

i let my husband cheat

i let my husband cheat is a deeply complex and emotionally charged situation that affects many relationships. Understanding why someone might allow or tolerate infidelity is crucial for addressing the underlying issues in a marriage. This article explores the psychological, emotional, and social factors that contribute to such decisions, as well as the consequences and coping mechanisms involved. By examining these aspects, individuals can gain insight into the dynamics of infidelity and its impact on both partners. Additionally, this content delves into the potential paths forward after infidelity has been discovered or admitted. The following sections provide a comprehensive overview of this sensitive topic.

- Reasons Behind Allowing Infidelity
- Emotional Impact of Letting a Spouse Cheat
- Consequences on the Marriage and Family
- Communication and Coping Strategies
- Possible Paths Forward After Infidelity

Reasons Behind Allowing Infidelity

When someone admits, "i let my husband cheat," it often reflects a complex interplay of emotional, psychological, and situational factors. Understanding the reasons behind permitting or tolerating a spouse's infidelity can provide valuable context for healing or decision-making.

Fear of Confrontation or Conflict

One common reason people allow infidelity is the fear of confrontation or escalating conflict. Avoiding arguments or emotional pain can lead to a passive acceptance of cheating, especially if previous attempts to discuss issues have been unproductive or hostile.

Hope for Relationship Preservation

Some individuals tolerate infidelity because they hope to preserve the

marriage or family unit. This hope can stem from shared history, children, financial considerations, or social pressures, motivating them to overlook cheating in pursuit of long-term stability.

Low Self-Esteem or Feelings of Inadequacy

Low self-esteem or feelings of personal inadequacy may cause someone to believe they cannot do better or deserve loyalty. These feelings can result in tolerating a partner's unfaithfulness and rationalizing the behavior as their own fault.

Complex Emotional Attachment

Strong emotional attachment and love for the spouse can make it difficult to take decisive action against infidelity. The emotional bond may overshadow the betrayal, leading to a reluctant acceptance of the situation.

Pragmatic Considerations

Practical factors like financial dependency or concern for children's well-being often influence decisions to tolerate cheating. These considerations can create a sense of obligation to maintain the relationship despite unfaithfulness.

Emotional Impact of Letting a Spouse Cheat

The emotional toll of allowing a husband to cheat is significant and multifaceted. It affects self-worth, trust, and overall mental health in profound ways.

Feelings of Betrayal and Hurt

Even when infidelity is tolerated, feelings of betrayal and emotional pain are almost always present. These emotions can simmer beneath the surface, leading to ongoing distress and unresolved resentment.

Confusion and Self-Doubt

Allowing a partner to cheat often results in confusion about one's feelings, self-doubt, and questioning of personal value. This internal conflict can create a cycle of emotional turmoil and indecision.

Impact on Mental Health

Depression, anxiety, and lowered self-esteem are common mental health challenges faced by individuals who let their spouse cheat. The chronic stress associated with infidelity can exacerbate these conditions.

Emotional Numbness or Detachment

To cope with the pain, some individuals emotionally detach or become numb. This defense mechanism can protect against immediate hurt but may impair emotional intimacy in the relationship.

Consequences on the Marriage and Family

Allowing infidelity has significant consequences not only for the marriage but also for the broader family dynamic. These effects can be long-lasting and complex.

Erosion of Trust

Trust is foundational to any healthy relationship. Permitting cheating can weaken or destroy this trust, making future reconciliation challenging.

Impact on Communication

Infidelity often leads to breakdowns in communication. Partners may avoid discussing important issues, leading to misunderstandings and increased emotional distance.

Effect on Children

Children can be indirectly affected by parental infidelity, experiencing confusion, insecurity, or emotional stress as a result of family instability.

Social and Community Repercussions

Within social or community circles, infidelity can result in judgment, stigma, or isolation, which may further complicate the couple's situation.

List of Common Consequences

- Loss of intimacy and emotional connection
- Increased risk of separation or divorce
- Financial strain due to legal or counseling expenses
- Emotional distress for all family members
- Potential impact on social reputation

Communication and Coping Strategies

Effective communication and coping mechanisms are essential when dealing with the fallout of allowing a spouse to cheat. These strategies can facilitate healing or informed decision-making.

Open and Honest Dialogue

Engaging in honest conversations about feelings, expectations, and boundaries is crucial. Transparency can help rebuild trust or clarify the situation.

Seeking Professional Support

Counseling or therapy provides a safe space to explore emotions and

relationship dynamics. Professional guidance can assist couples in navigating infidelity's complexities.

Setting Boundaries

Establishing clear boundaries regarding acceptable behavior and consequences helps define relationship expectations moving forward.

Self-Care and Emotional Support

Prioritizing self-care and seeking support from trusted friends or support groups can mitigate emotional distress and foster resilience.

Steps to Improve Communication

1. Listen actively without interrupting
2. Express feelings using "I" statements
3. Avoid blame or accusations
4. Set regular times for meaningful conversations
5. Agree on mutual goals for the relationship

Possible Paths Forward After Infidelity

After allowing a husband to cheat, couples face various options for moving forward. Each path requires careful consideration of emotional needs, relationship goals, and practical realities.

Rebuilding the Relationship

Some couples choose to work through infidelity by rebuilding trust and strengthening their bond. This process often involves therapy, renewed commitment, and consistent effort.

Separation or Divorce

For others, separation or divorce may be the healthiest option. Ending the marriage can provide relief from ongoing pain and create space for personal growth.

Redefining the Relationship

In some cases, couples redefine their relationship terms, such as through open relationships or negotiated boundaries. This approach requires clear communication and mutual consent.

Personal Growth and Healing

Regardless of the chosen path, focusing on personal growth and emotional healing is vital. Developing self-awareness and resilience supports long-term well-being.

Frequently Asked Questions

Why do some people let their husbands cheat?

Some individuals may allow their husbands to cheat due to complex emotional reasons such as fear of losing the relationship, low self-esteem, cultural or religious beliefs, or a desire to maintain family stability.

What are the emotional impacts of letting my husband cheat?

Allowing a husband to cheat can lead to feelings of betrayal, low self-worth, anxiety, depression, and confusion, but some may also feel numb or detached as a coping mechanism.

Can a marriage survive if I let my husband cheat?

Yes, some marriages can survive infidelity if both partners engage in open communication, seek counseling, and work to rebuild trust and commitment.

How can I cope with the pain of my husband cheating

when I have chosen to let it happen?

Coping strategies include seeking therapy or support groups, practicing self-care, setting personal boundaries, and communicating honestly with your partner about your feelings.

Is it healthy to let my husband cheat without confronting him?

Ignoring or allowing infidelity without addressing it can be emotionally damaging and may prevent healing; it's important to confront the issue to understand your feelings and decide on the future of the relationship.

What are some reasons a woman might allow her husband to cheat?

Reasons can include hoping to keep the family together, financial dependence, fear of confrontation, cultural or societal pressures, or unresolved personal issues.

How do I rebuild trust after letting my husband cheat?

Rebuilding trust requires honest communication, setting clear boundaries, seeking professional counseling, and both partners committing to transparency and change.

Can letting my husband cheat ever be empowering?

For some, accepting infidelity and making conscious choices about the relationship can feel empowering, as it reflects control over their own emotions and decisions.

Should I seek professional help if I let my husband cheat?

Yes, professional counseling can help process emotions, provide guidance on relationship dynamics, and support personal healing regardless of the decision you make.

Additional Resources

1. When Trust Breaks: Coping with Infidelity

This book explores the emotional turmoil and challenges faced when a spouse cheats. It offers practical advice on processing feelings of betrayal and rebuilding self-esteem. Readers will find guidance on whether to rebuild the

relationship or move forward independently.

2. Choosing Forgiveness: Healing After Your Partner's Affair

A compassionate guide that helps readers navigate the path toward forgiveness after infidelity. It delves into the complexities of forgiveness and how it can contribute to personal healing and possibly restoring the marriage. The book includes real-life stories and therapeutic exercises.

3. Love in the Aftermath: Reclaiming Yourself Post-Cheating

This title focuses on self-discovery and empowerment after experiencing a partner's infidelity. It encourages readers to find strength through adversity and rediscover their identity outside of the relationship. Practical tips and motivational insights help foster resilience and growth.

4. When She Let Him Go: Stories of Acceptance and Renewal

A collection of true stories from women who allowed their husbands to cheat and chose different paths afterward. The book highlights the diversity of responses—from forgiveness to separation—and the lessons learned. It provides perspective on acceptance and personal renewal.

5. The Silent Surrender: Understanding Why Some Women Allow Infidelity

This book investigates the psychological and social reasons behind why some women tolerate their husbands' cheating. It offers a thoughtful analysis of cultural, emotional, and relational factors. Readers gain insight into patterns of behavior and options for change.

6. Boundaries and Betrayal: Reclaiming Power After Infidelity

Focusing on setting healthy boundaries, this book empowers readers to regain control after their spouse's betrayal. It discusses how to communicate needs effectively and protect emotional well-being. The book also covers strategies for rebuilding trust or deciding to part ways.

7. From Pain to Peace: A Journey Through Marital Infidelity

A heartfelt narrative that guides readers through the stages of grief, anger, and eventual peace after discovering a partner's affair. It emphasizes emotional healing and self-care practices. The book offers hope for healing whether readers choose reconciliation or separation.

8. Letting Go and Moving On: Life Beyond a Cheating Spouse

This book provides support and advice for those deciding to leave a marriage affected by infidelity. It covers practical matters such as co-parenting, financial independence, and rebuilding a social life. Readers are encouraged to embrace new beginnings with confidence.

9. Unspoken Truths: The Hidden Dynamics of Infidelity in Marriage

Delving into the underlying causes and consequences of cheating, this book uncovers the often unspoken issues in relationships. It helps readers understand both partners' perspectives and the complex emotional landscape. The book aims to foster empathy and informed decision-making.

Pray and then watch as God transforms your husband into your family's spiritual leader. By helping your husband become a mighty man of God, you will also reap family blessings for generations to come. Start today! God is waiting to hear from you.

i let my husband cheat: Let's Cheat Gene Taylor, 2013-01-16 After nine years, Bradley Moore and Dr. Matt Sharp are a little too secure in their relationship. In fact, they're in a rut. But when the founder of Bradley's law firm asks him to establish a branch office in Los Angeles, their predictable lives take a sharp left turn. Matt can't just pick up and follow—there's seniority and tenure to think about. If Matt stays in New York, they need a way to keep the spark alive. After racking his brain for a way to save their marriage, Matt finally suggests they cheat—with each other. Before Bradley leaves, he and Matt take on New York City. They meet in unusual locations, play dress-up, and pretend to be strangers, all in the interest of spicing up their sex life. Their senses of humor and vivid imaginations lead to some interesting cheating—and occasionally get them into trouble. Then Bradley moves to LA and becomes distracted by the lights of Hollywood. With him gone, the opportunity is ripe for Matt's stalker to step in. Matt thought he and Bradley were doing well, but now Bradley's gone when Matt needs him most.

i let my husband cheat: The Cheat Sheet Rea Frey, 2011-05-18 So you think he's cheating? This book gives you simple yet versatile tools—from lists of telling clues to stealthy cell phone apps—that will help you confirm your suspicions or ease your fears. Expert authors Rea Frey and Stephany Alexander pair online savvy with the tips and tricks of a private investigator, priming you to outwit your man—no matter how sneaky he's been. You'll get inside his head to learn everything there is to know about where he's been and what you need to do next. When you're done, you'll know: How to catch him in the act Which rules cheaters live by When there's a way to forgive When there's no choice but to forget With this book, you'll know when he cheats, how to catch him red-handed, and where to find a relationship that will make you happy for a lifetime.

i let my husband cheat: He Cheated, She Cheated, We Cheated Ebony A. Utley, 2019-07-30 Infidelity raises questions: Why do women stay with a cheater? Why do women cheat? Why do women become the Other Woman? How do past experiences with infidelity impact future relationships? Drawing on interviews with U.S. women of various ages, racial backgrounds, educational attainments, and sexual orientations, this insightful study examines their personal experiences of being cheated on, cheating, being the Other Woman, or some combination of the three. Always engaging and equal parts uplifting and dispiriting, their narratives range from all-too-familiar stories to unconventional perspectives on love, life, and interpersonal communication.

i let my husband cheat: Secret Lives of Cheating Wives Curtis Bunn, 2016-12-06 Delve into the minds of several frisky women who are willing to risk it all in the pursuit of pleasure from bestselling author Curtis Bunn. With sensual language and a unique understanding of women, The Secret Lives of Cheating Wives by Curtis Bunn is a gripping novel that reveals the lengths today's

women will go to indulge their deepest desires. The most unlikely of women—God-fearing, child-raising, career-driven, soft-spoken women—are taking risks outside their marriages unlike any time before, a state of affairs that has become an underground movement. They may appear happy and content in their marriages from the outside, but inside they feel something is missing. Refusing to boast about their extramarital affairs like men, these women keep quiet and yet, the more they engage, the more daring they become—and the more at risk their marriages become, too. With relatable and complex characters, *The Secret Lives of Cheating Wives*, is more than your typical romance: it strives to explore the psyche of these women and challenges you into understanding their actions, all while enjoying a tense, steamy ride filled with edge-of-your-seat drama.

i let my husband cheat: *Graphic Showbiz* Adwoa Serwaa Bonsu, 2010-02-18

i let my husband cheat: The Deception and Betrayal Caused By A Cheating Spouse

Stephenie Pompano, 2010-07-22 New relationships, marriages, and courtships are usually fun and exciting until something goes wrong. Being personally violated by a loved one is one of the deepest wounds to be cut with. You believe something like this will never happen to you until it does. Please learn that if you are the individual who has been violated, you did nothing wrong. When an affair develops those involved may use excuses and untruths to validate their actions. Also, if exposed or confronted some may not want to be held accountable for their behavior or pay any consequences. This is not in every case that is why I am saying only some. Violated relationships can either dissolve permanently or can mend over time. For those that mend it takes a lot of time, patience and understanding. Broken trust is the hardest aspect to earn again. A very important lesson I am hoping to teach my readers is if you are in a relationship with someone and are tempted to be with someone else, you end the relationship you are currently in and then move on. You have no right to cheat and hurt another human being.

i let my husband cheat: *Men from Cribaar* LINDA SCHELL MOATS, 2011-08-25 Miim, was his name. He kidnapped me as I was walking into a mall. At first I thought he was going to kill me and leave my body in a ditch somewhere, but I learned that over three hundred other women went missing around the same time. Who were these men? What did they plan to do with us? These are questions we were asking each other until we learned their fascinating story. They told us they were going to take us back, but how are we going to explain what happened to our friends and family. You are about to go on an adventure that never before has been written. A science fiction full of humor, romance and suspense.

i let my husband cheat: *The F Word* Liza Palmer, 2017-04-25 “Fresh, frank, and fearless. Liza Palmer is a road warrior of contemporary fiction.” —Georgia Clark, author of *The Regulars* Olivia Morten is perfect. Maybe she’s constantly hungry, but her body is to die for. Maybe her high-flying publicist job has taken over her life, but her clients are L.A.’s hottest celebrities. Maybe her husband is never around, but he is a drop-dead-gorgeous doctor. And maybe her past harbors an incredibly embarrassing secret, but no one remembers high school...right? When Ben Dunn, Olivia’s high school arch nemesis and onetime crush, suddenly resurfaces, all of her hard-won perfection begins to unravel. As she finds herself dredging up long-suppressed memories, she is forced to confront the most painful truth of all: sometimes who we become isn’t who we really are.

i let my husband cheat: 10 Book Boxed Set (Adultery, Cheating, Revenge, Menage, Ghost, and Love Inspired Romance) Abbie Brennan, Lisa Tindall, 2015-03-17 10 Book Boxed Set (Adultery, Cheating, Revenge, Menage, Ghost, and Love Inspired Romance) Written for your reading pleasure, and especially for lovers of romance anthologies, this 10 book boxed set contains the following: 1. *The Ultimate Revenge (Cheating and Revenge Romance)* Norma is in a seemingly loving and committed marriage with her husband Ben when he receives a text message that changes everything! Norma wants revenge and her husband is at her mercy! Her request both shocks and terrifies him. Will Norma really go ahead with it? 2. *It Is My Duty To Please My Wife (Love Inspired Suspense)* Larry and Nicole are a happily married couple and Larry will do anything to please his lovely wife. He believes that it is his duty to please his wife. That is the case when his wife comes home from work early one evening and Larry duly gives her all the “attention” she deserves. 3. *The*

Cheating Wife (Cheating and Adultery Romance) Angela is torn between two men: her loving husband, and her handsome and powerful boss. When Angela's boss calls her into his office and then locks the door, she knows exactly what his intentions are. How far is she willing to go with her boss? Will she cheat on her husband whom she suspects of having an affair? Or will she decide to respect her wedding vows? 4. Two Ladies And A Rich Man (Menage Romance) Two ladies, Sally and Bridget give a wealthy man several hours of pleasure while his wife is on a shopping trip abroad: for a fee of course! 5. Sleeping With A Ghost (Ghost and Spiritual Romance) I got into her spacious home and before we knew it, we were lying together on her bed. The next morning, I was still in her bed (or so I thought) and I felt very cold. "Janice", I called out. I got no answer. I felt hard cold concrete. I suddenly opened my eyes and I had the shock of my life. The first thing I saw was some letters. It read "Janice 1980 - 2001". It was a huge tombstone! 6. Seduced By An Olympic Star (Sports Romance) Rachel is star struck when she meets Tim, an Olympic and football star, in a supermarket. When he invites her to his home, she feels unable to turn him down, despite the fact that she has a boyfriend. She soon learns that sleeping with someone on the first date, especially with a celebrity, isn't exactly a good idea. 7. My Gorgeous Italian Professor (Professor Romance) At the age of 24, Bill has never had the taste of a woman. When Gianna, a gorgeous Italian Professor to teach him Italian, he quickly becomes infatuated with her. During one of their Italian language lectures, Gianna and Bill end up in each other's arms. Bill simply can't contain his excitement as he experiences the joys of a woman for the very first time. 8. Seducing the Maid (Maid Seduction and Adultery Romance) A seemingly happily married man seduces and then engages in an adulterous romantic affair with his irresistible German Maid, Dorothea. They take advantage of every opportunity they have to engage in several passionate moments together. 9. The Hotel Guest (One Night Stand Romance) Mrs Rosie Trent is a very excited hotel guest. When a handsome cleaner comes into her suite one morning, she cannot resist the temptation to have carnal knowledge of him. 10. Once More Tonight (Love Inspired Romance) When Trevor's Beautiful Russian wife (Olga) returns from a six-week trip to her homeland, she is desperate to have her husband in her arms! She wants her husband to satisfy her and he does exactly that. He is certainly a very generous husband as he pleases her to the full.

i let my husband cheat: My Beautiful Life: An Autobiography Susie Barry, 2014-09-09 An every day tale of heroism in small measures. A young girl's journey to adulthood and the wrong relationships that threaten to steal her innocence. Guided by her faith and a close bond with Nature, she struggles to find freedom.

i let my husband cheat: To Love, Honor, and Betray Stephanie Gertler, 2005-02-01 A provocative look at the lives of 26 married suburban women, offering a fascinating and nuanced portrait of marriage and infidelity. Extramarital affairs are often whispered about behind closed doors. In this groundbreaking book, the doors open. Stephanie Gertler and Adrienne Lopez take an intimate and sensitive look at the lives of 26 married or previously married women who have either had an affair, are having an affair, or are wrestling with their conflicting emotions and loyalties as they consider the possibility of being unfaithful to their husbands. The women are between the ages of 35 and 70. They hail from various cultures, races, professions, and economic levels. Most have children. Many crave passion, intimacy, conversation, romance. And when those things aren't forthcoming in their marriages, they seek them elsewhere. To Love, Honor, and Betray never judges: It provides candid conversations, rendering women's lives in ways that are surprising and moving, while offering remarkable insight into the complexity of long-term relationships. It's the book that women have been waiting for.

i let my husband cheat: How to Feed the Mediavore Heather Thompson Day, 2013-08-27 Our generation is connected to virtually anything and everything. All we have to do is tap an icon on our smartphones or tablets or click a button on the Internet and we have instant access to social networks, news, weather, music, games, TV, and movies. E-mail and push notifications keep us constantly informed and track our friends' every status update. We don't miss a thing. Or do we? Have we become so connected that we're disconnected from what's actually important? Is it really

so hard to communicate with an unseen God when we text, tweet, and e-mail people we cannot see? Could it be that we're not hungry for Him—we're simply too full from gorging ourselves at a media smorgasbord? Heather Marie Thompson challenges us to take a few moments every day for the next 30 days to think about what truly matters in life. Jesus needs us to connect with Him so that He can save us, but there's no app for that.

i let my husband cheat: *Is Cheating a Deal Breaker In a Marriage?* TJ CLEMONS, 2019-07-26
The topic of marriage is challenging with itself, but when you add the element of cheating and you create a powder keg of emotions that can be expressed by every individual experience. Some arguments are based in reality while others take on a life of their own. Just like the rational and irrational person connected to the comment that is being articulated. Then you have to consider if the interested party has ever been in a serious committed relationship even similar or on the same level as the legally binding contract of marital matrimony. At which point the aspect of cheating must be applied as a term and condition included into the conversation that is being debated. I have never been married but I have been in situations that could have led to the engagement process but because my level of trust in the other partner was not sufficient to move forward in the procedure. I feel as if I could interject my opinion in the discussion otherwise I would have not even considered writing a book on this subject matter. It would have been silly of me unless I was a comedian or an ill-informed jester who is only interested in listening to the sound of my own voice. I am not clown or an investigative news reporter who thinks less of fact checking their source of information for flaws or inaccurate statistics. Relations and infidelity are issues that I am familiar with and I talk about frequently because they are very relevant and prevalent in American culture and around the globe. Now let's tackle the last portion of the equation. Cheating in itself is an act of deception. Most women are more troubled with the man that they love and care about lying to them than the physical act of intimacy. And most men are usually more upset that their lover chose a man of convenience who is usually a loser in everyday life that has nothing going for him. A broke bum is his replacement in so many cases. And when he finds out his anger burns hotter than the flames of the inferno of Satan's lair. Why would any wife choose a financially inept buffoon over a loving providing husband? Men are just as comical in their choice of replacement physical conquests. They usually choose a younger damsel in need of saving such as a stripper or escort of some type in search of a loving source of cash flow from an older gentleman known as a sugar daddy. He provides the cash and she supplies physical pleasure beyond his wildest dreams. She gives him the sense of virility and masculinity that he is missing at home. This in itself is a marriage of convenience and co-dependency that will continue until it is discovered by his loving spouse or another younger more excitingly exotic conquest comes along and rekindles his youthful illusions. These sexual acts create a delusional sensation as powerful as the most addictive drugs known to mankind. He will move like a panther stalking his prey to get that love making conquest one more time like a junkie anticipating their next fix. This is until his wife discovers his manipulative actions. At that point the storm erupts into massive devastation that can only be calmed by revealing each and every factual exploitation and explanation of his intimate encounters. Then the storm calms for a brief moment of reflection. Words and emotions become harder and harder to express between long-time lovers. Trust is broken and those warm feelings start to fade into the background. The broken-hearted spouse has several questions to answer. Will the candles of affection be lit again? And will they continue to burn or forever be smothered by the suspicion and the separation of divorce? These decisions are often difficult to make due to the magnitude of the consequences involved.

i let my husband cheat: *I've Been through Hell Trying to Make It Up to Heaven* Alida Jai Rogers, 2023-09-19 How would you like to have your funeral at any place you wanted? Well, in this book, you will see what my uncle did. He was a major coach. What is a major coach? Well, that is where you coach literally everything: basketball, baseball, track, football, martial arts, swimming, golf, and dancing lessons. He tutored adults and children and worked a regular job. Lazy wasn't a word he knew. What better way than to go out the way you lived your life? I personally thought it was very cool. My uncle's funeral was on the track and football field where over three hundred

people attended to celebrate and paid their respects. It made my father feel like he was putting on a gospel celebrity concert that he waited for all his life. Lord Jesus help us. If only Erica from Mary Mary would have just given my father a solo at their church. My beautiful great-aunt had us join a procession at the funeral as if it was a wedding. We sat in white chairs on the football field as if we were holding a presidential election. He was just that special. My uncle's only daughter's wedding colors were purple and white. And she wanted to honor him by the family wearing those colors since he would not be here to walk her down the aisle. My father felt like this was his time to shine. He didn't have to shine that much to make us go viral. We were embarrassed. We had just seen Kobe and his daughter buried the day before. I was grateful for the tribute they gave to all nine lives that were lost. Everyone was watching at the airport. We were delayed due to the fog. After watching the funeral, no one complained about the fog again. I flew all the way from St. Louis. I couldn't miss my uncle's funeral. Who would have thought the world would shut down five weeks later? I say God is trying to tell us all something. With me being six months pregnant, and bleeding for five of those six months, I believed it would be a double funeral. God said, You both shall live, yet the devil was trying to take me out. I believe in my heart that this book will show you that no matter your skin color, we are the same. Even if your faith is paper thin, this book is for you. Religion shouldn't be anyone's cup of tea. Even in the COVID pandemic, Jesus has never left us nor forsaken us. His blood is why we breathe. Now that's love. That should be our cup of tea. Not religion.

i let my husband cheat: My Life's Journey Latrice Gleen, 2010-06 This is a book about a young lady and her Journey through life. Born and raised on the east side of Buffalo, NY. Latrice dealt with life and its struggles at an earlier age. Overcoming every obstacle that got in her way including abuse, sex, marriage and divorce, latrice where's a S on her chest..
