teacher appreciation week 2024 california: United States Holidays and Observances

Steve Rajtar, 2024-10-17 Every day of the year, somewhere in the United States, some sort of holiday or special remembrance is being observed by individuals, organizations, or governments. January 30 is Pennsylvanians with Disabilities Day. On March 26, Hawaii celebrates Prince Janah Kuhio Kalanianaʻole Day. November 9 is set aside for Women Veterans Day in Alaska, while in Puerto Rico they honor baseball scout Pedrin Zorilla, and as the sun sets, New Jersey holds a Kristallnacht Memorial Night. This book is a detailed reference work about holidays and special observances established by statute in the United States, including American Samoa, the District of Columbia, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands. Because the United States is a member state of the United Nations, U.N.-designated holidays and longer periods of time, such as years and decades devoted to important world issues, are also included. Following the day-by-day section, holidays are listed chronologically within their jurisdictions (federally designated observances are first in the list; states and territories follow in alphabetical order). A subject index offers access to particular topics (nursing, education, peace...) and a name index indicates holidays celebrating the lives of individuals.

teacher appreciation week 2024 california: From the Jar of Blessings Shawn Wells,

2024-06-10 From the Jar of Blessings is a compilation of about 270 blessings and/or inspirational quotes that were sent to me by family and friends over a period of eleven years. I would write each blessing/quote on bright-colored squares of paper, fold them up, and put them in a big glass olive jar I have. For this book, I have taken each blessing and/or quote and written my thoughts about them. Some of the blessings/quotes are deeply personal while others are quite funny. This book reminds us that God sends us blessings and inspiration on a regular basis, whether it be a simple blessing such as a small act of kindness or a huge blessing such as sparing a life after what could have been a fatal accident. All too often, we are so busy that we don't take the time to focus on the blessings all around us. Some of the blessings in this book were sent to me by adults, and others were sent by kids. For some reason, kids have an easier time recognizing blessings. One boy sent in the following blessing: "I am thankful a boy in my class spoke up and stopped someone from bullying me." I was so blessed to know that there were students at the school who were willing to stand up for others. Bullying is such a problem in our schools, and it is so important that children and adults stand up against it. The blessings/quotes in this book deal with topics such as Alzheimer's disease, caregiving,

lack of finances, cancer, and many more. Hopefully, the blessings and/or quotes in this book will cause you to look at day-to-day life from a different perspective.
