french quiz for beginners: **Lotus Bloom and the Afro Revolution** Sherri Winston,

2022-09-06 Longlisted for the National Book Award for Young People's Literature Member of the 2023 Notable Books for a Global Society (NGBS) List From the beloved author of *President of the Whole Fifth Grade*, a story about a young Black girl who summons the courage to fight against a discriminatory dress code--and stand up for herself. Lotus Bloom just wants to express herself--with her violin, her retro style, and her peaceful vibe, not to mention her fabulous hair. This school year, Lotus is taking her talent and spirit to the seventh grade at a new school of the arts. The one where she just might get to play under the famous maestro, a violin virtuoso and conductor of the orchestra. But Lotus's best friend, Rebel, thinks Lotus should stay at their school. Why should this fancy new school get all the funding and pull the brightest kids out? Rebel wants Lotus to help her protest, but Lotus isn't sure. If she's going to be in the spotlight, she'd rather it be for her music. Then, when boys throw paper wads and airplanes into Lotus's afro, Lotus finds herself in trouble for a dress code violation. Lotus must choose--should she stay quiet and risk her beloved hair, or put aside her peaceful vibe and risk everything to fight back? Inspired by real stories of Black girls fighting dress codes that discriminate against their hair and culture, beloved author Sherri Winston introduces a memorable character who finds her way to speak up for what's right, no matter what it takes.

french quiz for beginners: *Elliot Allagash* Simon Rich, 2016-05-22 Fellow high school losers, use your video game money to buy this book! Simon Rich will make you relive the dread, the hilarity, and the insanity of those formative years like no one else. Open at your own peril!—Gary Shteyngart There are things money can't buy: integrity, honor, discipline. Unfortunately for Seymour Herson, he's got a more pressing matter at hand: surviving eighth grade. He's dead last in just about everything at Glendale, the Manhattan private school his parents are working so hard to keep him in. His grades are so low a C warrants a celebration. His athletic skill is limited to how much chocolate milk he can drink in one sitting. You'd think someone with such a natural knack for underachieving could at least have a pretty good social life, but Seymour's more familiar with the lockers he's been stuffed in than the kids they belong to. To top it off, being bullied constantly lands him in detention along with his tormentors. His newest? Elliot Allagash, heir to the Allagash fortune, descendant of the inventor of paper, particularly talented at pushing kids down the stairs. But Elliot's interest seems to go beyond run-of-the-mill bullying. Bored with being forced to study alongside commoners, Elliot sees a golden opportunity to bring chaos to Glendale's entire social order: Seymour. Set on transforming Seymour into the most popular and successful kid in school, Elliot takes matters into his own evil little hands. With his vast amount of money and questionable connections, making Elliot a superstar should be a piece of cake. If a few lives get ruined in the

process, that's just a happy little coincidence. If only Seymour wasn't so dead set on being nice. "Reading this hilarious morality tale about the cost of that popularity makes me happy that I went through my high school years as an outsider. And it makes me even happier that Simon Rich did."—Seth Meyers I found Simon Rich's first novel, about an evil teenage billionaire, to be suspenseful and hilarious. I am so glad I don't have to lie in this blurb like I usually do.—Judd Apatow
