

why am i so bad with relationships

why am i so bad with relationships is a question that many individuals ask themselves when they encounter repeated challenges in forming and maintaining romantic or interpersonal connections. Understanding the underlying reasons behind relationship difficulties is crucial for personal growth and improving future interactions. This article explores common causes of relationship struggles, including communication issues, emotional baggage, and attachment styles. It also delves into the impact of self-esteem, personal boundaries, and external influences such as social environment and upbringing. By addressing these factors, readers can gain insights into their relational patterns and learn practical strategies to foster healthier connections. The following sections provide a detailed examination of these topics to help clarify why one might face persistent challenges in relationships and how to overcome them effectively.

- Common Psychological Factors Affecting Relationships
- Communication Barriers and Their Impact
- Emotional Baggage and Past Experiences
- The Role of Self-Esteem in Relationship Success
- Attachment Styles and Relationship Patterns
- Setting Boundaries and Maintaining Healthy Dynamics
- External Influences: Family, Culture, and Social Environment

Common Psychological Factors Affecting Relationships

Psychological elements play a significant role in how individuals engage in relationships. Understanding these factors can shed light on why some people struggle to maintain healthy partnerships. Mental health issues such as anxiety, depression, and unresolved trauma can interfere with emotional availability and intimacy. Additionally, personality traits, including fear of rejection or abandonment, can cause individuals to sabotage relationships unconsciously. Recognizing these psychological components is a critical step toward addressing the root causes of relational difficulties.

Impact of Mental Health on Relationships

Mental health conditions often affect communication, trust, and emotional regulation within relationships. For example, anxiety may lead to excessive worry about a partner's feelings or intentions, while depression might reduce motivation to engage actively in the relationship. Without proper management, these issues can create misunderstandings and distance between partners, contributing to a pattern of unsuccessful relationships.

Personality Traits and Relationship Challenges

Certain personality traits, such as high neuroticism or low agreeableness, can complicate relationship dynamics. Individuals who struggle with trust or who have a tendency toward controlling behavior may find it difficult to establish mutual respect and cooperation. Awareness of personal traits helps in developing strategies to improve interactions and reduce conflict.

Communication Barriers and Their Impact

Effective communication is foundational to successful relationships. When communication barriers exist, misunderstandings and unresolved conflicts become common. These barriers can take various forms, including poor listening skills, inability to express emotions clearly, or avoidance of difficult conversations. Identifying and addressing communication issues is essential to breaking negative relational cycles.

Common Communication Issues

Miscommunication often arises from assumptions, lack of clarity, or emotional reactivity. For instance, interpreting a partner's silence as disinterest can lead to unnecessary conflict. Similarly, failing to articulate needs or concerns leaves issues unresolved, fostering resentment. Enhancing communication skills through active listening and assertiveness can significantly improve relationship quality.

Techniques to Improve Communication

- Practice active listening by giving full attention and reflecting back what is heard.
- Use "I" statements to express feelings without blaming or criticizing.
- Schedule regular check-ins to discuss relationship status and concerns.
- Avoid interrupting or dismissing a partner's perspective.

- Seek professional guidance such as couples therapy if communication problems persist.

Emotional Baggage and Past Experiences

Past experiences, particularly negative or traumatic ones, heavily influence present relationships. Emotional baggage can manifest as trust issues, fear of intimacy, or repeated patterns of conflict. Understanding how previous relationships or childhood experiences shape current behavior is vital for breaking detrimental cycles.

The Influence of Childhood and Family Background

Family dynamics and early attachment experiences often set the template for adult relationships. For example, growing up in an environment with inconsistent caregiving or conflict can lead to difficulties in trusting others or managing emotions. Exploring these origins can provide clarity about one's relational challenges.

Breaking Free from Past Patterns

Healing emotional wounds involves self-reflection, therapy, and developing new coping mechanisms. Recognizing triggers and consciously choosing healthier responses helps individuals move beyond the limitations imposed by their past. This process is crucial for building fulfilling, stable relationships.

The Role of Self-Esteem in Relationship Success

Self-esteem significantly impacts how individuals approach and maintain relationships. Low self-esteem can lead to dependence, jealousy, or settling for unhealthy partnerships. Conversely, healthy self-esteem fosters confidence, assertiveness, and the ability to set appropriate boundaries, which are essential for mutual respect and satisfaction.

Signs of Low Self-Esteem Affecting Relationships

Indicators include constant need for reassurance, fear of abandonment, and difficulty accepting love. These behaviors often push partners away or create imbalanced dynamics. Addressing self-esteem issues through personal development and supportive relationships is key to improving relational outcomes.

Strategies to Build Healthy Self-Esteem

- Engage in activities that promote a sense of accomplishment and self-worth.
- Challenge negative self-talk and replace it with positive affirmations.
- Set realistic personal goals and celebrate progress.
- Surround oneself with supportive and encouraging individuals.
- Consider counseling or coaching to address deep-seated self-esteem concerns.

Attachment Styles and Relationship Patterns

Attachment theory explains how early bonds with caregivers influence adult relationship behavior. Attachment styles—secure, anxious, avoidant, and disorganized—affect how people express needs, handle conflict, and connect emotionally. Recognizing one's attachment style can illuminate why relationships may fail and suggest pathways for change.

Overview of Attachment Styles

- **Secure:** Comfortable with intimacy and autonomy; generally positive relationship experiences.
- **Anxious:** Preoccupied with partner's availability; may exhibit clinginess or fear of rejection.
- **Avoidant:** Value independence and may avoid closeness; often suppress emotions.
- **Disorganized:** Exhibit inconsistent or contradictory behaviors; often result from trauma.

Adapting Attachment Styles for Healthier Relationships

While attachment styles are relatively stable, they are not unchangeable. Through self-awareness, therapy, and consistent practice of new relational behaviors, individuals can develop more secure attachment patterns. This

shift enables better emotional regulation and deeper, more satisfying relationships.

Setting Boundaries and Maintaining Healthy Dynamics

Healthy relationships require clear boundaries that respect each partner's needs and limits. Difficulty establishing or respecting boundaries often leads to resentment, codependency, or conflict. Learning to communicate limits effectively and honor those of others is essential for relationship success.

Importance of Boundaries in Relationships

Boundaries define acceptable behavior and protect emotional well-being. They promote mutual respect and prevent exploitation or neglect. Without boundaries, relationships may become unbalanced, leading to dissatisfaction and eventual breakdown.

Practical Tips for Boundary Setting

- Identify personal values and non-negotiable limits.
- Communicate boundaries clearly and calmly to partners.
- Be consistent in enforcing boundaries without guilt or apology.
- Respect the boundaries set by others to build trust.
- Seek professional support if boundary violations become a recurring issue.

External Influences: Family, Culture, and Social Environment

The broader social context, including family expectations, cultural norms, and peer influences, shapes relationship behaviors and attitudes. External pressures can create conflicts between individual desires and social obligations, complicating relationship dynamics.

Family and Cultural Expectations

Family traditions and cultural values often dictate acceptable relationship practices, partner choices, and roles within relationships. These influences may cause internal conflict or strain relationships if personal values differ from those imposed by the social environment.

Navigating Social Environment Challenges

Peer pressure, social media, and community attitudes can affect relationship perceptions and behaviors. Awareness of these external factors and critical evaluation of their impact help individuals make conscious choices aligned with their authentic needs and relationship goals.

Frequently Asked Questions

Why do I struggle to maintain healthy relationships?

Struggling to maintain healthy relationships can stem from various factors such as poor communication skills, unresolved past traumas, low self-esteem, or mismatched expectations. Reflecting on your patterns and possibly seeking professional guidance can help identify the root causes.

Could my fear of vulnerability be why I'm bad with relationships?

Yes, fear of vulnerability often leads people to avoid deep emotional connections, which can hinder relationship growth. Opening up gradually and building trust can improve your ability to connect meaningfully with others.

How does my attachment style affect my relationships?

Your attachment style, formed early in life, influences how you relate to others emotionally. For example, anxious or avoidant attachment styles can create challenges in intimacy and trust. Understanding your attachment style can help you develop healthier relationship habits.

Am I self-sabotaging my relationships without realizing it?

It's possible. Self-sabotage can manifest as pushing people away, being overly critical, or creating unnecessary conflicts. Becoming aware of these behaviors and exploring their origins can help you break the cycle and foster better relationships.

Can poor communication skills be the reason I struggle in relationships?

Absolutely. Effective communication is crucial for resolving conflicts and expressing needs. Improving your listening skills, being clear about your feelings, and practicing empathy can significantly enhance your relationships.

Should I seek therapy to improve my relationship skills?

Seeking therapy can be very beneficial. A therapist can help you understand underlying issues, develop healthier patterns, and provide tools to improve your interpersonal skills, ultimately leading to more fulfilling relationships.

Additional Resources

1. Attached: The New Science of Adult Attachment and How It Can Help You Find – and Keep – Love

This book explores attachment theory and how early relationship patterns influence adult romantic connections. It explains why some people struggle with intimacy and offers practical advice for developing healthier, more secure relationships. Understanding your attachment style can be a key step in improving your relationships.

2. The Road Less Traveled: A New Psychology of Love, Traditional Values and Spiritual Growth

M. Scott Peck's classic work delves into the nature of love and the challenges of personal growth within relationships. It highlights the importance of self-discipline, honesty, and emotional maturity in building lasting partnerships. Readers gain insight into why they might face repeated relationship difficulties.

3. Hold Me Tight: Seven Conversations for a Lifetime of Love

Dr. Sue Johnson presents Emotionally Focused Therapy (EFT) techniques to help couples create stronger emotional bonds. The book explains common relationship pitfalls and teaches how to communicate needs effectively. It's particularly helpful for those feeling stuck or disconnected in their relationships.

4. The Five Love Languages: The Secret to Love that Lasts

Gary Chapman introduces the concept of different ways people express and receive love, such as words of affirmation or acts of service. Understanding your own and your partner's love language can resolve misunderstandings and deepen connection. This book is useful for anyone struggling to feel appreciated or understood in relationships.

5. *Why Does He Do That?: Inside the Minds of Angry and Controlling Men*

Lundy Bancroft sheds light on abusive and controlling behaviors in relationships, helping readers recognize unhealthy dynamics. It is an eye-opening resource for those who wonder why their relationships are fraught with conflict or manipulation. The book also offers guidance on finding safety and healing.

6. *Getting the Love You Want: A Guide for Couples*

Harville Hendrix provides tools for couples to understand their subconscious patterns and heal childhood wounds affecting their relationships. The book includes practical exercises to improve communication and intimacy. It's ideal for anyone seeking to break negative cycles and build a loving partnership.

7. *Men Are from Mars, Women Are from Venus*

John Gray's famous book explains fundamental differences in how men and women communicate and express emotions. Recognizing these differences can reduce misunderstandings and frustration in relationships. The book offers strategies for improving empathy and cooperation between partners.

8. *The Relationship Cure: A 5 Step Guide to Strengthening Your Marriage, Family, and Friendships*

John Gottman and Joan DeClaire provide research-based advice to enhance emotional connections in all kinds of relationships. The book focuses on improving communication skills and resolving conflicts effectively. It's a practical guide for those who feel stuck in negative relational patterns.

9. *Insecure in Love: How Anxious Attachment Can Make You Feel Jealous, Needy, and Worried and What You Can Do About It*

Written by Leslie Becker-Phelps, this book addresses the challenges of anxious attachment and its impact on romantic relationships. It offers strategies to build self-confidence, manage fears of abandonment, and create secure bonds. Readers gain tools to overcome insecurity and develop healthier relationships.

why am i so bad with relationships: Tamed By The One He Wronged Mia X, 2025-07-03

□They thought they were enemies. Fate made them mates.□ Joy Stone isn't just the brainy, sarcastic queen of pranks—she's a deadly Alpha hybrid in disguise. At her human university, no one suspects the quiet nerd is also the fiercest warrior of the Diamond Heart Pack. Until he walks in. Lex: infuriatingly gorgeous, maddeningly brilliant, and cocky enough to challenge her at every turn. He's

also the future Alpha of the Water Moon Pack, a notorious playboy whose charm breaks hearts almost as fast as his fists break bones—and now, her new rival for the top spot on campus. Their war starts with stolen notes, savage comebacks, and steamy glares that last too long. But one reckless kiss, one dark secret, and one blood-soaked rescue later... everything changes. They're not just rivals. They're mates. Now Joy has to choose: resist the pull—or give in to a bond that could expose everything she's worked to hide. Enemies in the classroom. Lovers by fate. And in the end, only one will top the pack. Note: This is Book 7 of 7 in the Reverse Harem Sextuplet Series.

why am i so bad with relationships: How to Be an Adult in Relationships David Richo, 2021-11-02 Most people think of love as a feeling, says David Richo, but love is not so much a feeling as a way of being present. In this book, Richo offers a fresh perspective on love and relationships—one that focuses not on finding an ideal mate, but on becoming a more loving and realistic person. Drawing on the Buddhist concept of mindfulness, *How to Be an Adult in Relationships* explores five hallmarks of mindful loving and how they play a key role in our relationships throughout life: 1. Attention to the present moment; observing, listening, and noticing all the feelings at play in our relationships. 2. Acceptance of ourselves and others just as we are. 3. Appreciation of all our gifts, our limits, our longings, and our poignant human predicament. 4. Affection shown through holding and touching in respectful ways. 5. Allowing life and love to be just as they are, with all their ecstasy and ache, without trying to take control. When deeply understood and applied, these five simple concepts—what Richo calls the five A's—form the basis of mature love. They help us to move away from judgment, fear, and blame to a position of openness, compassion, and realism about life and relationships. By giving and receiving these five A's, relationships become deeper and more meaningful, and they become a ground for personal transformation.

why am i so bad with relationships: If This Is Love, Why Am I Unhappy? Scott Kudia, 2006-11 Whether you withdraw, yell, disconnect, or give the silent treatment in your relationships, you will discover why the same problems keep coming up and what you can do about it.

why am i so bad with relationships: Your Relationship Lucy Atcheson, 2010-03-01 The joy of the best relationships is their changing nature - they surprise us and adapt throughout our lives. However, what happens when we cannot find a way to adapt? Whether your relationship is seriously dysfunctional or simply not quite as good as you'd like it to be, this book is for you. With sound advice and a down-to-earth style, Lucy Atcheson takes you through the ten areas that most influence the type of relationships you have. In just one month, she demonstrates how to dramatically improve the quality of your relationships. Even if you're not in a relationship, Lucy's guide will help you recognise issues that can prevent you finding the perfect partner. This book will help you and your partner to build trust, move past arguments and, most importantly, discover a deeper understanding, using practical, tailored methods. The relationships that define our lives are dynamic, and this book will allow you to overcome together every challenge that comes with that.

why am i so bad with relationships: Ten Steps to Nanette Hannah Gadsby, 2022-03-29 NEW YORK TIMES BESTSELLER • Multi-award-winning Hannah Gadsby broke comedy with their show *Nanette*. In this “enthraling” (The Washington Post) memoir, they take us through the defining moments in their life and their powerful decision to tell the truth—no matter the cost. Don’t miss Hannah Gadsby’s *Something Special*, now streaming! “Hannah is a Promethean force, a revolutionary talent. This hilarious, touching, and sometimes tragic book is all about where their fires were lit.”—Emma Thompson A BEST BOOK OF THE YEAR: PopSugar, Vulture “There is nothing stronger than a broken woman who has rebuilt herself,” Hannah Gadsby declared in their show *Nanette*, a scorching critique of the way society conducts public debates about marginalized communities. Gadsby grew up as the youngest of five children in Tasmania, where homosexuality was illegal until 1997. After moving to mainland Australia and receiving a degree in art history, they found themselves adrift, working itinerant jobs and enduring years of isolation punctuated by homophobic and sexual violence. When Gadsby was twenty-seven, a friend encouraged them to enter a stand-up competition. They won, and so began their career in comedy. Gadsby became well known for their self-disparaging humor, but in 2015, as Australia debated the legality of same-sex marriage,

they started to question this mode of storytelling, beginning to work on a show that would transform their career and would become “the most-talked-about, written-about, shared-about comedy act in years” (The New York Times). Harrowing and hilarious, *Ten Steps to Nanette* traces Gadsby’s growth as a queer person, their ever-evolving relationship with comedy, and their struggle with late-in-life diagnoses of autism and ADHD, finally arriving at the backbone of *Nanette*: the renouncement of self-deprecation, the rejection of misogyny, and the moral significance of truth-telling.

why am i so bad with relationships: *Women, Are You Serious?* Sharif K. Rasheed, 2014-06-11 In *Women, Are You Serious*, Sharif K. Rasheed asks women to question their relationships with both self and others. Looking at past relationships is a thought-provoking self-empowerment tool to motivate you while you embark on a personal journey to self-love. Happiness starts with awareness and honesty. Guided by what he believes are the principle factors to achieving happiness, Rasheed helps you embrace your personal strengths that will become the building blocks to your new foundation of love and happiness. The question now is, *Women, Are You Serious?*

why am i so bad with relationships: *Why Am I So Miserable If These Are the Best Years of My Life?* Andrea Boroff Eagan, 1988-05 A guide to help the teenage girl learn who she is and what she wants, avoid a few pitfalls, and learn the facts she needs to make decisions.

why am i so bad with relationships: Do You Really Want to Know Why I Am Not at Home? Gregory L. Wright, Aaron J. Cox, 2011-08 This book was written from the REAL perspective of everyday men and women that struggle with finding peace in their home. No clinical sounding or Doctoral thesis was necessary to discuss what real people like you and I need to know. Stop paying the bills for drama to live in your home. A PLEA FOR CHANGE is here. Long time friends and Co-Authors Gregory Wright and Aaron Cox look at the real issues that divide men and women in today's relationships. They feel society has conditioned us how to think, act and look. They also believe mass media ploys are becoming more main stream than family values. The hearts of men and women in this society have been suppressed by emotional thinking. They ask the question Is society REALLY interested in your well being and quality of life? Is it true to say our emotions drive our wants, but needs are attached to the heart? Our chapters will also identify how our wants have taken priority and our needs have been put off until another day that will come too late, if at all. Please don't be offended or take anything personally, we had to keep it REAL. Along with some laughs this book guarantees to put you back on track for what's REALLY important and living the American dream and not the American theme. Do you REALLY want to know why I am not at home exposes key issues to why we REALLY don't want to be home.

why am i so bad with relationships: Is This Really Love? Leah Aguirre, 2025-07-01 Coercive control and emotional abuse create an unequal power dynamic—giving the perpetrator power and creating anxiety, confusion, self-doubt, fear, and a sense of entrapment for the victim. This trauma-informed guide spotlights the red flags of coercive control, and provides tools to help readers break free from toxic love relationships and gain clarity, autonomy, and control of their lives.

why am i so bad with relationships: Why? Phil Nery, 2005-03 The tragedy of suicide in the United States is very real and each year close to 30,000 Americans die by suicide. It is currently the 11th leading cause of death among all age groups. --U.S. Department of Health & Human Services Why? Why would someone try to commit suicide? This is the question that family and friends of Maxx Springs are left to ponder after he attempts to kill himself. After going on a harsh diatribe about his life and the world as he sees it, Maxx is left struggling to survive a self-inflicted gunshot wound to the head. Taking turns visiting him in the hospital, a different person from his life gives their perspective of why Maxx attempted suicide while also discussing their own varied philosophies on life. After hearing all the things his family and friends have to say, yet unable to give them a response, Maxx is left challenging God, Satan and himself...until he has the ultimate epiphany.

why am i so bad with relationships: Proceedings RMRS. , 1998

why am i so bad with relationships: *Why Smart Girls Get Into Bad Relationships and How Not*

To Do It Again Barbara Leigh, 2024-08-17 Have you ever asked yourself, "How did I get here?" and then were struck by the fact that if you don't know how you got here, you will probably be here again? Does that terrify you? You thought you were doing everything right. And yet, you ended up in a place you didn't want to be. Where was the wrong turn? Was there a sign you missed? How did this happen?? Those questions are like asking if you got the license plate of the truck that hit you. If you knew the truck was out of control, you probably would have been better at avoiding being hit. Rather than worrying about the next truck, maybe it's time to explore how that truck got to the point of hitting you. Perhaps you chose to ignore the clues that a truck was careening down the street at you. Is it possible you trusted the truck driver and just assumed they were able to see you and actively avoid you? Could it be you thought you could outrun the truck? Maybe the problem lies in your beliefs about you and the truck. With wit and impactful common sense, Barbara Leigh raises your romantic situational awareness by looking at how beliefs about yourself and relationships can eventually lead to that hit-by-a-truck feeling. Tapping into your own truth to rewrite those beliefs, Leigh guides you to a healthier and more aware place where you can learn to trust yourself to move forward, truck-free.

why am i so bad with relationships: The Automatic Writing Experience (AWE) Michael Sandler, 2021-02-16 An AWE-Inspiring Adventure Automatic writing can do more than merely help you tap into inner guidance. The practice can boost creativity, ignite intuition, and even trigger mystical experiences. - January/February 2022 issue of Unity Magazine. Ever grabbed the steering wheel, and yanked it to the side, just in the nick of time? Or ever picked up the phone to call someone, only to find they're already there! Inside of each one of us, is an inner wisdom just waiting to come out. It's the voice that had you turn the wheel or pick up the phone. And this inner knowing has the answers to your most pressing questions. Where do I go? What do I do? Why am I even here? Or even how do I get out of this mess? The answers are closer than you think and with The Automatic Writing Experience (AWE), a revolutionary process to enter a meditative state, put pen to paper, and watch the words flow, you'll have access to this incredible wisdom anytime you want. And the greatest thing is, you don't need any particular belief, spirituality, or even gift. This ability to tap in is available to everyone--especially you. In AWE, you'll quickly and easily learn how to tune into this wisdom, get answers, find direction, and point your ship almost anywhere you desire. You'll learn more about your life than you ever imagined! And using AWE, you'll tap into the most powerful manifestation tool, putting the law of attraction into action, helping attract your dreams, and much more.

why am i so bad with relationships: Black Tear Society Tajuana Simpson, 2010-08-17 Black Tear Society is the autobiographical memoir of a young woman who knows, has seen, and has heard too much. Tajuana Simpson wrote this book after realizing that she needed an outlet or else she might lose her sanity. She had become tired of being tired. However, she was then unaware of her root problem, that she lacked the experience of having a real father. Her childhood memories were clouded by the violence and dysfunction which her biological father brought on her family before he abandoned them. As an adult, Ms. Simpson worked, was an able single parent, and truly appeared normal in others' eyes. However, she increasingly found that when others were happy around her, she was sad, and when others were sad, she was happy. It appeared There was a tear that stayed on her face for several years, one that you couldn't see or touch. In order to conquer this sadness, she had to write Black Tear Society. This book points out the shame of those who hide behind false exteriors and fail to own up to interior, self-based issues. It deals with ones who stay in the window and never take a look in the mirror or try to gain understanding. Ms. Simpson has realized that a nation of people is crying out for help with a black tear, and wondering if the unhappiness will ever go away.....

why am i so bad with relationships: Veronica R. Russell, 2012

why am i so bad with relationships: Authentic Self Rebirth Polish Peter Kolat, 2025-09-09 In Authentic Self Rebirth, Polish Peter guides people through a powerful, step-by-step process to transform fear, self-doubt, and confusion into peace, purpose, and confidence. Through personal

stories and transformative breakthroughs, people will learn how to release limiting beliefs and rebuild their lives on a foundation of authenticity. Authentic Self Rebirth uncovers the 7 Human Drives that influence every decision people make, helping them understand themselves and those around them. It shows people how to rewrite the story they have been telling themselves, and introduces the Rebirth Visualization, a guided practice to uncovering clarity and inner peace. With hands-on exercises at the end of each chapter, Authentic Self Rebirth ensures people don't just read about transformation—they live it. Whether they're people pleasers trapped in emotional cycles or someone looking to make fearless decisions, this inspirational guidebook offers the tools to create lasting, meaningful change. Ready to turn fear into freedom? Authentic Self Rebirth is not just another self-help book—it's a practical guide to embracing uncertainty and moving forward with a growth mindset.

why am i so bad with relationships: The Path Mark Yazzie, 2018-04-16 May my story heal. I have been both the victim of pain and the orchestrator of pain. And what I have learned through this painful life? I learned that loving people the right way God intended is a whole lot different than what we think it is.

why am i so bad with relationships: Magical Pathworking Nick Farrell, 2003-08 Through techniques of pathworking (guided meditation), your imagination can shine a magic mirror on your personality. This inner landscape reveals your world as your unconscious sees it. This work shows the mystical use of pathworking as a method for contacting the divine.

why am i so bad with relationships: Broken Boundaries - Stories of Betrayal in Relationships of Care Sarah Richardson, Melanie Cunningham, 2008-05-13 A fascinating story of the Caribbean Island of Redonda. The reader is left to determine what is Myth, Legend, Fiction or Fact. At times the story is highly amusing as 'King Leo' draws his own conclusions about his 'Kingdom'

why am i so bad with relationships: Forever Timmothy B. McCann, 2003-03 In the eagerly awaited follow-up to *Until*, McCann presents a year in the life of unforgettable couple Drew Staley and Betty Robinson. Financial analyst Drew had found a soulmate in Betty, the bright, beautiful lawyer who made him believe in love again. But now, as overwhelming personal and professional burdens create a distance between them, he and Betty are starting to question their hasty wedding. Meanwhile their friend Jacqui finds herself torn between two very different men, in this exquisite portrait of ordinary people and the choices they make in the name of love.
