pregnancy test box gift: Judah's Justice Robin Winters, 2018-08-20 Islamic terrorists loyal to Hezbollah have plotted to detonate a thermonuclear IED (improvised explosive device) in New York City. With God's grace, the CIA acted as liaison with SOCOM (Special Operations Command) in a highly classified, Super Secret, clandestine operation, code-named Wrath of God. The land of milk and honey is under siege by genocidal Islamic combatants. The threat to humanity must be terminated under the most supreme law—the divine decree of God's law. Judah's Justice sheds a very bright light upon a very dark path that our courageous counterterrorism operatives must tread. You'll be deeply shaken, inspired, and motivated to respect and honor the sacred men and women of the CIA Directorate of Operations, Clandestine Service. Without their sacrifices in the face of

existing dangers, America would be under martial law; our civil liberties and freedoms lost. Life in America would be anarchy. The true colors of our star-spangled banner would no longer shine. Judah's Justice is the stage for the NWOD (New World Order Decree) endorsed by the United Nations Security Council.
