who owns method body wash: The Method Method Eric Ryan, Adam Lowry, Lucas Conley, 2011-09-15 An inspiring case study for the next generation of start-ups by the unconventional founders of Method. Founded ten years ago by childhood pals Eric Ryan and Adam Lowry, Method has been making headlines and profits with a revolutionary blend of culture and commerce, style and substance. Today, Method's ecofriendly soaps, detergents, and cleaners are ubiquitous in stores, capturing valuable shelf space long dominated by the tired old products of giants P&G and Unilever.
