

without in german language

without in german language is a concept that involves understanding how to express the absence or lack of something in German. This article explores the various ways to translate and use the word "without" in German language contexts. It covers the primary translations, grammatical structures, and common phrases involving the concept of "without." Additionally, this article delves into the nuances and exceptions that arise when expressing negation or absence in German. Understanding these aspects is crucial for effective communication, especially for learners and professionals who want to master German syntax and vocabulary related to negation. The following sections will provide a comprehensive overview, including practical examples and usage tips to enhance comprehension and application of "without" in German language.

- Translation of "Without" in German
- Using "Ohne" as the Primary Preposition
- Alternative Expressions and Synonyms
- Grammar Rules and Sentence Structure
- Common Phrases and Idiomatic Uses
- Practical Examples and Usage Tips

Translation of "Without" in German

In German language, the direct translation of "without" is commonly expressed by the preposition **ohne**. This preposition is used to indicate the absence of something or someone in a sentence. Unlike English, where "without" can sometimes function as a conjunction or adverb, in German "ohne" primarily functions as a preposition requiring the accusative case. Understanding this translation is foundational for using "without" correctly in German sentences.

Meaning and Usage of "Ohne"

The word *ohne* literally means "without" and is used to denote that something is missing or not included. It precedes the noun or pronoun that is omitted or absent. For example, "without sugar" translates to "ohne Zucker."

Grammatical Role of "Ohne"

As a preposition, *ohne* governs the accusative case, which means the noun or pronoun

following it must be in the accusative form. This rule is consistent regardless of the noun's gender or number. For example, "without the book" is "ohne das Buch" (neuter accusative), and "without the children" is "ohne die Kinder" (plural accusative).

Using "Ohne" as the Primary Preposition

Ohne is the most frequently used word to express "without" in German language. It is versatile and applicable in both formal and informal contexts. This section highlights how to use "ohne" effectively in sentences and common constructions.

Placement of "Ohne" in Sentences

"Ohne" typically appears directly before the noun or noun phrase that indicates what is absent. The placement can vary depending on sentence structure but generally remains close to the omitted element. For example, "He left without saying goodbye" translates as "Er ging ohne sich zu verabschieden."

Combining "Ohne" with Verbs and Infinitives

When used with verbs, "ohne" is often followed by an infinitive clause introduced by "zu." This construction means "without doing something." For example, "without thinking" is "ohne nachzudenken." This structure is common in both spoken and written German.

Alternative Expressions and Synonyms

While **ohne** is the standard translation of "without," German language offers several alternatives and synonyms that can express similar meanings depending on context. These alternatives may be more suitable in certain idiomatic expressions or formal writing.

Expressions Using "Nicht" and "Kein"

Sometimes, negation is expressed using the words *nicht* (not) and *kein* (no/none), especially when "without" implies the absence of quantity or negation of an action. For example, "without money" can also be expressed as "kein Geld." However, this depends on sentence context and intended nuance.

Other Synonyms and Phrases

Other phrases like "frei von" (free from) or "ohne dass" (without that) can convey similar meanings to "without" in more complex or formal sentences. For instance, "free from errors" is "frei von Fehlern."

Grammar Rules and Sentence Structure

Mastering the grammar associated with expressing "without" in German language is essential for accurate and natural communication. This section examines key grammatical rules and sentence structures involving "ohne" and related expressions.

Accusative Case After "Ohne"

As previously mentioned, "ohne" always takes the accusative case. This affects articles, adjective endings, and pronouns following it. For example:

- Ohne den Hund (masculine accusative)
- Ohne die Katze (feminine accusative)
- Ohne das Auto (neuter accusative)
- Ohne die Kinder (plural accusative)

Negative Constructions Without "Ohne"

In some sentences, negation or absence is conveyed without directly using "ohne." Instead, negative verbs or particles like "nicht" negate the presence of something. For example, "I can't live without you" is "Ich kann nicht ohne dich leben," combining negation with "ohne."

Common Phrases and Idiomatic Uses

The German language features many idiomatic expressions that incorporate the concept of "without." These phrases are useful for everyday communication and enrich vocabulary related to absence or lack.

Typical Idioms Using "Ohne"

Some common idiomatic expressions include:

- **Ohne Fleiß kein Preis** – "No pain, no gain" (literally "Without diligence, no prize")
- **Ohne Wenn und Aber** – "Without ifs and buts" (meaning absolutely or unconditionally)
- **Ohne Punkt und Komma reden** – "To talk without stopping" (literally "without period and comma")

Usage in Formal and Informal Contexts

While "ohne" is appropriate in all registers, idiomatic expressions may vary in formality. Some are colloquial and best used in casual conversation, whereas others are suitable for formal writing or speeches.

Practical Examples and Usage Tips

Practical application of "without in german language" includes understanding context, choosing appropriate vocabulary, and constructing grammatically correct sentences. This section provides examples and tips for effective use.

Examples in Everyday Sentences

1. Ich trinke meinen Kaffee ohne Zucker. (I drink my coffee without sugar.)
2. Sie ging ohne ihren Regenschirm nach draußen. (She went outside without her umbrella.)
3. Wir können ohne deine Hilfe nicht fertig werden. (We cannot finish without your help.)
4. Er verließ das Haus, ohne sich zu verabschieden. (He left the house without saying goodbye.)

Tips for Learners

- Always remember to use the accusative case after "ohne."
- Practice using "ohne" with infinitive clauses to express "without doing something."
- Familiarize yourself with common idioms to sound more natural.
- Distinguish between "ohne" and negation with "nicht" or "kein" depending on the sentence context.

Frequently Asked Questions

without in german language: Selecting by Origin Christian Joppke, 2005-02-28 In a world of mutually exclusive nation-states, international migration constitutes a fundamental anomaly. No wonder that such states have been inclined to select migrants according to their origins. The result is ethnic migration. But Christian Joppke shows that after World War II there has been a trend away from ethnic selectivity and toward non-discriminatory immigration policies across Western states. Indeed, he depicts the modern state in the crossfire of particularistic and universalistic principles and commitments, with universalism gradually winning the upper hand. Thus, the policies that regulate the boundaries of states can no longer invoke the particularisms that constitute these boundaries and the collectivities residing within them. Joppke presents detailed case studies of the United States, Australia, Western Europe, and Israel. His book will be of interest to a broad audience of sociologists, political scientists, historians, legal scholars, and area specialists.

without in german language: Policy Frames on Spousal Migration in Germany Laura

Block, 2016-03-29 Laura Block asks how liberal democracies manage to restrict migration in spite of liberal constraints. She analyses the political debates surrounding spousal migration policies from 2005–2010 in Germany and reveals government strategies that restrict spousal migration while staying within the discursive realm of individual rights. By circumscribing and scrutinising both the membership status necessary to access the right to family protection and the family ties in question, restricting spousal migration is legitimised.

without in german language: Philadelphia's Germans Richard N. Juliani, 2021-10-21 In Philadelphia's Germans: From Colonial Settlers to Enemy Aliens, Richard N. Juliani examines the social, cultural, and political life, along with the ethnic consciousness, of Philadelphia's Germans, from their participation in the founding of the colony of Pennsylvania to the entry of the United States into World War I. This book focuses on their paradoxical transformation from loyal citizens, who made great contributions as they became increasingly Americanized, to a people viewed as a foreign threat to the safety and security of the city and nation. It also considers the policies and treatment of government and views of the local press in reporting and interpreting the dilemma of German Americans during the transition.

without in german language: **Duality of Voice** Emil Sutro, 1899 By the time this book will appear, nearly six years will have elapsed since I discovered the voice of the oesophagus, and almost five since I published a preliminary account of this discovery in a book entitled The Basic Law of Vocal Utterance. This discovery, though the most comprehensive and far-reaching of any that has ever been made, not only in regard to the voice, but in regard to the better comprehension of our nature and our entire human existence, has remained as unknown to the world as if it had never been made. Yet some day, when its importance is recognized, it will take rank in the annals of the history of the human race as second to no other discovery that has influenced and shaped human thought in the proper recognition of the origin and the nature of man, spiritual as well as physical, his abilities and his limits, and his relative position, influence, and destiny in the economy of the universe.

without in german language: Nationalism, Ethnicity, and Identity Russell F. Farnen, 2017-07-05 Nationalism, national identity, and ethnicity are cultural issues in contemporary Western societies. Problems in the United States, the Netherlands, Germany, Austria, Turkey, Poland, Croatia, Ukraine, Hungary, and Bulgaria illustrate both large-scale internal variations in these phenomena and their cross-national relevance for teaching, research, and educational development on such subjects as multiculturalism, ethnic diversity, and socialization. Nationalism, Ethnicity, and Identity, now in paperback, reflects the consequences of rapid change as well as the impact of longstanding social values. Contributors from a number of different countries use a variety of methodological approaches (empirical, quantitative, qualitative, historical, and case study, among others) to analyze important issues. These include anti-Semitism, stereotyping, militarism, authoritarianism, postmodernism, moral development, gender, patriarchy, theory of the state, critical educational theory, Europeanization, and democratic public policy options as related to competing choices among monocultural and multicultural policy options. In addition, contributors examine the situation of minorities in their respective national settings. Chapters cover the impact of mass media, culture, patriotism, and other universal values. This cross-national study is a unique addition to the literature on multiculturalism.

without in german language: *Revisiting Moroccan Migrations* Mohammed Berriane, Hein De Haas, Katharina Natter, 2018-02-02 Over the 20th century, Morocco has become one of the world's major emigration countries. But since 2000, growing immigration and settlement of migrants from sub-Saharan Africa, the Middle East, and Europe confronts Morocco with an entirely new set of social, cultural, political and legal issues. This book explores how continued emigration and increasing immigration is transforming contemporary Moroccan society, with a particular emphasis on the way the Moroccan state is dealing with shifting migratory realities. The authors of this collective volume embark on a dialogue between theory and empirical research, showcasing how contemporary migration theories help understanding recent trends in Moroccan migration, and, vice-versa, how the specific Moroccan case enriches migration theory. This perspective helps to overcome the still predominant Western-centric research view that artificially divide the world into 'receiving' and 'sending' countries and largely disregards the dynamics of and experiences with migration in countries in the Global South. This book was previously published as a special issue of *The Journal of North African Studies*.

without in german language: MARTIN LUTHER Premium Collection: Theological Works, Sermons & Hymns Martin Luther, 2023-11-16 In the prestigious collection, MARTIN LUTHER Premium Collection: Theological Works, Sermons & Hymns, readers are invited into the profound theological explorations of one of the most pivotal figures in Christian history. This comprehensive anthology encompasses Luther's seminal writings, impassioned sermons, and timeless hymns, which showcased his incisive intellect and his commitment to Scripture. Written against the backdrop of the Protestant Reformation, Luther employs a polemical yet accessible literary style, engaging both laypeople and scholars in spirited dialogues about faith, grace, and authority. Each piece underscores his advocacy for a return to biblical fundamentals and critiques institutional corruption, thus providing crucial insight into the sociopolitical upheaval of his time. Martin Luther (1483-1546) emerged not only as a theologian but also as a revolutionary reformer whose ideas transformed the Christian landscape. Raised in a devout household, his early struggles with faith and the Church's practices led him to decisively challenge the status quo, culminating in his posting of the Ninety-Five Theses. Luther's life experiences, his erudition in scholastic philosophy, and his desire for spiritual authenticity fueled his writing, which remains influential across denominations and disciplines. This premium collection is highly recommended for anyone seeking a deeper understanding of Christian doctrine and history. Luther's works resonate through the ages, appealing to both the devout and the curious. The blend of theological depth and lyrical expression invites readers to reflect on their faith journeys and engage with the revolutionary passion that sparked a new era in Christianity.

without in german language: The Ultimate Luther Collection Martin Luther, 2023-12-29 In *The Ultimate Luther Collection*, Martin Luther, a seminal figure of the Reformation, presents a compendium of his theological discourses, polemics, and treatises that challenge the prevailing notions of faith and authority in the early 16th century. This collection encapsulates Luther's revolutionary ideas, showcasing his mastery of rhetoric and his profound ability to articulate complex theological concepts in accessible language. With works addressing the nature of grace, Scripture's authority, and the individual's relationship with God, Luther systematically dismantles the dogmas of the Catholic Church while advocating for a return to the original biblical texts. The anthology serves not only as a historical document but also as a reflection of the tumultuous societal shifts of his time, firmly placing Luther within the literary and religious context of the Reformation. Martin Luther, born in 1483 in Germany, was a monk, theologian, and professor whose lifelong quest for spiritual truth led him to challenge the ecclesiastical authority of the era. His experiences within the Church and his personal struggle with the concept of salvation informed his writings. Luther's famous Ninety-Five Theses ignited the Reformation, propelling him into the limelight as a leader of a movement that sought to redefine Christian doctrine and practice. For those interested in the foundations of modern Protestantism or the historical interplay of religion and culture, *The Ultimate Luther Collection* is an essential read. It invites readers to engage with Luther's ideas and

understand their profound impact on Western thought. Whether approached from a theological, historical, or literary perspective, this collection provides a compelling journey through the mind of one of history's most influential figures. In this enriched edition, we have carefully created added value for your reading experience: - A comprehensive Introduction outlines these selected works' unifying features, themes, or stylistic evolutions. - The Author Biography highlights personal milestones and literary influences that shape the entire body of writing. - A Historical Context section situates the works in their broader era—social currents, cultural trends, and key events that underpin their creation. - A concise Synopsis (Selection) offers an accessible overview of the included texts, helping readers navigate plotlines and main ideas without revealing critical twists. - A unified Analysis examines recurring motifs and stylistic hallmarks across the collection, tying the stories together while spotlighting the different work's strengths. - Reflection questions inspire deeper contemplation of the author's overarching message, inviting readers to draw connections among different texts and relate them to modern contexts. - Lastly, our hand-picked Memorable Quotes distill pivotal lines and turning points, serving as touchstones for the collection's central themes.

without in german language: The Collected Works of Martin Luther Martin Luther, 2023-11-16 The Collected Works of Martin Luther presents a comprehensive anthology of the influential theologian's writings, encompassing his seminal discourses during the Protestant Reformation. The volumes reflect Luther's bold literary style, blending scripture-based argumentation with poignant personal reflections and a passionate call for ecclesiastical reform. Key texts such as the Ninety-Five Theses and the Large and Small Catechisms illustrate not only Luther's theological insights but also his skillful use of rhetoric, making complex ideas accessible to the laity. The work situates itself within the historical context of 16th-century Europe, capturing the fervor of a transformative era in Christianity. Martin Luther (1483-1546), a German monk and theologian, emerged as a central figure in the Reformation, driven by a profound quest for spiritual truth and reform within the Catholic Church. His intimate struggles with faith and doctrine compelled him to challenge the prevailing norms of his time, echoing the sentiments of growing dissatisfaction among believers. His writings reveal a deep understanding of scripture and a commitment to the principles of justification by faith, shaping the beliefs of countless followers in the centuries that followed. This collection is indispensable for scholars and lay readers alike, offering insights into the foundations of Protestant thought and the enduring relevance of Luther's theological contributions. It invites readers to engage with the historical narrative and appreciate the literary artistry that has influenced modern Christianity and Western thought.

from both within and without/outside - English Language I would like to ask native speakers now if using "without" in the sense of "outside" sounds off or strange, especially when it is used in a sentence such as "The ABC serves as the

phrases - "Without any problem" or "without any problems" 3 Normally one would just say without problem, skipping the any altogether. It doesn't really add anything to speak of, and just makes the phrase longer. But I certainly

word choice - Is "sans" a drop-in replacement for "without"? I keep hearing people use the word sans in place of without which causes me to cringe. Can sans really be used as a drop-in replacement? Examples: "I prefer cheeseburgers

expressions - "Without whom" or "whom without"? - English Is it more grammatically correct to move the preposition without to the end of its clause, or use without whom? Does the "in no particular order" change matters? I wish to

The usage "Without Which" - English Language & Usage Stack Thanks, let's assume the sentence is without "necessary" because my focus is on the usage "without which". Meaningful in the same way or not? Correct or incorrect? I don't

meaning in context - "with and without" vs. "with or without" We consider models with and without X. "And" implies that you considered at least two types of models, those with X and those without. The grammatical expansion would be:

prepositions - Without A and B / without A or B / Without A nor B Solutions without overcomplications and mistakes. Solutions without overcomplications or mistakes. Solutions without overcomplications nor mistakes. Nominal

Is there a common abbreviation for "with or without"? e.g. w/wo or 5 Is there a common abbreviation for "with or without"? e.g. w/wo or w/w/o Obviously, something this complex is best written in full form, but I'm looking for something to use in space

grammar - Difference between "without" and "with no" - English What is the difference between the usage of without and with no? For example, without sound and with no sound

'within and without' - English Language & Usage Stack Exchange 1 "Threats from within and without" is a perfectly good usage. If it seems confusing, break it down to two separate sentences: Our nation faces threats from within. (As with spies,
