The TEAS 7 exam is a standardized test designed to assess the academic preparedness of prospective nursing students. It evaluates fundamental skills in four primary content areas: Reading, Mathematics, Science, and English Language Usage. The exam format consists of multiple-choice questions, and the total test duration is approximately 3 hours and 29 minutes. The TEAS 7 is administered by ATI Testing and serves as a critical benchmark for nursing program admissions across the United States.

## Exam Structure and Scoring

- Reading: 45 questions

Each section is scored individually, and the composite score is calculated to determine overall performance. Understanding the structure helps students allocate study time appropriately to each subject area.

Consequently, thorough preparation using reliable resources optimizes the chances of achieving a competitive score.
