teacher appreciation week 2024 az: Gandhi's African Legacy: Phoenix Settlement 1904 to 2024. A History Through Letters Uma Dhupelia-Mesthrie, 2024-10-01 "This is an epic work which gives us another deep insight not just into the South African Gandhi but also into his colleagues at the settlement and an ongoing biography of the settlement itself. This is the first book telling the history of Phoenix Settlement from its founding to now. It provides us with a view into the lives of the residents and supporters, rather than merely a history of the buildings. This is a goldmine for researchers. It very skilfully presents the role of the settlement in the campaigns against apartheid in the early 1950s and the international recognition of its actions and the stimulus they provided for international campaigns. The story of the settlement as a haven for multi-racial gatherings in the time of apartheid, and, regardless of this, the disaster that followed is wonderfully told." - Thomas Weber, Emeritus Professor, La Trobe University, Melbourne "Another magisterial book from Dhupelia-Mesthrie, this time on Phoenix, told through deeply researched contextual chapters and the letters of those who lived there. Informed by a lifetime's work on Gandhi and drawing on archives and personal papers from across the world, this monumental work will be treasured by grateful scholars and readers for decades to come." - Isabel Hofmeyr, Emeritus Professor, University of the Witwatersrand "The book provides a major, new, in-depth understanding of a major initiative in Gandhi's life, an initiative which laid the ground for his work in South Africa and in India, and whose resonances are still being felt in the world." - Ramachandra Guha, Eminent biographer of Gandhi

teacher appreciation week 2024 az: United States Holidays and Observances Steve Rajtar, 2024-10-17 Every day of the year, somewhere in the United States, some sort of holiday or special remembrance is being observed by individuals, organizations, or governments. January 30 is Pennsylvanians with Disabilities Day. On March 26, Hawaii celebrates Prince Janah Kuhio Kalanianaʻole Day. November 9 is set aside for Women Veterans Day in Alaska, while in Puerto Rico they honor baseball scout Pedrin Zorilla, and as the sun sets, New Jersey holds a Kristallnacht Memorial Night. This book is a detailed reference work about holidays and special observances established by statute in the United States, including American Samoa, the District of Columbia, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands. Because the United States is a member state of the United Nations, U.N.-designated holidays and longer periods of time, such as years and decades devoted to important world issues, are also included. Following the day-by-day section, holidays are listed chronologically within their jurisdictions (federally designated observances are first in the list; states and territories follow in alphabetical order). A subject index offers access to particular topics (nursing, education, peace...) and a name index indicates holidays celebrating the lives of individuals.

teacher appreciation week 2024 az: Autobiographical Lectures of Leaders in Art Education, 2001-2021 Stephanie Autumn Baer, Katherine Coy Smith, Stephanie Harvey Danker, 2024-03-29 This scholarly collection is a continuation of a lecture series highlighting the essential nature of biography in the history of art education. The editors feature 16 prominent art educators, organized into one of three chronological sections spanning the past two decades. The contributing art educators explore influences that shaped their beliefs about art education and the arts, describe their career paths, explain their philosophy of art education and its development, and advise, predict, or speculate about the future. Every chapter concludes with essential questions and instructional resources to guide readers in their reflection. In reading these lectures, art education faculty, students, and any adjacent professional to the arts and art history can learn the importance of biographical and autobiographical study to research. Beyond research, readers can use the lectures to consider and question teaching and mentoring relationships, the power of influence, and what qualities may contribute to the recognition of exemplary success for art educators.
