Our awkward silence reveals the gap that exists between what we are and what we know we should be. But God loves those awkward moments, Sammy Rhodes argues, because they are precisely where we find connection with God and one another. In *This Is Awkward*, Rhodes talks directly, honestly, hilariously about the most painfully uncomfortable subjects in our lives. friday night lights quiz: 500 Questions and Answers on Chanukah Jeffrey M. Cohen, 2006 This book is probably the most comprehensive and detailed treatment of the festival of Chanukah in the English language. It commences by placing the festival in its historical context by surveying the history of the Jewish people from Abraham until Alexander, and proceeds to explain the origin, nature and ramifications of Hellenism and the spiritually corrosive effects it had on Judea. Rabbi Jeffrey Cohen employs his customary analytical approach in looking at the classical sources afresh in order to describe the stages of the Maccabean revolt and the reoccupation and cleansing of the Temple. A major question that he addresses is how such a unique military victory could have been so down-played in Jewish tradition to the extent that the miracle of the oil, rather than the courageous Maccabean exploits, has become the popular rationale of the entire festival. The author provides an encyclopaedic treatment of the festival, embracing its development and history, philosophy, theology, rabbinic insights into the festival, its laws (including women's obligations) and customs, its celebration in home and synagogue, its observance among exotic Jewish communities, as well as quiz questions and activities for the younger reader.

friday night lights quiz: Out East John Glynn, 2019-05-14 An extraordinary debut memoir of first love, identity, and self-discovery among a group of friends who became family in a Montauk summer house (Andrew Solomon, National Book Award winner). They call Montauk the end of the world, a spit of land jutting into the Atlantic. The house was a ramshackle split-level set on a hill, and each summer thirty-one people would sleep between its thin walls and shag carpets. Against the moonlight the house's octagonal roof resembled a bee's nest. It was dubbed The Hive. In 2013, John Glynn joined the share house. Packing his duffel for that first Memorial Day Weekend, he prayed for clarity. At twenty-seven, he was crippled by an all-encompassing loneliness, a feeling he had carried in his heart for as long as he could remember. John didn't understand the loneliness. He just knew it was there. Like the moon gone dark. Out East is the portrait of a summer, of The Hive and the people who lived in it, and John's own reckoning with a half-formed sense of self. From Memorial

Day to Labor Day, The Hive was a center of gravity, a port of call, a home. Friendships, conflicts, secrets and epiphanies blossomed within this tightly woven friend group and came to define how they would live out the rest of their twenties and beyond. Blending the sand-strewn milieu of George Howe Colt's *The Big House* with the radiant aching of Olivia Liang's *The Lonely City*, *Out East* is a keenly wrought story of love and transformation, longing and escape in our own contemporary moment. An unforgettable story told with feeling and humor and above all with the razor-sharp skill of a delicate and highly gifted writer. -- André Aciman, New York Times bestselling author of *Call Me by Your Name* *Out East* is full of intimacy and hope and frustration and joy, an extraordinary tale of emotional awakening and lacerating ambivalence, a confession of self-doubt that becomes self-knowledge. -- Andrew Solomon, National Book Award winner *An* Entertainment Weekly Best Book of May 2019A Time magazine Best Book of May 2019Cosmopolitan Best Book of May 2019An O, the Oprah Magazine Best LGBTQ Book of 2019
