Top Meditation Retreats in India

India hosts a variety of meditation retreats that cater to different styles, durations, and levels of experience. These retreats are usually located in peaceful, natural settings that enhance the meditation experience, such as mountains, riversides, and forests. Some of the most renowned meditation retreats in India include those in Rishikesh, Dharamshala, Kerala, and Goa, each offering unique atmospheres and teachings.

Rishikesh: The Yoga Capital

Known as the “Yoga Capital of the World,” Rishikesh is a hub for meditation retreats in India. The city offers numerous ashrams and centers focusing on mindfulness, Vipassana, and transcendental meditation. The serene environment by the Ganges River coupled with the backdrop of the Himalayas makes it a perfect place for spiritual awakening and mental rejuvenation.

Dharamshala: Himalayan Peace

Located in the northern state of Himachal Pradesh, Dharamshala is famous for Tibetan Buddhist meditation retreats. It provides an authentic experience of Buddhist meditation practices, including mindfulness and compassion meditation, guided by experienced monks and teachers. The cool climate and peaceful mountain surroundings contribute to a conducive meditation environment.

Kerala: Backwaters and Spirituality

Kerala, with its lush greenery and tranquil backwaters, offers several meditation retreats that integrate Ayurveda and yoga. Many centers here combine meditation with wellness therapies, enabling a holistic approach to mental and physical health. The retreats often include sessions on breathing techniques and guided meditation to enhance relaxation.

Goa: Coastal Calmness

Goa is not only known for its beaches but also for meditation retreats that focus on stress relief and mindfulness. Retreats here often blend meditation with yoga and holistic healing practices, attracting a diverse international crowd. The peaceful coastal environment provides an ideal setting for those looking to unwind and reconnect with themselves.

Types of Meditation Practices Offered

Meditation retreats in India feature a wide range of practices tailored to different goals and spiritual traditions. Understanding these meditation styles helps attendees select the retreat that aligns with their aspirations.

Vipassana Meditation

Vipassana, meaning “insight,” is one of the oldest meditation techniques taught in India. It focuses on self-observation and mindfulness to achieve mental clarity and emotional balance. Vipassana retreats usually involve silent meditation sessions lasting several hours daily over a period of 10 days or more.

Transcendental Meditation

This meditation technique involves the use of mantras to transcend ordinary thought and reach a state of deep relaxation and heightened awareness. Retreats offering transcendental meditation provide personalized instruction and emphasize mental rejuvenation through effortless practice.

Mindfulness Meditation

Mindfulness meditation entails cultivating present-moment awareness with non-judgmental attention to thoughts, emotions, and sensations. Retreats focusing on mindfulness often include guided sessions, group discussions, and practical exercises applicable to daily life.

Yoga and Meditation Integration

Many meditation retreats in India combine yoga postures (asanas) with meditation practices to promote holistic well-being. This integration supports physical flexibility, breath control, and mental

focus, enhancing the overall meditation experience.

Benefits of Attending Meditation Retreats in India

Participating in meditation retreats in India offers numerous psychological, physical, and spiritual benefits. The immersive environment and expert guidance facilitate profound transformation and healing.

- **Stress Reduction:** Regular meditation reduces cortisol levels, alleviating stress and anxiety.
- **Improved Concentration:** Meditation enhances mental clarity and focus, benefiting personal and professional life.
- **Emotional Balance:** Mindfulness and insight meditation cultivate emotional resilience and reduce negative thought patterns.
- **Spiritual Growth:** Retreats provide a conducive atmosphere for deepening spiritual understanding and self-awareness.
- **Physical Health:** Yoga and meditation improve sleep quality, lower blood pressure, and boost the immune system.

How to Choose the Right Meditation Retreat

Selecting the ideal meditation retreat in India depends on several factors such as personal goals, preferred meditation style, duration, budget, and location. Carefully considering these aspects ensures a meaningful and comfortable experience.

Define Your Meditation Goals

Clarify whether the intention is stress relief, spiritual growth, detoxification, or skill development. This helps narrow down retreats specializing in particular meditation techniques or holistic approaches.

Consider the Location and Environment

Choose a retreat situated in an environment that resonates with personal preferences—whether it is the mountains, riverside, or coastal areas. The setting plays a crucial role in enhancing meditative practice.

Evaluate the Retreat's Authenticity and Credentials

Research the backgrounds of teachers and the authenticity of the meditation traditions offered. Reputable retreats often have experienced instructors with verified certifications.

Assess Facilities and Accommodation

Consider the quality of lodging, meals, and amenities provided. Some retreats offer basic facilities for a simple lifestyle, while others provide luxury accommodations.

Practical Tips for a Successful Meditation Retreat Experience

Preparing adequately before attending a meditation retreat in India can maximize the benefits and ensure a smooth, fulfilling experience.

1. **Pack Appropriately:** Bring comfortable clothing suitable for meditation and the climate of the retreat location.
2. **Set Realistic Expectations:** Understand that meditation is a gradual process; patience and openness are essential.
3. **Follow the Schedule:** Adhere to the retreat's timetable to gain maximum benefit from sessions and activities.
4. **Limit Distractions:** Minimize use of electronic devices and avoid outside communication as much as possible.
5. **Maintain an Open Mind:** Be receptive to new practices, teachings, and cultural experiences encountered during the retreat.
6. **Stay Hydrated and Eat Mindfully:** Proper nutrition supports mental clarity and physical stamina during meditation.

Frequently Asked Questions

What are the best meditation retreats in India for beginners?

Some of the best meditation retreats in India for beginners include the Vipassana Meditation Centers, Osho International Meditation Resort in Pune, and the Art of Living International Center in Bengaluru. These retreats offer structured courses and guidance suitable for those new to meditation.

Which meditation retreat in India is known for Vipassana meditation?

The Dhamma Giri center in Igatpuri, Maharashtra is one of the most renowned Vipassana meditation retreats in India. It offers 10-day residential courses based on the teachings of S.N. Goenka.

What is the best time to attend a meditation retreat in India?

The best time to attend a meditation retreat in India is during the cooler months from October to March. This period offers pleasant weather, making it comfortable for meditation and outdoor activities.

Are there any luxury meditation retreats in India?

Yes, India has several luxury meditation retreats such as the Ananda in the Himalayas, Kamalaya in Kerala, and Vana in Dehradun. These retreats combine meditation practices with spa treatments, yoga, and wellness programs in a luxurious setting.

Do meditation retreats in India offer vegetarian or vegan food?

Most meditation retreats in India offer vegetarian food as part of their programs, aligning with traditional Indian spiritual practices. Many retreats can also accommodate vegan diets upon request.

How long do meditation retreats in India typically last?

Meditation retreats in India vary in length from short weekend programs to intensive 10-day courses like Vipassana, and even longer stays that can last several weeks or months depending on the retreat and the participant's preference.

Additional Resources

1. Silent Journeys: Meditation Retreats in the Heart of India

This book offers an insightful exploration of India's most serene meditation retreats. It highlights the unique spiritual practices and tranquil settings that make these retreats ideal for deep meditation. Readers will find practical guidance on how to choose the right retreat and what to expect during their stay. The author also shares personal experiences and transformative stories from various centers across India.

2. Awakening Within: A Guide to India's Meditation Retreats

"Awakening Within" serves as a comprehensive guide for seekers looking to explore meditation retreats in India. The book covers a variety of traditions, including Vipassana, Zen, and Raja Yoga, detailing their philosophies and practices. It includes tips on preparation, staying mindful, and integrating meditation into daily life after the retreat. The narrative is enriched with anecdotes from both beginners and seasoned practitioners.

3. Tranquil Paths: Experiencing Meditation Retreats in India

This book paints vivid pictures of the peaceful environments where meditation retreats in India take place. It describes the landscapes, local cultures, and the daily routines that support inner calm and

spiritual growth. The author emphasizes mindfulness and the importance of silence during retreat experiences. Readers will also find reflections on how these retreats foster personal transformation.

4. The Soul's Haven: Spiritual Retreats and Meditation in India

"The Soul's Haven" delves into the deep spiritual roots of meditation retreats found throughout India. It examines the historical and cultural contexts that shape these retreats, offering readers a profound understanding of their significance. The book also provides practical advice on retreat etiquette and how to maximize the benefits of the experience. Inspirational stories highlight the healing power of meditation.

5. Heart of Stillness: Discovering Meditation Retreats in India

This work invites readers to discover the essence of stillness through India's meditation retreats. It explores various retreat centers known for their serene atmospheres and skilled teachers. The author discusses the mental and physical benefits of retreat-based meditation, supported by scientific research and traditional wisdom. The book is a valuable resource for those seeking peace and clarity.

6. Beyond the Mind: Transformative Meditation Retreats in India

"Beyond the Mind" focuses on the transformative potential of meditation retreats in India. It highlights personal journeys of self-discovery, healing, and enlightenment encountered during extended silent retreats. The book includes interviews with meditation masters and testimonials from participants. It serves as both inspiration and a practical manual for deepening one's meditation practice.

7. Sacred Silence: India's Most Revered Meditation Retreats

This book showcases some of the most revered and respected meditation retreats across India. It provides detailed descriptions of the retreat programs, spiritual lineages, and daily schedules. The author emphasizes the power of silence and solitude in fostering profound meditation experiences. Readers will also learn about the rituals and ceremonies that complement these retreats.

8. Journey to Inner Peace: Meditation Retreats in the Indian Himalayas

Set against the breathtaking backdrop of the Himalayas, this book explores meditation retreats nestled in India's northern mountains. It captures the unique blend of natural beauty and spiritual practice that characterizes these retreats. The author shares insights on how the Himalayan environment enhances meditation and supports mental clarity. Practical tips for travel and acclimatization are also included.

9. Mindful Escapes: Exploring Meditation Retreats Across India

"Mindful Escapes" offers a broad survey of meditation retreats scattered throughout India's diverse regions. The book includes profiles of retreats suited for various levels, from beginners to advanced practitioners. It discusses the cultural nuances and spiritual atmospheres that differentiate each retreat. The author provides useful advice on preparation, meditation techniques, and post-retreat integration.

meditation retreats in india: The Routledge Handbook of Religious and Spiritual

Tourism Daniel H. Olsen, Dallen J. Timothy, 2021-07-29 The Routledge Handbook of Religious and Spiritual Tourism provides a robust and comprehensive state-of-the-art review of the literature in this growing sub-field of tourism. This handbook is split into five distinct sections. The first section covers past and present debates regarding definitions, theories, and concepts related to religious and spiritual tourism. Subsequent sections focus on the supply and demand aspects of religious and spiritual tourism markets, and examine issues related to the management side of these markets around the world. Areas under examination include religious theme parks, the UNESCO branding of religious heritage, gender and performance, popular culture, pilgrimage, environmental impacts, and fear and terrorism, among many others. The final section explores emerging and future directions in religious and spiritual tourism, and proposes an agenda for further research. Interdisciplinary in coverage and international in scope through its authorship and content, this will be essential reading for all students, researchers, and academics interested in Tourism, Religion, Cultural Studies, and Heritage Studies.

meditation retreats in india: Religious Journeys in India Andrea Marion Pinkney, John

Whalen-Bridge, 2018-08-20 Explores how religious travel in India is transforming religious identities and self-constructions. In an increasingly global world where convenient modes of travel have opened the door to international and intraregional tourism and brought together people from different religious and ethnic communities, religious journeying in India has become the site of evolving and often paradoxical forms of self-construction. Through ethnographic reflections, the contributors to this volume explore religious and nonreligious motivations for religious travel in India and show how pilgrimages, missionary travel, the exportation of cultural art forms, and leisure travel among coreligionists are transforming not only religious but also regional, national, transnational, and personal identities. The volume engages with central themes in South Asian studies such as gender, exile, and spirituality; a variety of religions, including Sikhism, Islam, Buddhism, and Christianity; and understudied regions and emerging places of pilgrimage such as Manipur and Maharashtra. [It]s rare to find such diverse accounts of religious travel collected in a single volume, where scholars' engagements with individual places of pilgrimage in India and with the journeys surrounding them are truly in conversation with one another. For readers, it makes for a deeply enlightening journey. It also raises an interesting question: Is the reality of India powerful enough that it absorbs divergent expressions of religious tourism, making of them a common fabric? Here, so unusually, readers have the materials to decide. [] John Stratton Hawley, author of A Storm of Songs: India and the Idea of the Bhakti Movement

meditation retreats in india: Lonely Planet India Lonely Planet, Michael Benanav, Joe

meditation retreats in india: The Rough Guide to India David Abram, Rough Guides (Firm), 2003 The guide to India is a useful handbook to an extraordinary country. The introductory colour section includes photography of the country's many highlights in the 42 Things Not To Miss section, from boating on the backwaters of Kerala to taking in a cricket match at the Oval Maiden in Mumbai. It provides comprehensive accounts of every attraction from the vibrant cities and elaborate temples to Himalayan peaks and palm-fringed beaches. There is also practical advice on activities as diverse as camel trekking in the Rajasthan desert, rafting on the Indus and hiking through the lunar landscapes of Ladakh. The listings sections provide hundreds of insider reviews of the best hotels, hostels, restaurants, bars, shops and museums in every city and village. The authors also give an informed insight into India's history, politics, religion, music and cinema, providing a valuable context to the reader's trip.

meditation retreats in india: The Rough Guide to India Rough Guides, 2016-10-03 The Rough Guide to India is the definitive travel guide to this captivating country. More a continent than a country, India is an overload for the senses. From the Himalayan peaks of Sikkim to the tropical backwaters of Kerala, the desert forts of Rajasthan to the mangroves of West Bengal, India's breathtaking diversity of landscapes is matched only by its range of cultures, cuisines, religions and languages. The Rough Guide to India gives you the lowdown on this beguiling country, whether you want to hang out in hyper-modern cities or explore thousand-year-old temples, track tigers through the forest or take part in age-old festivals, get a taste of the Raj or watch a cricket match. And easy-to-use maps, reliable transport advice, and expert reviews of the best hotels, restaurants, bars, clubs, and shops for all budgets ensure that you won't miss a thing. Make the most of your time with The Rough Guide to India.

meditation retreats in india: Journey To Self Margaret Dempsey, 2009

meditation retreats in india: Embodied Trauma Healing Beta Gaiana Lisboa, 2024-05-28 Embodied Trauma Healing book is a journey that merges ancient yogic wisdom with modern insights into healing and trauma. This book is more than just words on pages; it's a beacon for women seeking empowerment, self-discovery, and transformation. Within these pages, you'll find a comprehensive system designed to address the unique challenges women face. My aim is to provide not just knowledge, but tangible solutions through a practice that nurtures and empowers. Explore the power of the Embodied Trauma Healing system, drawing from studies in fascia, subtle bodies, and spiritual practices from various traditions like Buddhism, Qi Gong, and Vedic teachings. In this book, I've distilled these teachings into an accessible format, ready to support women across the globe in their awakening. Through simple yet powerful movement practices, you'll learn to release tension in your fascia, unlock your expression, and gently unravel stored trauma. Whether you're a teacher or someone working with clients, the insights and exercises here will form a strong foundation for your teachings, allowing the wisdom of the body to flow to all who seek it. As a special bonus, you'll find links to teachings with me, where I'll guide you through five foundational practices of the Embodied Trauma Healing system. It's my hope that these practices will lead you to your own sense of liberation. So, welcome to this journey of self-discovery and healing. I'm honoured to have you here, and I hope this book becomes a trusted companion on your path to growth and transformation.

meditation retreats in india: Female Kundalini Margaret Miranda Dempsey, 2014-11-06 The inner event that awakens Kundalini remains a mystery. In Margaret Dempsey's case, years of Buddhist meditation, galvanized by a traumatic contact with an attractive man, triggered the "uprising of Shakti." Her honesty in not attempting to glamorize the awakening attests to its authenticity. The author's real Self, to which Kundalini eventually brought her, is in evidence from page one, as she describes her upbringing in Catholic Ireland, her days in a boarding school run by nuns, her training as a nurse, and her escape to London, New York and India.

meditation retreats in india: Religious and Spiritual Practices in India Kamlesh Singh,

Gaurav Saxena, 2023-07-31 This book explores the positive psychological aspects of religion and spirituality in the Indian context. It discusses the concepts and practices of Hinduism, Islam, Buddhism, Christianity, Jainism, and Sikhism and their impact on overall well-being. As the global enthusiasm for Indian spirituality grows, this book brings together scholars to share their perspectives and reflections on various religious aspects. The chapters offer readers a psychological capsule of mental health, well-being, compassion, kindness, character strength, mind-body relationship, and mindfulness, providing practical strategies for a better quality of life. Furthermore, this book offers insights into the different perspectives of happiness and well-being measured across diverse demographics. It also provides a qualitative conceptualization of happiness among older people, reflections on positive aging, and highlights the facilitators and inhibitors of happiness. With its comprehensive coverage and multidisciplinary approach, this book serves as a valuable reference for postgraduate and doctoral students of Psychology, as well as a treasure trove in the libraries for researchers and faculties associated with spiritual psychology, positive psychology, religious studies, comparative literature, mental health professionals, academicians, and anyone interested in allied health fields.

meditation retreats in india: The Indian Hospitality Industry Sandeep Munjal, Sudhanshu Bhushan, 2017-08-30 India has been in transition for the last two decades, moving from a mixed economy toward a market economy model, and the Indian hospitality industry is metamorphosing into a mature industry. It is time that the story of the Indian hospitality industry is told. The Indian Hospitality Industry: Dynamics and Future Trends tells that story, one defined by the industry's push for growth in revenues and the struggle to match the revenue growth with profitability. The volume includes a selection of insightful chapters that offer research into the multiple dimensions of the Indian hospitality industry. The book covers many segments of the hospitality sector, including hotels, events and catering businesses, and restaurants and coffee shops, both domestic and small mom-and-pop businesses as well as international chains. The opening chapters set the tone for providing an overarching perspective on the status of the industry in terms of the macroeconomic variables and how they may have impacted the health of hospitality businesses in India. The book then goes on to explore a wide variety of issues. The editors and chapter authors are either practitioners themselves or researchers, looking at both domestic and international hospitality business in India and a wide variety of economic factors. The information divulged here will be important for stakeholders, which includes domestic and international hospitality professionals, business leaders, investors, and those in governmental positions, especially in the tourism ministry. The volume informs on the issues and challenges that the hospitality industry in India is up against. The book looks at the dilemma of a industry that responded to the demand growth promise by ramping up supply, only to find that the investments made were received by an actual growth that was way shy of forecasts and left investors with unexpected losses on their profit & loss statements and bloodied balance sheets.

meditation retreats in india: Guide to Buddhist Sites in the Indian Subcontinent Joy Bose, Siva Prasad Bose, 2023-07-14 The Indian subcontinent is the birthplace of Buddhism. Here is where the Buddha was born, where he lived and died. Here is where the first Buddhist councils were established, where the first monks practiced meditation, where the first stupas were built, where the great monasteries like Nalanda were established, where scholars from elsewhere in the Buddhist world came to learn Buddhism and so on. The earliest historical sites related to Buddhism were here too. In this book we provide an overview of historical sites related to Buddhism in the Indian subcontinent: including India, Sri Lanka, Pakistan, Bangladesh, Bhutan and Nepal. Here too, we only mention some of the most important sites, for listing out all sites related to Buddhism is virtually impossible on account of their great number. We have also covered holy sites belonging to all the important sects of Buddhism, including Theravada and Mahayana and Vajrayana or Tibetan Buddhism. Our preference is to focus on historically important and more famous sites. For the purposes of this book, we leave out other important Asian Buddhist countries such as Myanmar, Thailand, Vietnam, Cambodia, China and Japan for now. We will consider covering those sites in a

separate book at a later time. For the purpose of covering the sites, we group them based on proximity. The author has personally visited most of the sites mentioned in this book in India, Sri Lanka and Nepal. The aim of this book is to provide the prospective traveler and pilgrim an overview of the sites so that they too can visit and see for themselves.

meditation retreats in india: *The Beginning Is Near* Em Merson PhD, 2021-10-13 This book is quasi-autobiographical, leaning on links to music from the sixties, seventies, eighties, and nineties. Woven throughout are references to self-isolation in lockdown, a journey through the dark night of the soul toward enlightenment, and a growing awareness that those of us who open our hearts to peace and love are being called on to offer it now. I share a journal about love and loss—sudden separation from a long-term relationship—and the aftermath, leading to a new beginning. I provide ideas to support transformation from books, websites, music, some wild metaphysical blogs, and YouTube videos if publicly available—check for links in the ebook by tapping or clicking on the titles that are bold and italicized. The pivotal piece in this book is that I've used the music and techniques to transform my life and access wisdom, joy, and bliss. This inner change has led to outer change, impacting my understanding of reality and the nature of the COVID-19 phenomenon. There are some twists in this story I could never have predicted. Truth is stranger than fiction.

meditation retreats in india: Meditation Patrick J. Harbula, 2025-09-23 Meditation is an ancient practice that has brought peace and clarity to people from every time, culture, and place. Its benefits—a sense of calm, greater knowledge of self, better health—are as appealing to the modern world as they were to the ancient. In this beginner's guide to meditation, author Patrick Harbula provides readers with everything they need to know in order to experience deep meditation. Readers will learn: - The history of meditation, both Eastern and Western - The benefits of meditation for the mind, body, and spirit - Different forms of meditation practice - Supportive practices to enhance the benefits of meditation in daily living. - Simple ways to begin meditation immediately, and more... In addition, readers will also find simple techniques to deepen the meditation path for more experienced meditators. Meditation demystifies the often times intimidating world of meditation, providing the perfect starting point for anyone looking to cultivate a sense of peace in their life. Other books in the Start Here Guide Series: Energy Healing: Simple and Effective Practices to Become Your Own Healer Forest Bathing: Discovering Health and Happiness Through the Japanese Practice of Shinrin Yoku Chakras: An Introduction to Using the Chakras for Emotional, Physical, and Spiritual Well-Being

meditation retreats in india: Through Buddhist Eyes Sangharakshita, 2022-08-18 Through Buddhist Eyes continues Sangharakshita's five volumes of memoirs. Covering journeys across five continents and two decades, this volume is made up of nineteen travel letters and one talk. They are Sangharakshita's heartfelt communications to the growing membership of the new Buddhist movement he founded: the Triratna Buddhist Order.

meditation retreats in india: Phenomenologies of Grace Marcus Bussey, Camila Mozzini-Alister, 2020-05-13 This book explores the place of the body and embodied practices in the production and experience of grace in order to generate transformative futures. The authors offer a range of phenomenologies in order to move the philosophical anchoring of phenomenology from an abstracted European tradition into more open and complex experiential sets of understandings. Grace is a sticky word with many layers to it, and the authors explore this complexity through a range of traditions, practices, and autobiographical accounts. The goal is to open a grace-space for reflection and action that is both futures-oriented and enlivening.

meditation retreats in india: *The Rough Guide to India (Travel Guide eBook)* Rough Guides, 2016-10-03 Thoroughly revised and revamped with expanded coverage for its tenth edition, The Rough Guide to India is the ultimate travel guide to one of the world's great travel destinations. From the majestic landscapes of the Himalayas to the tropical backwaters of Kerala, the Rough Guide covers this endlessly fascinating country in unparalleled depth, with crystal-clear mapping and stunning photography throughout. Rough Guides' team of experts bring you all the major headline sights, from the Golden Triangle of Delhi, Agra and Rajasthan to the beaches of Goa, and

insider knowledge on new and off-the-beaten-track destinations, such as up-and-coming beach resorts and newly created wildlife reserves, with the most reliable background coverage available. You'll also find practical tips on the latest developments in this fast-changing destination, from the new e-Tourist visa programme (making it easier and cheaper to visit than ever before) to the explosion in B&Bs, home stays and hostels, the rise in adventure travel and even the incipient craft beer scene. Whether you're planning the holiday of a lifetime or a six-month backpacking adventure, The Rough Guide to India will ensure you don't miss a thing.

meditation retreats in india: Management and Practices of Pilgrimage Tourism and Hospitality Gupta, S.K., Aragon, Lilibeth C., Kumar, Pankaj, Madhurima, Ramasamy, Rajesh, 2023-10-09 Pilgrimage is one of the oldest extant and most basic forms of population mobility known to human society, and its political, social, cultural, and economic implications have always been, and continue to be substantial. In recent decades, a new focus on pilgrimage has emerged through the lens of tourism, which explores the political, cultural, behavioral, economic, and geographical impacts. Therefore, the identification of challenges in transformation and emerging ways and means of managing pilgrimage and related destinations is critical in an era of crises and disastrous situations. Management and Practices of Pilgrimage Tourism and Hospitality identifies, understands, and recognizes the changing facts and facets of pilgrimage tourism around the world. It develops and promotes pilgrimage tourism for community integration, faith-sharing, perseverance, tolerance, and pace for secular and sustainable futures. This book further identifies any new issues, scopes, challenges, and entrepreneurial opportunities for pilgrimage tourism as are found to be relevant and important for future pilgrimages with larger intensity and frequency. Covering topics such as behavioral challenges, community empowerment, and pilgrimage economy, this book is an essential resource for entrepreneurs, professionals, researchers, academicians, policymakers, students of higher education, sociologists, and more.

meditation retreats in india: Dzokchen B. Alan Wallace, 2024-11-19 Dūdjom Rinpoché was renowned for being among the foremost scholars in the Nyingma tradition. With his vast erudition, he wrote forty volumes of texts, which include classic scholarly texts as well as pith instructions, the latter of which you will find in this book. In addition to being a great scholar and contemplative, he was also a great bodhisattva, or mahāsattva, who inspired countless people to devote themselves to the practice of Dharma, with a special emphasis on Dzokchen. Like his predecessor, Dūdjom Lingpa, Dūdjom Rinpoché was also a great tertön, or treasure revealer, as illustrated in his root verses, which form the basis of his commentary in this volume. The treasures revealed by Dūdjom Lingpa and Dūdjom Rinpoché together form what is known as the Dūdjom Tersar - the New Treasure tradition of the Dūdjom lineage-which in turn was passed on to Gyatrul Rinpoché, as well as many other distinguished lamas who became disciples of Dūdjom Rinpoché. Within this book, you will find Dūdjom Rinpoché's pith instructions in the form of root verses, entitled Guidance Transmitted One-on-One to Those of Good Fortune. These verses are actually part of a much larger cycle of treasure texts revealed by Dūdjom Rinpoché on the wrathful manifestation of Padmasambhava known as Dorjé Drolö. Dūdjom Rinpoché's autocommentary on these pith instructions, entitled The Illumination of Primordial Wisdom, forms the core of this volume. I have provided my own commentary on his root texts with the intention to help illuminate this path of the Great Perfection and inspire you to devote yourself to this greatest of all journeys. My own understanding, which I will share with you here, has been informed and inspired by the core teachings and guidance I've received from my lamas, who have led me toward this path of irreversible transformation - namely, His Holiness the Dalai Lama, Gyatrul Rinpoché, Yangthang Rinpoché, Drupön Lama Karma, and many others--

meditation retreats in india: An Indian Tantric Tradition and Its Modern Global Revival D.E. Osto, 2020-03-06 This book analyzes the contemporary global revival of Nondual Śaivism, a thousand-year-old medieval Hindu religious philosophy. Providing a historical overview of the seminal people and groups responsible for the revival, the book compares the tradition's medieval Indian origins to modern forms, which are situated within distinctively contemporary religious,

economic and technological contexts. The author bridges the current gap in the literature between insider (emic) and outsider” (etic) perspectives by examining modern Nondual Śaivism from multiple standpoints as both a critical scholar of religion and an empathetic participant-observer. The book explores modern Nondual Śaivism in relation to recent scholarly debates concerning the legitimacy of New Age consumptive spirituality, the global spiritual marketplace and the contemporary culture of narcissism. It also analyzes the dark side of the revived tradition, and investigates contemporary teachers accused of sexual abuse and illegal financial activities in relation to unique features of Nondual Śaivism’s theosophy and modern scholarship on new religious movements (NRMs) and cults. This book shows that, although Kashmir Śaivism has been adopted by certain teachers and groups to market their own brand of High Tantra, some contemporary practitioners have remained true to the system’s fundamental tenets and teach authentic (albeit modern) forms of Nondual Śaivism. This book will be of interest to academics in the fields of religion and Asian philosophies, especially South Asian, tantric, neo-tantric and yoga philosophies, alternative and New Age spiritualities, religion and consumerism, and NRMs and cults. Winner of the inaugural 2021 New Zealand Asia Society Book Award, second prize.
