**free youth ministry training online: Youth Ministry Bi-Vocational Survival Guide** Rick Flann, 2016-04-27 Youth Ministry Bi-Vocational Survival Guide is written specifically for the bi-vocational pastor and is chock-full of nuggets of gold. Authors Rick Flann and Chris Pope explain how to manage time well, prioritize effectively and lead in a way that empowers both the bi-vocational pastor and those they lead and care for on a daily basis. The Apostle Paul, a tent maker, was one of the greatest people ever to walk the face of this earth. He knew what his mission was and he was willing to do whatever it took to accomplish the task that God had set before him. Paul was bi-vocational. He proclaimed the Gospel, planted churches and pastored people, yet he never demanded his right to a paycheck from the church (1 Cor 9:12). Maybe you are a modern day tent

maker, but unlike the Apostle Paul who always seemed to come out on top as a spiritual super star, you are sinking under the pressures of multiple jobs (both inside and outside of the church), school, family, or countless other obligations that you face each and every day. Take courage and know that you are not alone! The Youth Ministry Bi-Vocational Survival Guide was developed especially with you in mind, to enable you to succeed and still minister effectively to those you are leading.

**free youth ministry training online: The Skinny on Volunteers** Jonathan McKee, Danette Matty, 2015-05-28 A youth ministry needs a solid group of volunteers to be truly effective. We youth workers all know this—but how do we make it happen? Let's be honest: Many of us don't do a great job of mobilizing volunteers and equipping them for ministry. Our plate is already full, and building a great team sounds like yet another task to add to the list. But what if your efforts to mobilize and equip volunteers actually lightened your schedule? What if this investment of time actually paid back double, quadruple, or even tenfold? The Skinny on Volunteers will help you concentrate on three simple skills that will help you build a crew of effective leaders: recruiting, keeping, and training volunteers. Yes, volunteers take time. But you'll discover the rewards of investing in a team of people who will love teenagers, connect with them, and disciple them.

**free youth ministry training online: Y Is For Youth Worker** Erik Williams, 2013-09-04 Do you remember learning the alphabet as a little kid? "A is for apple, B is for banana, C is for carburetor..." OK, maybe it wasn't quite like that for you, but as a child you did discover that knowing the alphabet made it possible to read and write. So what about the ABCs of youth ministry? What essential ideas make it possible to meaningfully minister to teenagers? Y Is for Youth Worker will take you from the alpha to the omega of the English language, and at each stop along the way you'll experience a dose of the humor and insight of veteran youth worker Erik "With a K" Williams. This book is filled with amusing anecdotes and insightful ideas that you can use right away. Find the things you like and circle them, jot them down, or add them to your idea file. You'll even find some small group lessons and an outline for an outreach event. Whether you're a full-time youth pastor, a part-time youth worker, or a devoted youth ministry volunteer, Y Is for Youth Worker will entertain, encourage, and equip you.
