

i fought the law bobby fuller

i fought the law bobby fuller is a phrase that immediately evokes the iconic 1960s rock and roll scene and the tragic story behind one of the era's memorable hits. This song, originally written by Sonny Curtis of The Crickets, gained widespread fame through Bobby Fuller's energetic and distinctive cover version. The track became a defining moment in Fuller's career, showcasing his unique blend of rock and roll and surf rock influences. This article delves into the background of "I Fought the Law," the rise of Bobby Fuller and his band, the details surrounding the song's success, and the mysterious circumstances of Fuller's untimely death. Readers will gain a comprehensive understanding of why "I Fought the Law Bobby Fuller" remains a significant cultural and musical reference even today.

- Origins of "I Fought the Law"
- Bobby Fuller and The Bobby Fuller Four
- Recording and Success of "I Fought the Law"
- Musical Style and Influence
- Tragic Death of Bobby Fuller
- Legacy and Cultural Impact

Origins of "I Fought the Law"

The song "I Fought the Law" was originally penned by Sonny Curtis in 1958 while he was a member

of The Crickets, the band famously associated with Buddy Holly. The lyrics tell the story of a man who turns to crime, only to be caught and regret his rebellion against the law. The track was first recorded by The Crickets in 1959 but did not achieve significant commercial success at the time. Over the years, "I Fought the Law" became a popular song for cover versions, eventually catching the attention of Bobby Fuller.

Songwriting and Early Versions

Sonny Curtis wrote "I Fought the Law" inspired by the themes of youthful rebellion and consequences. The Crickets' initial recording was characterized by a rockabilly style typical of the late 1950s. Other artists, such as The Bobby Fuller Four and later The Clash, would reinterpret the song, each bringing their own flavor and revitalizing its popularity for new audiences.

Bobby Fuller and The Bobby Fuller Four

Bobby Fuller was an American rock musician and bandleader known for his distinctive guitar sound and youthful energy. Forming The Bobby Fuller Four in the early 1960s, he quickly became a notable figure in the Southern California music scene. The band combined elements of rock and roll, surf rock, and pop, creating a sound that resonated with the teen audience of the time.

Formation and Early Career

Bobby Fuller started his musical career as a teenager in El Paso, Texas. After relocating to Los Angeles, he assembled a group of talented musicians, including his brother Randy Fuller on bass. The Bobby Fuller Four gained local popularity with several smaller hits before recording "I Fought the Law," which would become their signature song.

Band Members and Contributions

- Bobby Fuller – lead vocals and guitar
- Randy Fuller – bass guitar and backing vocals
- DeWayne Quirico – drums
- Jim Reese – guitar and backing vocals

Each member contributed to the energetic and tight sound that defined the band's recordings, especially on "I Fought the Law."

Recording and Success of "I Fought the Law"

The Bobby Fuller Four recorded their version of "I Fought the Law" in 1965, delivering a faster tempo and a more aggressive rock sound compared to previous versions. The recording captured the rebellious spirit of the 1960s youth culture and quickly gained traction on the radio.

Production Details

Recorded in California, the track featured Fuller's signature fuzz guitar tone and catchy vocal delivery. Producer Bob Keane helped shape the sound to maximize its commercial appeal. The single was released in 1966 and became a national hit, peaking within the Top 10 on Billboard charts.

Chart Performance and Reception

"I Fought the Law" by Bobby Fuller Four reached number 9 on the Billboard Hot 100, marking the band's biggest success. The song received widespread acclaim for its memorable riff and sing-along chorus. It became a staple on AM radio stations and helped cement Bobby Fuller's place in rock history.

Musical Style and Influence

Bobby Fuller's rendition of "I Fought the Law" is notable for its fusion of rock and roll with surf rock elements, particularly the use of reverb-heavy guitars and a driving rhythm section. This blend helped differentiate the track from earlier versions and inspired many subsequent artists.

Instrumentation and Sound Characteristics

- Fuzz-distorted lead guitar riffs
- Strong backbeat with energetic drumming
- Catchy vocal hooks and harmonies
- Surf rock influenced guitar tones

These elements created a high-energy sound that appealed to teenagers and young adults, contributing to the song's enduring popularity.

Influence on Later Artists

The success of "I Fought the Law" helped popularize a gritty, rebellious rock sound that influenced bands in the punk and garage rock movements. Notably, The Clash covered the song in 1979, introducing it to a new generation and solidifying its status as a rock anthem.

Tragic Death of Bobby Fuller

Bobby Fuller's promising career was tragically cut short when he died under mysterious circumstances in 1966 at the age of 23. His death remains a subject of speculation and intrigue among music historians and fans.

Circumstances Surrounding His Death

Fuller was found dead in his car in Los Angeles, with the cause of death officially ruled as suicide by carbon monoxide poisoning. However, many believe foul play was involved due to inconsistent reports and rumors of conflicts within the music industry and possible mob connections.

Impact on the Band and Music Community

The sudden loss of Bobby Fuller devastated his bandmates and fans. The Bobby Fuller Four disbanded shortly after his death, and the music community mourned the loss of a talented young artist with significant potential.

Legacy and Cultural Impact

"I Fought the Law Bobby Fuller" remains an influential piece of rock history, celebrated for its energetic sound and emblematic lyrics. The song has been covered by numerous artists and featured in various films, television shows, and commercials, ensuring its continued relevance.

Enduring Popularity

Despite the decades that have passed, the song continues to resonate with audiences due to its timeless theme of rebellion and consequence. Bobby Fuller's version is often cited as the definitive rendition, showcasing his skill as a musician and performer.

Recognition and Honors

- Inclusion in numerous "Best of" rock song lists
- Induction of Bobby Fuller into regional music halls of fame
- Continued airplay on classic rock radio stations
- Tributes by contemporary musicians and cover bands

The legacy of Bobby Fuller and his iconic version of "I Fought the Law" endures as a testament to the power of rock and roll and its ability to capture the spirit of its time.

i fought the law bobby fuller: *Encyclopedia of Pop Music Aliases, 1950-2000* Bob Leszczak, 2014-12-11 Recording Artists don't always enjoy success with their first release. A hit record relies on any number of factors: the right song, a memorable performance, a healthy promotional budget, great management, a spot of luck, and even some intangibles. Take choice of a name. For a single artist, duo, vocal group or band, the name can carry a lot of weight. Some recording artists changed their name to appeal to an entirely different demographic, like when country superstar Garth Brooks recorded as Chris Gaines to score on the pop charts. The Beefeaters became the Byrds—and they spelled the band name with a y in the wake of the meteoric success of the Beatles, whose letter A turned the image of a nasty bug into something intriguing. Paul Simon and Art Garfunkel amassed a litany of aliases—Simon went by True Taylor, Jerry Landis, and Paul Kane; Art Garfunkel as Artie Garr; together they were Tom & Jerry before finally using their very ethnic-sounding given names. Bob Leszczak has amassed several hundred examples of musical pseudonyms in *The Encyclopedia of Pop Music Aliases, 1950-2000*, describing the history of these artists from their obscure origins under another name to their rise to prominence as a major musical act. Music trivia buffs, rock historians, and popular music fans will uncover nugget after nugget of eye-opening information about their favorite acts and perhaps learn a thing or two about a number

of other acts. Leszczak goes the extra yard of gathering critical data directly from many of these famous recording artists through in-person interviews and archival research. Whether skipping around randomly or reading from cover-to-cover, readers will find *The Encyclopedia of Pop Music Aliases, 1950-2000* a must-have for that music library.

i fought the law bobby fuller: 100 Greatest Cover Versions Robert Webb, 2013-07-15 Which Blondie Top Five was originally a flop for a West Coast power pop band? Who wrote Alice Cooper's 1973 hit 'Hello Hurray', and which folk singer first recorded it? Who launched their career with a tear and a cover of a little known Prince song? Where was Joe Cocker sitting when he came up with the idea of covering 'With a Little Help from my Friends?'. Everybody likes a good song and a good story. The 100 Greatest Cover Versions traces the histories of some of the great songs you may know only as second-hand recordings and explores some unusual and creative takes on a few of pop's well-known tracks. Based on the Independent's popular long-running Story of the Song column, this collection features previously unpublished pieces alongside fully expanded, updated stories. Robert Webb details the background to each song how it was written, who first recorded it and how it came to be covered and explains how, in some cases, the cover version has become more popular than the original. Artists range from Patti Smith to the Happy Mondays, David Bowie to Florence + the Machine, and Stevie Wonder to Robert Wyatt. The book also includes additional further listening suggestions and a bonus track. Whether you download, rip from CD or stream your music, the Ultimate Playlist series provides the perfect accompaniment to your personal compilation. The series aims to guide listeners through large and often bewildering back catalogues of the major artists as well as key genres and styles in popular music. If you love music and you enjoy knowing more about the history behind some of pop's greatest songs, then you will love this book.

i fought the law bobby fuller: New York Rock Steven Blush, 2016-10-04 Steven Blush's *New York Rock* presents the definitive history of a key period in rock 'n' roll, from new wave to no wave, punk to punk revival, from the bestselling author of *American Hardcore*. As a city that represents endless possibilities, New York has been the setting for the dawning of new movements, styles, and genres. In the 20th century, the birth of Rock represented a connection between art forms and the city's socioeconomic, racial, and sexual variants. *New York Rock* breaks down the rock scene's half-century connection to New York and analyzes its distinct subculture through the prism of influences, crosscurrents and psychoactive distractions. Over 1,500 musicians, clubs, and labels, from Madonna to the Ramones, held roles in the making of New York Rock, and it's their contributions that created this iconic art form. A compilation of firsthand narratives about each genre of rock, from Punk New Wave and Glitter Rock to New York Hardcore and Indie rock, *New York Rock* is the ultimate illustrated account of Rock's role in New York City.

i fought the law bobby fuller: **Fourteen Unsung Pioneers of Early Rock and Roll Who Didn't Get Their Due** Dick Stewart, 2020-06-08 This book is a follow-up to *Eleven Unsung Heroes of Early Rock and Roll* about historic contributions by eleven artists you have never heard of unless you're an ardent fan of early rock and roll. This time around it's about fourteen artists who helped define the early roots of rock and roll with their historic pioneering contributions, but were never given the credit for doing so because something got in their way. With the exception of one individual, all were aspiring artists who gave their all in trying to record a hit 45 rpm vinyl record that would give them some notable household-name recognition, and they rubbed shoulders with major artists to help get the job done. The non-musician, however, had no interest in making a hit record, but the fact that this individual emceed perhaps the most famous rock-and-roll music event that became known as "the day the music died," is as good as it gets for a meaningful historic contribution.

i fought the law bobby fuller: I Wanna be Me Theodore Gracyk, 2001 Gracyk grapples with the ways that rock shapes--limits and expands--our notions of who we can be in the world. [He] sees rock as a mass art, open-ended and open to diverse (but not unlimited) interpretations. Recordings reach millions, drawing people together in communities of listeners who respond viscerally to its sound and intellectually to its messages. As an art form that proclaims its emotional authenticity and resistance to convention, rock music constitutes part of the cultural apparatus from which individuals mold personal and political identities. Going to the heart of this relationship between the music's role in its performers' and fans' self-construction, Gracyk probes questions of gender and appropriation. How can a feminist be a Stones fan or a straight man enjoy the Indigo Girls? Does borrowing music that carries a racial identity always add up to exploitation, a charge leveled at Paul Simon's Graceland? Rang[es] through forty years of rock history and offer[s] a trove of anecdotes--Publisher description.
