i found the answer i learned to pray: *Happy Grandparents Day* Cecilia Hood Ceewee, 2023-02-01 Again and again! And again I thank everyone and all that have made time out of their busy schedules, to work together on a new book. I thank everyone! That may or may not have the money to purchase the book, And still enjoy each and every word especially if in your bones you just know it has something you can relate too. Especially the word of our Lord. Enjoy every piece of art. And then some humor, I did not know was still in me, thankfully 2 share it also. The book is about our Lord and how only his grace and most mercies have yet again woke me up, and being a part of attributing his word, from his! Word the KJV= King James version of the bible, and then in my blessed words by way of his daily experience in one salvation and life, good bad happy, happier and sad, and light stress mmm.... back to happiness, nobody but Jesus. " The book is also dedicated to all grandparents, past present & and future. " I am merely clay, and thank God!! He is still the potter, all glory be to God and his son Jesus. The book is also about how in these ever changing years it is ok to have a personal relationship with our Lord, when for whatever reason one is not able to get to the sanctuary. He is right there in heart. It is how four growing children and now adults MIED still call this somewhat loving wretch, mother and mama, maybe even friend and I would not trade them for anything, other than them all over again. I love you four and 11 dearly and Jesus will always love each of you more. P. S. With as much truth and honesty from one person to others. Love ya! And let's keep praying for ourselves, and as many as our hearts and hands can handle. Thankful 2 be an author, Cecilia Hood Ceewee.
