Cole Benton III, the ruthless CEO of the Benton Worldwide hotel empire, calls me into his glass office overlooking the Vegas skyline, demanding to know why I stole all the money from one of his grandmother's charity funds. I can't tell him that. "You are aware that I could have you fired, arrested, or worse," he asks, his voice like black ice. Clearly dangerous. Gulp. hypothetical questions for couples spicy: *Beautiful Trauma* Jillian MacGregor, 2023-08 Are you ready for the ultimate friends-to-lovers romance? Cee: I didn't think a single night at a concert could be life-changing, but here we are. My ex-roommate Mish is dating the lead singer of the band and I'm working as their assistant. When Mish moved out my best friend, Elijah, moved in and after years of being friends, we've completed the romance trope and become lovers. But every romance has a third act calamity that threatens the couple. We aren't any different; I guess. Sergio: I'm the drummer in the band, and I'm a sucker for a spicy romance. Long rides on tour buses get boring so besides having Cee fill my e-reader with books, when she's on the bus with us, I make her tell me the story of her and Eli. Because when I met her not that long ago, we had a hot one-night stand and, truth be told, I'm a bit jealous he got her first. But when things go sideways, I promise both of them

I'll make sure everything goes to plan so Cee can have her Happily Ever After. Beautiful Trauma is the heart-wrenching third book in the All Over You series. Each book can be read standalone, but, like this group of friends, are better together. (Note: Beautiful Trauma includes content that may not be suitable for readers under 18. hypothetical questions for couples spicy: Perv Jesse Bering, 2013-10-08 As a sex writer, Jesse Bering is fearless—and peerless. —Dan Savage You are a sexual deviant. A pervert, through and through. We may not want to admit it, but as the award-winning columnist and psychologist Jesse Bering reveals in *Perv*, there is a spectrum of perversion along which we all sit. Whether it's voyeurism, exhibitionism, or your run-of-the-mill foot fetish, we all possess a suite of sexual tastes as unique as our fingerprints—and as secret as the rest of the skeletons we've hidden in our closets. Combining cutting-edge studies and critiques of landmark research and conclusions drawn by Sigmund Freud, Alfred Kinsey, and the DSM-5, Bering pulls the curtain back on paraphilias, arguing that sexual deviance is commonplace. He explores the countless fetishists of the world, including people who wear a respectable suit during the day and handcuff a willing sexual partner at night. But he also takes us into the lives of erotic outliers, such as a woman who falls madly in love with the Eiffel Tower; a pair of deeply affectionate identical twins; those with a particular penchant for statues; and others who are enamored of crevices not found on the human body. Moving from science to politics, psychology, history, and his own reflections on growing up gay in America, Bering confronts hypocrisy, prejudice, and harm as they relate to sexuality on a global scale. Humanizing so-called deviants while at the same time asking serious questions about the differences between thought and action, he presents us with a challenge: to understand that our best hope of solving some of the most troubling problems of our age hinges entirely on the amoral study of sex. As kinky as it is compassionate, illuminating, and engrossing, *Perv* is an irresistible and deeply personal book. I can't promise you an orgasm at the end of our adventure, Bering writes, but I can promise you a better understanding of why you get the ones you do.

hypothetical questions for couples spicy: Little Emperors and Material Girls Jemimah Steinfeld, 2015-02-28 China is the world's fastest-growing economic powerhouse. But behind the headlines a once-in-a-generation sexual and cultural revolution is taking place - all in the bars, cafes and streets of China's growing mega-cities. Welcome to this new China. Writer and journalist Jemimah Steinfeld meets the young people behind the world's fastest-moving nation to unveil their attitudes towards love, life and sexuality. Young Chinese have new words to describe the world they live in: 'little emperors' - single men who have grown up under the one child policy - they're bossy and selfish; 'bare branches' - those without children; 'leftovers' - women over twenty-six who aren't married; 'comrade' - how the gay community identifies itself; 'love markets' - weekend gatherings across China where parents attempt to find husbands and wives for their children, and others show up to match-make young singles and even offer boyfriends for hire. Jemimah Steinfeld introduces the people at the heart of this world, from the woman starting China's first online dating agency to the mistresses of the rich and powerful; from the company trying to sell sex toys to China's middle-classes to the sino-punks of Beijing's bar scene. *Little Emperors and Material Girls* is the

Morton, 2021-04-20 Upward mobility through the path of higher education has been an article of faith for generations of working-class, low-income, and immigrant college students. While we know this path usually entails financial sacrifices and hard work, very little attention has been paid to the deep personal compromises such students have to make as they enter worlds vastly different from their own. Measuring the true cost of higher education for those from disadvantaged backgrounds, *Moving Up without Losing Your Way* looks at the ethical dilemmas of upward mobility--the broken ties with family and friends, the severed connections with former communities, and the loss of identity--faced by students as they strive to earn a successful place in society--Dust jacket.
