prayer questions for discussion: *Does Prayer Matter? A Discussion On Prayer* Eleanor DeRycke, 2017-02-02 Does Prayer Matter? A Discussion on Prayer is a book of questions. Asking questions usually receives answers, and that is what this book attempts to do by offering answers to such questions as Does God have time for me? What actually happens to my prayers? Do they just fade away? What about all the sinning I have done? How does sin effect my prayer life? How can we possibly pray without ceasing? How can I use prayer as a first aid kit? Can I somehow learn to pray as King David did in defeating his enemies? And how do I carry out God's work on earth in prayer? This book then shares our heritage in prayer, as exemplified by the lives of the mighty prayer warriors of the past—warriors such as the Reformation fighters, Luther, Calvin, Zwingli, Bucer, and Melancthon; in most recent years, E. M. Bounds, James Gilmour, A. Wetherell Johnson, and Heidi Baker; and finally Jesus Christ himself. I truly hope you come out of the other side of this book the prayer warrior you hope to become. May God bless you, prayer warrior!

prayer questions for discussion: *The Lord's Prayer* Daniel T.T. Thompson, 2014-06-30 In this book, Daniel Thompson shares his life experiences and how he relates them to developing a richer, fuller relationship with Jesus Christ, God, and the Holy Spirit. Biblical quotes are included, to be studied and applied to your own life experiences. It is his desire as you read his book that you will understand your own life challenges and how you can relate them to deepening your own relationship with our personal Lord and Savior, Jesus Christ. Jesus Christ gave us the words in the Lord's Prayer, and it is up to us to incorporate them into our own lives. Daniel encourages you to write your own words in this book and leave your own legacy to your family. Most importantly, when you put your own personal feelings in writing, you show God you are doing more than merely reciting words. You are defining your own personal relationship with God, and you are showing Him you are looking forward to spending eternity in His heavenly kingdom. Thoroughly enjoyed learning more about the Lord's Prayer through the life, testimony, and practical direction that Thompson gives us in this work. Excellent read and workbook for someone wanting to not only learn more on how to pray the Lord's Prayer, but to live it. And as his pastor, I can certainly say he lives it. -Dr. Randall T. Hahn, Sr. Pastor, Colonial Heights Baptist Church, Virginia

prayer questions for discussion: *Death Be Not Proud* David Marno, 2016-12-21 The seventeenth-century French philosopher Nicolas Malebranche thought that philosophy could learn a valuable lesson from prayer, which teaches us how to attend, wait, and be open for what might happen next. *Death Be Not Proud* explores the precedents of Malebranche’s advice by reading John

Donne's poetic prayers in the context of what David Marno calls the "art of holy attention." If, in Malebranche's view, attention is a hidden bond between religion and philosophy, devotional poetry is the area where this bond becomes visible. Marno shows that in works like "Death be not proud," Donne's most triumphant poem about the resurrection, the goal is to allow the poem's speaker to experience a given doctrine as his own thought, as an idea occurring to him. But while the thought must feel like an unexpected event for the speaker, the poem itself is a careful preparation for it. And the key to this preparation is attention, the only state in which the speaker can perceive the doctrine as a cognitive gift. Along the way, Marno illuminates why attention is required in Christian devotion in the first place and uncovers a tradition of battling distraction that spans from ascetic thinkers and Church Fathers to Catholic spiritual exercises and Protestant prayer manuals.
