

immigration medical exam los angeles

immigration medical exam los angeles is an essential step for individuals seeking to enter or adjust their status in the United States. This medical examination is a mandatory requirement by the U.S. Citizenship and Immigration Services (USCIS) to ensure that applicants do not pose a public health risk. In Los Angeles, a city known for its diverse immigrant population, finding a qualified civil surgeon to conduct this exam is crucial. This article provides a comprehensive overview of the immigration medical exam process in Los Angeles, including its requirements, necessary documentation, what to expect during the exam, and tips for choosing the right medical provider. Additionally, it covers common questions and important considerations to help applicants navigate this critical phase smoothly.

- Understanding the Immigration Medical Exam in Los Angeles

- What to Expect During the Immigration Medical Exam
- Choosing a Qualified Civil Surgeon in Los Angeles
- Common Questions About Immigration Medical Exams

Understanding the Immigration Medical Exam in Los Angeles

The immigration medical exam in Los Angeles is a federally mandated health screening conducted by authorized civil surgeons. Its primary purpose is to identify any health conditions that could make an applicant inadmissible to the United States. These conditions include communicable diseases, mental

health disorders that pose a threat, and substance abuse issues. The exam is a critical component of the immigration process for those applying for adjustment of status, permanent residency, or certain visas.

Legal Basis and Purpose

The exam is required under the Immigration and Nationality Act (INA) and enforced by the Centers for Disease Control and Prevention (CDC). The goal is to protect public health by preventing the entry of individuals with infectious diseases or other serious health concerns. Additionally, the exam helps USCIS determine if the applicant meets the health-related criteria for admissibility.

Who Needs the Exam?

Applicants for adjustment of status to lawful permanent resident, asylum seekers, refugees, and certain visa applicants are required to complete the immigration medical exam. In Los Angeles, this includes a broad demographic due to the city's significant immigrant population.

Requirements and Documentation for the Exam

Proper preparation is vital for the immigration medical exam in Los Angeles. Applicants must gather necessary documents and understand the medical requirements to ensure a smooth process.

Documents to Bring

Applicants should bring the following items to their appointment:

- Government-issued photo identification (passport, driver's license, etc.)
- Form I-693, Report of Medical Examination and Vaccination Record (if already provided by

USCIS)

- Vaccination records and medical history
- Any previous immigration or medical documents
- Appointment confirmation and any USCIS notices related to the exam

Vaccination Requirements

USCIS requires that immigrants receive certain vaccinations as part of the medical exam. These include vaccines against measles, mumps, rubella, polio, tetanus, diphtheria, pertussis, influenza, and others as recommended by the Advisory Committee on Immunization Practices (ACIP). Civil surgeons will assess vaccination history and administer missing vaccines during the exam.

What to Expect During the Immigration Medical Exam

The immigration medical exam in Los Angeles typically involves a thorough physical examination, a review of medical history, and specific diagnostic tests. Understanding the exam's components can help applicants feel more prepared and reduce anxiety.

Physical Examination

The civil surgeon will conduct a complete physical exam to check for signs of communicable diseases or other health issues. This includes checking vital signs, examining the lungs, heart, abdomen, skin, and nervous system.

Laboratory Tests and Screenings

Applicants will undergo several tests, including:

- Chest X-ray to screen for tuberculosis (TB)
- Blood tests for syphilis and other communicable diseases
- Additional tests depending on age, medical history, or risk factors

Mental Health and Substance Abuse Evaluation

As part of the exam, the civil surgeon will assess mental health status and check for substance abuse issues. This screening aims to identify conditions that might pose a public safety risk or impact the applicant's ability to care for themselves.

Choosing a Qualified Civil Surgeon in Los Angeles

Selecting a certified civil surgeon is critical for a successful immigration medical exam. In Los Angeles, numerous medical professionals offer this service, but not all are authorized or experienced in handling immigration-related medical exams.

Certification and Credentials

Only doctors designated by USCIS as civil surgeons are authorized to perform immigration medical exams. Applicants should verify the surgeon's certification status to avoid delays or complications. USCIS maintains a list of approved civil surgeons in Los Angeles, which applicants can consult before booking an appointment.

Factors to Consider When Choosing a Civil Surgeon

Applicants should consider the following factors:

- Proximity to residence or workplace for convenience
- Experience with immigration medical exams and knowledge of USCIS requirements
- Availability of appointments and wait times
- Language services and staff professionalism
- Clear pricing and accepted payment methods

Common Questions About Immigration Medical Exams

Many applicants have questions regarding the immigration medical exam in Los Angeles. Addressing these common inquiries can assist in better understanding the process.

How Long Does the Exam Take?

The exam itself typically lasts between 30 minutes to an hour, depending on the applicant's medical history and any additional tests or vaccinations required. However, scheduling and waiting times may vary based on the civil surgeon's availability.

What Happens If a Medical Condition Is Found?

If the civil surgeon identifies a condition that might affect admissibility, such as tuberculosis or a

communicable disease, they will refer the applicant for further evaluation or treatment. The final decision on admissibility lies with USCIS, but timely treatment and documentation are crucial.

Can the Exam Be Done Outside Los Angeles?

While the immigration medical exam can be performed anywhere in the United States by a USCIS-authorized civil surgeon, many applicants in Los Angeles prefer local providers for convenience and familiarity with local health regulations.

Frequently Asked Questions

What is the purpose of the immigration medical exam in Los Angeles?

The immigration medical exam in Los Angeles is required by U.S. Citizenship and Immigration Services (USCIS) to ensure that applicants do not have any health conditions that could pose a public health risk or make them inadmissible to the United States.

Where can I get an immigration medical exam in Los Angeles?

You can get an immigration medical exam in Los Angeles at USCIS-designated civil surgeons. Many clinics and private doctors in Los Angeles are certified to perform these exams; you can find a list on the USCIS website or by contacting local immigration attorneys.

What documents do I need to bring to my immigration medical exam in Los Angeles?

You should bring a valid government-issued photo ID, your passport, your vaccination records, and the appointment notice from USCIS (Form I-693). It's also helpful to bring any medical records or information about your health history.

How much does the immigration medical exam cost in Los Angeles?

The cost of the immigration medical exam in Los Angeles varies depending on the provider but typically ranges from \$200 to \$500. This fee usually includes the physical exam, required vaccinations, and laboratory tests.

How long does the immigration medical exam take in Los Angeles?

The immigration medical exam itself usually takes about 30 minutes to an hour. However, if vaccinations or additional tests are required, it might take longer or require multiple visits.

What vaccinations are required for the immigration medical exam in Los Angeles?

Required vaccinations vary by age and medical history but typically include measles, mumps, rubella, polio, tetanus, diphtheria, pertussis, influenza, and COVID-19. The civil surgeon will review your vaccination records and administer any missing vaccines during the exam.

Can I use my regular doctor for the immigration medical exam in Los Angeles?

Only USCIS-designated civil surgeons can perform the immigration medical exam. Your regular doctor can only do the exam if they are certified as a civil surgeon by USCIS. Otherwise, you must schedule the exam with an authorized provider.

How long is the immigration medical exam report valid in Los Angeles?

The Form I-693 medical examination report is generally valid for two years from the date the civil surgeon signs it. It must be submitted to USCIS within this period to be accepted for immigration purposes.

Additional Resources

1. *Immigration Medical Exams in Los Angeles: A Comprehensive Guide*

This book provides an in-depth overview of the immigration medical examination process specific to Los Angeles. It covers the requirements, common procedures, and tips for preparing for the exam. Martha Sajatovic, 2011-11-25 This encyclopedia adopts a biopsychosocial-historical approach to immigrant health, with a focus on immigrant populations in, and immigration to, magnet countries. Extensive references to worldwide trends and global issues are made throughout its entries.

immigration medical exam los angeles: Immigration and Naturalization Service's (INS's) Interactions with Hesham Mohamed Ali Hedayet United States. Congress. House. Committee on the Judiciary. Subcommittee on Immigration, Border Security, and Claims, 2002 This hearing has been held to consider the interaction between the Immigration and Naturalization Service and Hesham Mohamed Ali Hedayet. On July 4, 2002, at the Los Angeles International Airport, Mr. Hedayet gunned down several people, killing two, and then being caught in fire himself whereby he perished.

immigration medical exam los angeles: Art in the Lives of Immigrant Communities in the United States Paul DiMaggio, Patricia Fernandez-Kelly, 2010-10-13 Art in the Lives of Immigrant Communities in the United States is the first book to provide a comprehensive and lively analysis of the contributions of artists from America's newest immigrant communities--Africa, the Middle East, China, India, Southeast Asia, Central America, and Mexico. Adding significantly to our understanding of both the arts and immigration, multidisciplinary scholars explore tensions that artists face in forging careers in a new world and navigating between their home communities and the larger society. They address the art forms that these modern settlers bring with them; show how poets, musicians, playwrights, and visual artists adapt traditional forms to new environments; and consider the ways in which the communities' young people integrate their own traditions and concerns into contemporary expression.

immigration medical exam los angeles: Immigration Practice - 15th Edition Robert C. Divine, 2014-06-01 Immigration Practice guides readers through all aspects of immigration law in one volume, complete with over 3,000 footnote citations to the wide range of statutes, regulations, court and administrative cases, policy memos, operations instructions, agency interpretive letters, and internet sites that a lawyer needs for complete understanding of a particular problem. No other source merges the practical with commentary and analysis so helpfully. The book explains in understandable language and meaningful and dependable detail the substantive issues and the practical procedures a lawyer needs to handle a specific immigration matter, complete with checklists of forms, supporting evidence, and other strategies needed for application/petition packages. The book has unparalleled coherence, integration and consistency. * Liberally cross references to other sections in the book where related topics are discussed (because so many topics are interrelated). * Line-by-line instructions on how to complete the most commonly used forms to avoid embarrassing mistakes. * Lists the contents of packages to file with government agencies: forms and fees, detailed support letters, and other supporting evidence. * Explanations of potentially applicable visa options organized according to the attributes of the foreign national (and the employer), rather than classifications in alphabetical order, so that practitioners can make sense of options in light of the client in the office. * Comparisons and charts of attributes and procedures of such topics as nonimmigrant visa classifications, procedures to permanent residence, and standards of extreme hardship. * Citations throughout the book, and collection in the extensive CD-ROM Appendix, to primary source materials and the most useful Internet site URLs with explanation of the increasingly helpful free databases and tools available through each one. • Internet Links: Constantly increased and updated links to government web sites containing current contact information, forms, primary law sources of all types, case status information, and processing and substantive guides--all referenced by pinpoint citations in the text. See Chapter 5 explaining sources of law, Appendix C and D-1 showing web links, and the CD-ROM in the back cover providing one-click access! Readers are strongly encouraged to review and use the CD-ROM and to consider saving Appendix C, D-1, and E-1 into their hard drives or saving the links to their internet browser favorites or bookmarks for ready reference all the time. • Upgraded removal-related treatment: significant improvements to Chapters 10, 11, and 16 by attorney who has worked for immigration courts several years. • Supreme Court decisions: effects of limited marijuana distribution offense as

aggravated felony (§ 10-6(b)(1)(vi)); tax offenses as aggravated felonies (§ 10-6(b)(1)(vi)); rejection of comparable grounds rule for 212(c) eligibility (§ 10-6(b)(1)(vii)); modified categorical approach applies only to divisible statutes (§ 10-6(b)(2)(i)); non-retroactivity of Padilla decision (§ 10-6(b)(2)(vi)); rejection of the statutory counterpart rule for § 212(c) waivers (§ 11-5(f)); invalidation of the Defense of Marriage Act § 14-7(a)(2)(i)); non-imputation to child of firm resettlement of parents (§ 16-4(c)). • Lower federal court decisions: concerning such issues as: recognizing a beneficiary to have standing to challenge a USCIS petition denial (§ 2-2(a)(1)(I)); reviewability of good moral character determinations and other (§ 2-2(a)(1)(I)); court order of USCIS to speed up FOIA certain responses (§ 4-2); CBP FOIA process (§ 4-2); DOL case disclosure data (§ 4-5); need to exhaust remedies under DHS TRIP to challenge inclusion on watch list (§ 10-3); CIMT crime determinations (§ 10-6(b)(1)(iii)); effect of a single firearm sale (§ 10-6(b)(1)(vi)); 212(h) waiver eligibility in regard to post-entry adjustment but not as to stand alone request (§ 10-6(b)(3)); interference with police helicopter using laser light as CIMT (§ 10-6(c)); whether post-entry adjustment is an admission for § 212(h) waivers (§ 10-6(b)(3)); whether there is an involuntariness or duress exception to the terrorism support bar (§ 10-6(c)); enforcement of I-864 financial support obligations (§ 10-6(d)(2)); mandatory bond hearing after six months of detention (§ 11-3(f)); ICE detainers found to lack authority (§ 11-3(g)); representation in immigration court at government expense for aliens with serious mental disabilities (§ 11-4(g)); stop-time and petty offense exceptions relating to cancellation of removal (§ 11-5(f)); revelation of the BIA's erroneous reliance for decades on nonexistent provisions of Mexican Constitution affecting legitimation issues (§ 12-3(d)(3)); rejection of BIA's rule against nunc pro tunc adoption orders (§ 14-7(b)(3)); invalidation of FSBPT efforts to restrict applicants from certain countries to sit for physical therapy exams (§ 15-2(c)(2)); use of impeachment evidence only to terminate asylum (16-2(b)); asylum claims of German homeschooled, and mixed motive cases (§ 16-4(a)(3)); social group asylum claims (§ 16-4(a)(3)); expansive implications of inconsistencies in testimony (§ 16-4(a)(4)); particularly serious crimes barring asylum claims (§ 16-4(c)); special asylum procedures for unaccompanied children (§ 16-4(c)); adjustment eligibility of alien who entered without inspection and then obtained TPS (§ 16-7(a)(6)); eligibility of after-acquired spouse under Cuban Adjustment Act (§ 16-7(e)); preempted state law provisions aimed at aliens, employers, and landlords (§ 19-4(l)(3)). • BIA decisions on such issues as: what constitutes a drug trafficking crime (§ 10-6(b)(1)(iv)); implications of child pornography conviction (§ 10-6(b)(1)(vi)); possession of ammunition by a convicted felon (§ 10-6(b)(1)(vi)); availability of stand-alone § 212(h) waiver without adjustment application (§ 10-6(b)(3)); service of NTA on a minor (§ 11-3(b)); service of NTA and other safeguards for aliens with serious mental conditions (§ 11-4(g)); approval of administrative closure of removal cases (§ 11-5(d)); termination of asylum, then removal and relief in proceedings (§16-2(b)); relocation issues in asylum claims (§ 16-4(a)(3)). • Regulations, government policy memorandums, other decisions, and government web site enhancements concerning such matters as: differing government renderings of single name for certain persons (§ 1-6(a)(3)); USCIS refusal to accept stamped signatures for attorneys on G-28 (§1-6(a)(3)); USCIS use of bar codes for forms, and danger of making marginal notes on forms (§1-6(a)(3)); USCIS use of customer-completed e-Request Service inquiries (§ 2-2(a)(1)(F)); movement of all visa processing to the electronic CEAC system (§ 2-3(a)); replacement of the CBP Inspectors Field Manual with the Officer's Reference Tool and the beginning effort to replace the USCIS Adjudicators Field Manual with the online Policy Manual (§ 5-4); replacement of the paper I-94 card for air and sea entries with an automated online I-94 record (§ 7-4(b) and other sections); new section on Other Redress for Adverse Results (on visas and admissions, § 7-4(c)(14)); the radical implications of Matter of Arrabally and Yerrabally concerning the effects of departure under advance parole (§§ 8-7(d)(2)(i) and 10-6(f)); modernization of the immigrant visa process (§ 8-8); new Provisional Unlawful Presence Waivers within the U.S. using Form I-601A (§ 10-6(f)); exception to false claim to U.S. citizenship inadmissibility if claim made before individual was age 18 (§ 10-6(g)); EOIR Online representative registration system (§ 11-3(e)); ICE Parental Interests Directive and ICE eBOND online bonding process (§ 11-3(f)); ICE non-renewal of 287(f) agreements (§ 11-3(g));

Deferred Action for Childhood Arrivals (§ 11-3(h)(3)); ICE recognition and implementation of statute allowing post-removal challenges (§11-8(b)); new USCIS Policy Manual provisions on naturalization eligibility and process, including residence, selective service, § 319(b) special rules, and other issues, and new N-400 form and instructions (Chapter 12); Government-side implementation of the Supreme Court's recognition of same-sex marriage (various chapters); exceptional circumstances allowing foreign-country filing of I-130 petitions where no USCIS office is located (§ 14-5(a)); implications of a withdrawn I-140 (§ 15-1(h)); various policy developments concerning EB-5 investors (§ 15-2(f)); numerous BALCA cases and DOL positions affecting the PERM labor certification process and the publication of data about applications (§ 15-3); updated Affirmative Asylum Procedures Manual (§ 16-3(a)); USCIS memo on exceptional circumstances for failure to appear at asylum interview (§ 16-3(a)(1)(iii)); litigation settlement agreements to share asylum officer interview notes in FOIA (§ 16-3(a)(2)), concerning asylum applicant work authorization process and Clock (§ 16-3(c)), and failure to appear at I-730 interview (§ 16-3(f)); bundling of related L-1 petitions (§ 17-3(b)(4)(i)); presumed L-1 visa validity for maximum reciprocity duration but sometimes more limited stays from CBP (§ 17-3(b)(7)); filing I-129 petition for Canadian TN, and duration of Mexican TN separate from visa validity (§ 17-4(c)(2)(ii)); H-1B and H-2A flip-flopping administrative and congressional positions (§ 17-4(d) and 17-5(e)(1)); B-1 in lieu of H in effect but under review (§ 18-3(1)(2)(B)); accreditation requirements for F-1 language training programs (§ 18-4(d)(1)); cessation of CBP stamping of I-20 forms (§ 18-4(d)(3)); use of electronic ELIS system for certain changes of status (§ 18-4(d)(4)); new cap gap and STEM OPT extension policies (§ 18-4(d)(9)(iii)); possible need for separate waivers for different J experiences subject to § 212(e) (§ 18-5(b)(2)(ix)); revisions to M-274 Handbook for Employers for I-9, USCIS I-9 Central web site, and IRS tightening of ITIN application process (§ 19-4(b)); ICE policies about auditing electronically generated I-9 forms (§ 19-4(h)); OCAHO reductions of ICE I-9 fines on employers (§ 19-4(j)); ICE definition of technical and procedural errors subject to correction under good faith rules (§ 19-4(j)); USCIS revision of E-Verify MOU and new notice to workers about TNC resolution, expansion of E-Verify photo tool, and lock out of suspect SSNs from E-Verify (§ 19-4(l)(1)).

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

immigration medical exam los angeles: Immigration In America's Future David Heer, 2018-03-05 Immigration policy is one of the most contentious issues facing the United States today. The bitter national debate over California's Proposition 187, the influx of Cuban refugees into Miami, and the continuous, often illegal, crossings over the Mexican border into Texas and California are just a few of the episodes that have created a furor on local, state, and federal levels. In this timely

and informative book, David Heer invites readers to examine the data and the trends of immigration to the United States and, ultimately, make up their own minds about what our national immigration policy ought to be. He demonstrates how social science findings, together with a conscious recognition of our individual values, are necessary for the formation of a balanced policy for immigration. Some of the nation's collective values that may be affected by U.S. immigration policy are the standard of living in this country, the preservation of existing American culture, ethnic and class conflict, and the power of the United States in international affairs. Heer examines the impact of these values on immigration policy and traces the history of U.S. immigration and immigration law and patterns of immigration to the United States. Finally, he offers proposals for change to existing immigration policy.

immigration medical exam los angeles: Deportes José M Alamillo, 2020-07-17 Spanning the first half of the twentieth century, *Deportes* uncovers the hidden experiences of Mexican male and female athletes, teams and leagues and their supporters who fought for a more level playing field on both sides of the border. Despite a widespread belief that Mexicans shunned physical exercise, teamwork or "good sportsmanship," they proved that they could compete in a wide variety of sports at amateur, semiprofessional, Olympic and professional levels. Some even made their mark in the sports world by becoming the "first" Mexican athlete to reach the big leagues and win Olympic medals or world boxing and tennis titles. These sporting achievements were not theirs alone, an entire cadre of supporters—families, friends, coaches, managers, promoters, sportswriters, and fans—rallied around them and celebrated their athletic success. The Mexican nation and community, at home or abroad, elevated Mexican athletes to sports hero status with a deep sense of cultural and national pride. Alamillo argues that Mexican-origin males and females in the United States used sports to empower themselves and their community by developing and sustaining transnational networks with Mexico. Ultimately, these athletes and their supporters created a "sporting Mexican diaspora" that overcame economic barriers, challenged racial and gender assumptions, forged sporting networks across borders, developed new hybrid identities and raised awareness about civil rights within and beyond the sporting world.

immigration medical exam los angeles: Almost All Aliens Paul Spickard, 2009-05-07 *Almost All Aliens* offers a unique reinterpretation of immigration in the history of the United States. Leaving behind the traditional melting-pot model of immigrant assimilation, Paul Spickard puts forward a fresh and provocative reconceptualization that embraces the multicultural reality of immigration that has always existed in the United States. His astute study illustrates the complex relationship between ethnic identity and race, slavery, and colonial expansion. Examining not only the lives of those who crossed the Atlantic, but also those who crossed the Pacific, the Caribbean, and the North American Borderlands, *Almost All Aliens* provides a distinct, inclusive analysis of immigration and identity in the United States from 1600 until the present. For additional information and classroom resources please visit the *Almost All Aliens* companion website at www.routledge.com/textbooks/almostallaliens.

immigration medical exam los angeles: Becoming Mexican American George J. Sanchez, 1995-03-23 Twentieth century Los Angeles has been the focus of one of the most profound and complex interactions between distinct cultures in U.S. history. In this pioneering study, Sanchez explores how Mexican immigrants Americanized themselves in order to fit in, thereby losing part of their own culture.
