indian constitution in hindi language: Constitutional Amendments in The Indian Constitution
Joginder Singh Khatra, 2021-09-10 Constitutional Amendments in The Indian Constitution (A Horizontal Approach) The book presents a careful study of Amendments of the Indian Constitution and for that, a cut-section approach has been adopted. In this book, the study of Constitutional Amendments has been presented in an easy and systematic way by adopting a chronological approach to the amendments in various parts. Only those provisions of the Constitution have been selected which have remained more prone to amendments. The factors responsible for the amendments along with their consequences have also been studied. Some of these amendments were enacted to ensure the smooth working of the Constitutional system, and some of these amendments were enacted in reaction to changing social and political environment. But unfortunately, some of the amendments were enacted to gain political mileage or to fulfill personal interest only. On several occasions, when the Parliament has tried to impose its political will on the nation by amending the Constitution in an arbitrary manner, the Judiciary has tried to uphold the letter and spirit of the Constitution by declaring some amending provisions as 'unconstitutional. This book would be very helpful for undergraduate and postgraduate students, academicians, legal practitioners as well as the common man.

indian constitution in hindi language: *Indian Constitution* Bidyut Chakrabarty, 2025-07-21

The book deals with the making and unfolding of the Constitution of India, framed by the Constituent Assembly between 1946 and 1949. Superseding the conventional legalistic approach, it focuses on the politico-ideological priorities of the members of Assembly who played a critical role in preparing the provisions of the Constitution. With its appeal cutting across academic specializations, this book stands out as a significant document by making readers aware of their constitutional rights and duties and the ways to utilize the constitutional directions for human and national betterment. Written in lucid language, this book is a great asset for those seeking to understand the complex ideas implicit in legally articulated provisions. Tailored to the academic requirements of a global readership, this volume would be useful to students, researchers and teachers working in the fields of Politics, Law, public administration and public policy. It would also be an invaluable resource for legal experts and policymakers.

indian constitution in hindi language: Indian Constitutional Law- 2 Dr. J. James , 2025-01-07

The Indian Constitutional Law is adopted present and future modern generations of peoples, and its role is unimaginable of great rule of law. It is also known as 'Municipal Law and Supreme Law of the Land'. It is a systematic body of rules of law that determines the Constitution and functioning of the Government in a state. These rules and regulations regulate the relations between Government and people. The Supremacy of Law of the Land in India is the Constitutional Law of India. This Constitution Law is the lengthiest and written Constitution.

indian constitution in hindi language: The Oxford Handbook of the Indian Constitution Sujit Choudhry, Madhav Khosla, Pratap Bhanu Mehta, 2016 As the first major post-colonial constitution, the Indian Constitution holds particular importance for the study of constitutional law and constitutions. Providing a thorough historical and political grounding, this Handbook examines key debates and developments in Indian constitutionalism and creates a framework for further study.

indian constitution in hindi language: Language Policy and Linguistic Minorities in India Thomas Benedikter, 2009 India not only is concerned with inevitable multilingualism, but also with the rights of many millions of speakers of minority languages. As the political and cultural context privileges some major languages, linguistic minorities often feel discriminated against by the current language policy of the Union and the States. They experience on a daily basis that their mother tongues are deemed worthless dialects that have little utility in modern life. Many such languages have definitively disappeared, and several more are on the brink of extinction. Is this the inevitable price to be paid for economic modernization, cultural homogenisation and the multilingual fabric of India's society at large? This book is an effort to map India's linguistic minorities and to assess the language policy towards these communities. The author, a senior researcher of the EURAC (South Tyrol, Italy), assuming linguistic rights as a component of fundamental human rights, codified in a number of international covenants and in the Indian Constitution, provides an appraisal of the extent to which language rights are respected in India's multilingual reality, which takes into consideration the experiences of minority language protection in other regions.

indian constitution in hindi language: *It's Nation Time* Jerry White, 2024-10 Speaking at the Congress of African People in September 1970, Amiri Baraka said, "In Newark, when we greet each other on the streets, we say, 'what time is it?' We always say, 'It's nation time!' Nationalism is about land and nation, a way of life trying to free itself." National identity and nationhood are too often easily dismissed as retrograde populism or racist exclusion. Instead, they need to be understood as a key part of a vision of globalization that holds the imperatives of diversity and solidarity in a delicate balance. Jerry White offers a defence of the nation based on the assumption that struggles for national identity have often unfolded in ways that should be familiar to those who defend the political standpoint of the progressive left. Having evolved into something that a wide variety of actors have sought to defend, nations can also serve as a defence against the homogenizing forces of globalization and as havens of diversity in opposition to more singularly minded forms of affiliation. *It's Nation Time* is structured as a series of specific case studies that speak to theories of nation and their historical and cultural manifestations. It includes examples as varied as Black nationalism, Simone Weil's hopes for a postwar France, the first independence period of Georgia, the Bollywood cinema of Nehru-era India, and small or stateless nations such as New Zealand, Quebec, Ireland, Catalonia, the Métis, the Mohawk, and the Inuit to argue that nationalism is a social form that has much potential and life in it. Broadly internationalist but also deeply insightful about the particular cultures and politics of small nations, *It's Nation Time* defends an idea of nation, and a form of nationalism that are rooted in the potential for diversity, flexibility, and progressive politics.

indian constitution in hindi language: 1200+ MCQs with Explanatory Notes For POLITY 2nd Edition Disha Experts, 2019-04-01 The thoroughly Revised & Updated 2nd Edition of the book '1200+ MCQs with Explanatory Notes For POLITY' has been divided into 9 chapters which have been further divided into 31 Topics containing 1200+ "Multiple Choice Questions" for Quick Revision and Practice. The Unique Selling Proposition of the book is the explanation to each and every question which provides additional info to the students on the subject of the questions and correct reasoning wherever required. The questions have been selected on the basis of the various types of questions being asked in the various exams.
