The event underscores the importance of teachers as mentors, role models, and leaders who inspire lifelong learning. Celebrating teacher appreciation week 2025 will continue to emphasize these values by remembering the origins and ongoing relevance of this observance.

## The Origins of Teacher Appreciation Week

The concept of dedicating a week to honor teachers began in the United States in the 1950s and 1960s. The National Education Association (NEA) and the American Federation of Teachers (AFT) played key roles in promoting the initiative. The original idea was to provide a specific time each year when the contributions of teachers could be publicly acknowledged and celebrated. Over time, teacher appreciation week became

an official event recognized nationwide, fostering a culture of respect and gratitude within educational communities.

## **Why Teacher Appreciation Week Matters**

Teacher appreciation week serves as a crucial reminder of the challenges and rewards inherent in the teaching profession. Recognizing educators helps boost morale, improve job satisfaction, and strengthen the relationship between teachers and their communities. In 2025, this observance will continue to promote a positive culture that values education and those who dedicate their lives to it.

## **When is Teacher Appreciation Week 2025?**

Teacher appreciation week is traditionally celebrated during the first full week of May each year. In 2025, teacher appreciation week will take place from Monday, May 5th, through Friday, May 9th. Without knowing what was behind her anxiety, intrusive thoughts, and fears, she created other names for them: “not good enough,” “unworthy,” “messed up,” and “wrong.” Through the slow process of understanding her own story, she discovered a glorious path to healing, as well as a calling to become a therapist to help others in the same way. Now, Monica has created a guide to help you identify the patterns and barriers that are keeping you from being your authentic self. While not every wound may fully heal, each one can be understood, and that understanding starts when you confront the pain—not just recognizing the hurt, but naming and honoring it. In *Your Pain Has a Name*, Monica offers a compassionate, open space for you to give voice to your pain. With the nurturing curiosity often found in a therapist’s office, she will help you:

- Uncover your hurts: Pinpoint and define the hidden pain that’s holding you back.
- Name your pain: Accurately describe and validate your feelings.
- Reclaim your identity: Distinguish yourself from the false stories your pain has created.
- Embrace your healing: Release the pain that no longer serves you and step into your truth.

In finding the language to describe your hurts, you gain the space and courage to become your fullest self—mentally, emotionally, and spiritually. Join Monica on a journey to release the pain that isn't yours to carry.

**teacher appreciation week 2025: Recipes from Mom** Gaye Lynne Knott, 2025-08-08 *Recipes from Mom: Alzheimer's through the Eyes of a Daughter* is a true story of how one woman witnesses the decline of her mother as Alzheimer's disease steals her mom little by little. The one thing that Alzheimer's could not steal was the recipes of the heart, which she learned from her strong and beautiful mother. Giving her the strength to endure, these recipes provided her with each ingredient needed when searching for spiritual wisdom, helping her to persevere and pull through each battle. She recalls the simple moments spent with her mom, reflecting on their conversations and the life choices her mom made. She did not realize that these moments would one day be their saving grace. Over the years, Gaye began to realize this fight would become a war; therefore, she equips herself with the only vice that can win any war, and that is God's word. Gaye journaled, prayed, and learned to listen, enabling her to piece together this emotional journey. This nonfiction narrative illustrates the incredible way in which the light of faith can pierce through the most difficult seasons of darkness by choosing faith over fear and God over self. A true testament to how the sweetest things can arise even when all hope is lost.
