book of Acts, it has always been clear that God has a frontline role for young people in the advancement of His Kingdom in this end-time. “‘And it shall come to pass in the last days,’ saith God, ‘I will pour out of my Spirit upon all flesh: your sons and your daughters shall prophesy, your young men shall see visions, and your old men shall dream dreams’” (Acts 2:17). The first group of people God singled out that would walk in the manifestations of the outpouring of His Spirit are “your sons and daughters”. God is out to enlist young boys and girls—teenagers and youths—for an end-time showdown that would never leave the church and the world the same. This course is a training to bring young hearts into battle formation for Kingdom takeover. This is not a nice regular Sunday school manual but a battle school curriculum to help raise an invading army of teenagers and youths who would escape the distractions of their time and engage in intentional Kingdom advancement with one clear goal in mind: Invade, Conquer, Occupy!

free prophetic training manual: *The New Apostolic Reformation, Trump, and Evangelical Politics* Damon T. Berry, 2023-06-29 Whilst many assume that conservative evangelical support for Trump is motivated by his position on social issues such as abortion and LGBTQ rights, or a nostalgia for an imagined American golden age, this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America. Damon T. Berry examines how leaders within the New Apostolic Reformation (NAR), a charismatically inclined Evangelical movement, claim their support for Trump came from alleged prophetic visions that

compelled them to defend Trump's candidacy, and to continue to defend his presidency, re-election against demonically inspired, Marxist, "Deep State" enemies. In this conspiratorial cosmology, spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God's anointed leader and war against malevolent, unpatriotic forces that oppose him, the nation, and God himself. Working from primary source materials produced by leading figures among the NAR, Berry argues that this conspiratorial discourse is central to NAR support for Trump's candidacy, presidency, and re-election effort, and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century.
