free study guide for the book of matthew: Saving Truth Study Guide Abdu Murray, 2018-12-04 How Christians can guard their own minds against the lies that surround us and defend truth and clarity to a world that rejects both. By accurately describing the Culture of Confusion, the rise of the post-truth mindset, and how it has affected our society, author Abdu Murray will awaken you and your group to the plight we find ourselves in and challenge Christians to steer away from contributing to such a culture by instead finding hope in the clarity that Christ offers. In this eight-session, video-based study (DVD/streaming video sold separately) is designed to take you deeper into the topic of meaning and clarity through personal reflection and Scripture engagement and will: Help you understand the post-truth mindset and how it infects and affects us all. Equip you with facts and knowledge about the various areas of life where we are steeped in a post-truth mindset and losing our bearings as a culture, specifically: our freedom, our humanity, our sexuality, faith and science, and religious pluralism. Explain how the message of Jesus can answer our deepest questions, and how the actions of Jesus can bring truth and clarity to a post-truth culture desperately in need of objective, biblical truth. Increasingly, Western culture embraces confusion as a virtue and decries certainty as a sin. Those who are confused about morality are progressive pioneers. Those who are confused about spirituality are praised as tolerant. And those who express certainty about any of these issues are seen as bigoted, oppressive, or intolerant. For individuals or groups who feel like they're enmeshed in the culture of confusion, the Saving Truth Study Guide sheds light on the way to see through the fog that surrounds us—by seeing Jesus and his message as the fixed point of reference that we so desperately need. free study guide for the book of matthew: 40 Poems of Praise and Inspiration Marcus Descant, 2023-06-26 40 Poems of Praise and Inspiration: Who Do You Say That I Am? is an easy-to-read book of Christian poetry. Writing this book fulfilled a personal goal of mine and has covered a span of forty years to completion. As you know, forty is a significant number in the Bible. There are over 150 times where the number forty is mentioned in the Bible, giving the number forty a great significance. For example: Moses and the Israelites wandered forty years in the desert; God destroyed the world in the great flood, lasting forty days and forty nights; Jesus wandered in the desert for forty days of prayer and fasting; and many more examples can be found. The format of the book is arranged in order to tell the story of Jesus's life on earth through poetry. It begins with His birth and progresses on to the resurrection and descent of the Holy Spirit. After each chapter, study guides have been developed for individual or group study, depending on the needs of the reader. This book can be read for enjoyment and also used to extend knowledge and reinforcement of Christian beliefs. Additionally, Christian schools, organizations, and prayer groups can use this book to help anyone wanting to deepen their relationship with God. It has been a joy to write this book, and I hope it is helpful for anyone wanting to develop a relationship with the Lord or strengthening the relationship they already have.
